Medical Language Guide: The Most Important Questions & Statements of Medicine in English, German, Spanish, French, Portuguese, Russian and Arabic Vincent Landre, 2019-03-28 This book is designed to help you communicate with patients from other countries and gain specialist foreign language skills in medicine. The target group is all medical staff, trainees and students in health-care areas, as well as all those who are interested in communication in healthcare. The most important questions and answers are sorted by topics within their medical context. German, English, Spanish, French, Portuguese, Russian and Arabic are currently available. The content was collected by healthcare professionals and translated by professional translators. This language guide can also prepare you for visitations, internships or the practical year. This book is also suitable for working with refugees.

Language Planning and Policy in Asia: Japan, Nepal, Taiwan and Chinese characters Robert B. Kaplan, Richard B. Baldauf, 2008 This volume covers the language situation in Japan, Nepal and Taiwan, as well as the modernisation of Chinese Characters in China, explaining the linguistic diversity, the historical and political contexts and the current language situation -- including language-in-education planning, the role of the media, the role of religion, and the roles of non-indigenous languages. Two of the authors are indigenous and the other two have been participants in the language planning context.

An Introduction to Intercultural Communication Fred E. Jandt, 2015-01-29 An Introduction to Intercultural Communication: Identities in a Global Community prepares today's students to successfully navigate our increasingly global community. Fred E. Jandt introduces essential communication skills and concepts that will empower readers to interact successfully with different cultures and ethnic groups. To spark student interest, Jandt offers readers unique insights into intercultural communication, at home and abroad, through an emphasis on history, culture, and popular media. Each chapter integrates material on social media, as well as extensive new examples from recent international news and events. Throughout the text, Jandt reinforces the important roles that stories, personal experiences, and self-reflection play in building our intercultural understanding and competence. The Eighth Edition adds depth to the coverage of theory and includes two new features: Focus on Skills provides expanded coverage of intercultural communication in practice, while Focus on Technology illustrates the impact of new communication technology on intercultural encounters. The new edition also introduces a new map program to provide students with additional context for discussion of cultures and regions across the globe.
