Cleanne Lynn Johnson

Love My Colors Cleanne Lynn Johnson,2019-09-02 This book is for all those people - especially young girls who have been belittled and made fun of, just based on their skin color. Diversity is beautiful, and every skin-color matters - be it black, olive, brown, or white. Natasha learns to be content in her own skin, with time and a few lessons on the way. Yes, she may be darker-skinned than her mother and the rest of the residents at the island. Yes, she may also be darker-skinned than her lighter-skinned father and the rest of the kids at school... but she is her own person - whatever her skin-color.

*The Reverse Coloring Book*<sup>TM</sup> Kendra Norton,2021-08-31 Coloring books became a thing when adults discovered how relaxing and meditative they were. Jigsaw puzzles roared back into popularity as an immersive activity, not to mention a great alternative to television. How exciting is it, then, to introduce an activity that tops them both: reverse coloring, which not only confers the mindful benefits of coloring and puzzling but energizes you to feel truly creative, even when you're weary and just want to zone out. It's so simple, yet so profoundly satisfying. Each page in The Reverse Coloring Book has the colors, and you draw the lines. Created by the artist Kendra Norton, these beautiful and whimsical watercolors provide a gentle visual guide so open-ended that the possibilities are limitless. Trace the shapes, draw in figures, doodle, shade, cover an area with dots. Be realistic, with a plan, or simply let your imagination drift, as if looking at clouds in the sky. Each page is an invitation to slow down, let go, and thoughtfully (or thoughtlessly) let your pen find its way over the image. The Reverse Coloring Book includes 50 original works of art, printed on sturdy paper that's single-sided and perforated. And unlike with traditional coloring books, all you need is a pen.
