Medical Language Guide: The Most Important Questions & Statements of Medicine in English, German, Spanish, French, Portuguese, Russian and Arabic Vincent Landre, 2019-03-28 This book is designed to help you communicate with patients from other countries and gain specialist foreign language skills in medicine. The target group is all medical staff, trainees and students in health-care areas, as well as all those who are interested in communication in healthcare. The most important questions and answers are sorted by topics within their medical context. German, English, Spanish, French, Portuguese, Russian and Arabic are currently available. The content was collected by healthcare professionals and translated by professional translators. This language guide can also prepare you for visitations, internships or the practical year. This book is also suitable for working with refugees.

Language Planning and Policy in Asia: Japan, Nepal, Taiwan and Chinese characters Robert B. Kaplan, Richard B. Baldauf, 2008 This volume covers the language situation in Japan, Nepal and Taiwan, as well as the modernisation of Chinese Characters in China, explaining the linguistic diversity, the historical and political contexts and the current language situation -- including language-in-education planning, the role of the media, the role of religion, and the roles of non-indigenous languages. Two of the authors are indigenous and the other two have been participants in the language planning context.

An Introduction to Intercultural Communication Fred E. Jandt, 2015-01-29 An Introduction to Intercultural Communication: Identities in a Global Community prepares today's students to successfully navigate our increasingly global community. Fred E. Jandt introduces essential communication skills and concepts that will empower readers to interact successfully with different cultures and ethnic groups. To spark student interest, Jandt offers readers unique insights into intercultural communication, at home and abroad, through an emphasis on history, culture, and popular media. Each chapter integrates material on social media, as well as extensive new examples from recent international news and events. Throughout the text, Jandt reinforces the important roles that stories, personal experiences, and self-reflection play in building our intercultural understanding and competence. The Eighth Edition adds depth to the coverage of theory and includes two new features: Focus on Skills provides expanded coverage of intercultural communication in practice, while Focus on Technology illustrates the impact of new communication technology on intercultural encounters. The new edition also introduces a new map program to provide students with additional context for discussion of cultures and regions across the globe.

The Complete Home Learning Sourcebook Rebecca Rupp, 1998 Lists all the resources needed to create a balanced curriculum for homeschooling--from preschool to high school level.

Advanced Japanese Noriko Ishihara, Magara Maeda, 2017-10-23 This innovative advanced level course in Japanese teaches appropriate language use in real life situations. With an emphasis on listening and speaking skills, the course takes a descriptive approach, demonstrating the variations that exist among Japanese speakers. Authentic sample dialogues demonstrate a range of generally preferred language uses, giving the student the tools to communicate in an effective and culturally appropriate manner. Organized according to frequently used functions of speech, such as requesting, apologizing, refusing and thanking and complimenting, Advanced

Japanese presents commonly-used expressions and typical speech routines, providing the learner with the opportunity to familiarize themselves with their usage within the social context. Advanced Japanese: Communication in Context not only introduces commonly-used formulaic expressions, but also teaches learners how Japanese speakers assess crucial contextual factors such as relative social status, level of familiarity, and content of speech as they interpret a message and use language to convey their intentions. Key features of the textbook include: exercises throughout, including ‘core’ and ‘optional’ activities self-assessment section in each chapter unit summaries, grammar notes and role-play activities a separate Teacher’s Guide which fully supports the textbook featuring extensive notes and guidance also available through the companion website. Key features of the companion website include: complete audio files to accompany all dialogues within the textbook optional extra activities for students wishing to progress beyond the textbook teacher’s guide – downloadable in both Japanese and English. Advanced Japanese: Communication in Context is the ideal resource for all intermediate to advanced learners of Japanese. The course is also an invaluable tool for anyone involved in the teaching of Japanese language. Noriko Ishihara is Associate Professor of EFL/TESOL at Hosei University, Japan. Magara Maeda teaches Japanese at the University of Wisconsin-River Falls, USA.

