Mark Crilley

The Shadow Hero Gene Luen Yang,2014-07-15 In the comics boom of the 1940s, a legend was born: the Green Turtle. He solved crimes and fought injustice just like the other comics characters. But this mysterious masked crusader was hiding something more than your run-of-the-mill secret identity... The Green Turtle was the first Asian American super hero. The comic had a short run before lapsing into obscurity, but the acclaimed author of *American Born Chinese*, Gene Luen Yang, has finally revived this character in *Shadow Hero*, a new graphic novel that creates an origin story for the Green Turtle. With artwork by Sonny Liew, this gorgeous, funny comics adventure for teens is a new spin on the long, rich tradition of American comics lore.

The Law for Comic Book Creators Joe Sergi,2015-02-18 Since the creation of the comic book, cases of legal conflict and confusion have often arisen where concepts such as public domain, unincorporated entities and moral rights are involved. As a result, comics creators are frequently concerned about whether they are protecting themselves. There are many questions and no single place to find the answers--that is, until now. Entertaining as it instructs, this book seeks to provide those answers, examining the legal history of comics and presenting information in a way that is understandable to everyone. While not seeking to provide legal advice, this book presents the legal background in plain English, and looks at the stories behind the cases. Every lawsuit has a story and every case has lessons to be learned. As these lessons are explored, the reader will learn the importance of contracts, the basics of copyright and trademark, the precautions necessary when working with public domain characters and the effects of censorship.

Twilight Monk - Secrets of Kung Fulio (Illustrated) Chris Krubeck,Trent Kaniuga,2020-10-28 Contains over 70 Illustrations and sketches by the Author. It is a desperate time in the land of Speria. Rumors of villages destroyed by Dark Creatures echo across the land. The downtrodden survivors turn to the remnants of Moonken warriors at Crescent Isle, but their pacifist ways do not allow them to intervene. Raziel Tenza and Rin Torra are likely the worst Moonken to ever train at the monastery on the mystical shores of Crescent Isle. But when an insurgent gang of miscreants (The Red Cobras) threaten to run them out of town, they decide to team up and stand their ground. The only problem is... they stink at kung fu! With no fighting ability whatsoever, (but a whole lot of gusto!) they embark on an epic martial arts adventure in search of a shortcut to the ultimate badass Kung Fulio power of their ancestors. In their desperate struggle, they accidentally unleash raging Darksprites, get wrapped up in a legendary mystical heist, and discover secret powerful artifacts that will shape their destiny, and determine the fate of the Monks of Twilight. This book is part 1 of a series of Kung Fu action-adventure fantasy novels.

Acclaimed illustrator and graphic novelist Mark Crilley returns with a new approach to learning the essential elements of making comics. His easy-to-follow instruction about comic book art, design, and storytelling provides aspiring creators a one-of-a-kind how-to experience. In The Comic Book Lesson, you'll meet Emily—an enthusiastic young comics fan who has a story she needs to tell. On her quest to turn that story into a comic book, Emily meets three helpful mentors who share their knowledge. Trudy, a high school student who works at the local comics shop, teaches Emily how to create expressive characters and how art can convey action and suspense. Madeline, a self-published manga artist, teaches Emily how to use panel composition and layout to tell a story visually and how to develop a comic from script to sketch to finished pages. Sophie, a professional graphic novelist, guides Emily through fine-tuning the details of dialogue, sequence, and pacing to lead readers through the story. Page by page, you'll discover more about the events that drive Emily to create her comic book as her mentors teach her (and you!) about the fundamentals of visual narrative and comic book art. Each lesson builds on the previous one, guiding you through the steps of planning and creating your comic, with accompanying exercises you can try for yourself.