McGraw-Hill's Medical Translation Visual Phrasebook Neil Bobenhouse,2012-11-02 Communicate with your non-English speaking patients even when no translator is available--you just have to flip pages and point! McGraw-Hill's Medical Translation Visual Phrasebook provides you with the tools you need to communicate in the 20 most commonly spoken languages in the U.S.--with no foreign language knowledge required. The cards feature close-ended questions that are designed so that non-English speaking patients can respond with a simple head nod, a yes or no response, or by pointing to a simple diagram. Each assessment fits on one page, so you don't have to flip back and forth for what you need. This unique product is the only multi-lingual pocket medical reference of its kind--and the only one you'll need when a critical situation arises. Conveniently sized, easy-to-use product features spiral binding and close-ended questions for quick and easy communication No prior foreign language knowledge needed to communicate basic medical information in 20 different languages Includes Arabic, Chinese, French, German, Greek, Haitian Creole, Hebrew, Hindi, Italian, Japanese, Korean, Persian, Polish, Portuguese, Russian, Serbo-Croatian, Spanish, Tagalog, Urdu, and Vietnamese

Japanese for Healthcare Professionals Shigeru Osuka,2015-09-15 The only book of its kind in English, Japanese for Healthcare Professionals is a proficiency-based conversation textbook offering a complete Japanese language course that teaches Japanese grammar along with the vocabulary of medical care. With nearly three million Japanese tourists visiting the United States last year, and another five hundred thousand expatriates residing in the US and other English-speaking countries, it is inevitable that many Japanese speakers find themselves in need of healthcare but unable to communicate. Important highlights of this book are: Accompanying MP3 Audio Disc. No prior knowledge of Japanese necessary. For all professionals seeking to communicate in healthcare situations. Includes an English–Japanese dictionary of medical terms, a glossary of common complaints, and a sample bilingual medical questionnaire. Japanese for Healthcare Professionals offers a complete language course for classroom study or independent learners that teaches Japanese grammar along with the medical Japanese vocabulary. The chapters cover every step of a patient's interaction with care providers, from appointments and admissions to the physical examination, symptoms and illnesses, diagnosis, treatment, instructions to the patient, discharge, and follow–up. Chapters are devoted to the major branches of medicine as well as dentistry and to the corresponding bodily systems. There are also chapters on anatomy, infection and disease, and visits to the pharmacy. Each chapter follows a natural progression designed to help the learner comprehend the new material and acquire the language as effortlessly as possible. Each includes: basic Japanese vocabulary, a situational dialogue, Japanese grammar points and key Japanese language and culture notes, exercises and practice drills, and a quiz to sharpen comprehension. The culture and language notes seek to help the provider understand better a Japanese patient's cultural framework and patterns of belief, as well as the un-translatable meaning conveyed by certain idioms. The accompanying MP3 audio disc ties in core parts of each chapter, allowing learners to practice their spoken language skills outside a classroom setting. The book also includes thirty illustrations to help with vocabulary acquisition, a pronunciation guide, an English–Japanese dictionary of medical terms, a glossary of Japanese expressions for common complaints, a sample bilingual medical questionnaire, and answers to the quizzes. Emphasizing the learner's practical use of the Japanese language for healthcare settings and the importance of culture in understanding, Japanese for Healthcare Professionals reflects the national standards in foreign–language education set by the American Council on the Teaching of Foreign languages (ACTFL).

The Japanese Way Norika Takada,Rita Lampkin,1997 A handy guide to understanding how people from every corner of Japan think, do business, and act in their daily lives Organized alphabetically for ease of use, The Japanese Way is an indispensable reference to the common as well as the divergent cultural traits of the Japanese. Included are 89 key traits, representing the values of a people who have been described as enigmatic, mysterious, inscrutable, and even unknowable. The Japanese Way provides an explanation of the varied ways in which these people celebrated holidays, interact with one another, resolve daily problems, view and deal with the outside world—as well as illuminating the rich and varied historical traditions that have shaped the modern culture of Asia’s most progressive nation. Complete with a bibliography and index, The Japanese Way provides keen insights into the rich variety of customs and attitudes found among the Japanese people. Whether you are interested in Japan as a student, tourist or business traveler, this book will help you break the culture barrier--and appreciate the Japanese way.

Guide to Spanish Idioms Raymond H. Pierson,1985-02 Lists in alphabetical order the most common idiomatic phrases and expressions in Spanish with their English equivalents.
