📖 **MAPPING CHURCH MISSIONS** Sharon R. Hoover, 2018-09-25 The terrain of church missions is often bewildering. Should we prioritize evangelism or works of service? Local ministries or overseas missions? What’s more important: giving our money or giving our time? Crisis relief or building sustainable, long-term ministries? And what about the often debated pros and cons of short-term missions trips? In Mapping Church Missions, Sharon Hoover brings her years of experience in local church missions to bear on these and other thorny questions. Instead of taking a hardline stance on one end of the spectrum or the other, she approaches each question with nuance, adding helpful data, presenting new perspectives, and always pressing gently past surface questions to the heart of the matter. Whether we’re fully aware of it or not, our churches come up against these questions whenever we consider how best to use our resources for the mission of God. Written by an experienced guide, this book maps the terrain of church missions in careful detail, helping us plot our church’s unique course as we seek to serve Christ’s kingdom.

📖 **THE CHRISTIAN’S COMPASS** Les WheelDon, 2012-07-11 The Christian’s Compass is an easy to read, study manual that will be of enormous encouragement and help to those in pioneering evangelism, in church planting and in leadership. The Christian Compass is a very practical and useful resource tool of sound biblical teaching, where both mature believers and those new to the Christian faith, can benefit from in their personal walk with the Lord, in their study of the Word, and in the preparation of messages to make disciples for Jesus Christ.

📖 **PARTNERS** Mike Fabarez, 2013-04-14 Partners is a spiritual growth program designed for new or longtime believers who are serious about maturing in their faith. This program overviews the fundamental issues of the Christian faith. It is designed to help you learn how to live an effective, pleasing Christian life. The format is a ten chapter program which can be completed in approximately 14 weeks. After you have gone through, this program prepares you to teach what you have been taught to someone else. Also available in Spanish, Arabic and Romanian.

📖 **MESSY GRACE** Caleb Kaltenbach, 2015-10-20 Sometimes, Grace gets messy. Caleb Kaltenbach was raised by LGBT parents, marched in gay pride parades as a youngster, and experienced firsthand the hatred and bitterness of some Christians toward his family. But then Caleb surprised everyone, including himself, by becoming a Christian...and a pastor. Very few issues in Christianity are as divisive as the acceptance of the LGBT community in the church. As a pastor and as a person with beloved family members living a gay lifestyle, Caleb had to face this issue with courage and grace. Messy Grace shows us that Jesus’s command to “love your neighbor as yourself” doesn’t have an exception clause for a gay “neighbor”—or for that matter, any other “neighbor” we might find it hard to relate to. Jesus was able to love these people and yet still hold on to his beliefs. So can you. Even when it’s messy. “Messy Grace is an important contribution to the conversation about sexual identity for churches and leaders. Caleb’s story is surprising and unique, and he weaves it together compellingly. He states his views clearly, leaves room for disagreement, and champions love no matter where you are in this conversation.” —Jud Wilhite, Sr. Pastor, Central Christian Church

📖 **YOUR LIVING COMPASS** Scott Stoner, 2014-08-01 A religious meditation on borders—physical and spiritual—an elemental and humanist phenomenon for everyone. If Barbara Brown Taylor and Steven Covey ever wrote a book together, this might be the book! Living Compass is a church-based faith and wellness program designed for individuals and small groups. Readers engage in a 10-week, self-guided wellness retreat, consisting of daily ten-minute readings, plus small, meaningful action steps designed for getting “your life, your relationships, and your work headed in a new direction,” according to the author. Deeply spiritual and exceedingly practical, this book joins the National Living Compass network, which includes a website, workshop series, wellness resources (including a free Living Well with Living Compass app), social media, and soon, a new multi-million-dollar wellness center to be located in the offices of the Episcopal Diocese of Chicago. Structured holistic wellness program for individuals and groups based on a highly successful retreat model developed by priest-psychologist. Builds on the national network of Living Compass workshops, presentations, and publications, and soon, a multi-million faith and wellness center in Chicago. Each chapter includes questions for reflection.

📖 **THE PILGRIM’S COMPASS** Paul H. Lang, 2019-02-19 As we make our way into the twenty-first century, many Christians are looking for an expression of discipleship that speaks meaningfully to our time, a faith yearning that is at once personally intimate and relevant and that grows out of and nurtures authentic Christian community. The Pilgrim’s Compass shepherds readers through a metaphorical pilgrimage to consider one’s life a journey for faith formation. Using this book as a guide to help Christians consider their journey as they walk through the four stages of intentional faithfulness, disciples will encounter God, wrestle with God, be wounded as will God, and be reborn as a new person with a new name. The Pilgrim’s Compass encourages individuals to embrace the ancient practice of pilgrimage both as metaphor for the daily walk of discipleship and as an intentional journey of faith, which uses prayerful travel to assist an inner transformation.

📖 **SAILING WITH JESUS** Paul Chappell, 2013-06-10 Peter’s life was dramatically changed the moment Jesus entered his boat. From that day forward, he was no mere fisherman; he was a fisher of men. And everything about his life changed. Before this day, Peter lived by logic and guided his decisions from experience. After all, he was skilled in his occupation--logic and experience only made sense. But Jesus demanded that Peter live by faith. Through two poignant scenarios in Peter’s life, discover vital lessons on what it means to live by faith. Catch a vision for what could happen when you launch out of the harbor of your comfort zone, and find assurance by learning what it means to sail through storms with Christ in your boat. Faith--it’s a tremendous compass when it’s calibrated to God’s incredible promises.

📖 **THE BIBLE COMPASS** Dr. Edward Sri, 2014-06-26 The Bible is central to our faith as Catholics. But approaching such a large and complex collection of writings that span thousands of years is intimidating for most of us. We need a guide, a compass to set us off on the right course so that our time spent studying the Scriptures is a time spent encountering the living God. The Bible Compass provides readers with the tools to study the Word of God with confidence and purpose. This book demonstrates how to read the Bible within the living Tradition of the Catholic Church, and it addresses all the common questions about the Bible including: Where did the Bible come from? Why is the Bible so important? Is the Bible really inspired by God? Why do Catholic Bibles have more books than Protestant Bibles? Do I have to take the Bible literally? How do I know if I am interpreting the Bible correctly? Why do we need Tradition and the Magisterium to understand Scripture? What are the four senses of Scripture? Why are there different translations of the Bible Which is best? How can archeology, history and geography enrich our study of Scripture? What are the Dead Sea Scrolls? How should we as Catholics interpret Scripture? What is lectio divina? What about Gnostic gospels and other non-biblical books? As Catholics we are called to have an intimate knowledge of Jesus Christ and the Church as revealed in the Scriptures. Reading the Bible with the proper tools and in the appropriate context will help you grow in your love for the Faith and in your relationship with Jesus Christ himself, who is “the Word made flesh,” (John 1:1).

📖 **SETTING YOUR COMPASS TO IMPACT THE WORLD** Marcus Laughlin, 2013-05-29 “Marcus Laughlin has done the body of Christ a great service in writing Setting Your Compass to Impact the World. Marcus writes what he lives. Using Scripture as his guide, he gives personal examples and practical insights to believers as to how they can be ‘salt and light’ in the culture and community in which they live. I wholeheartedly recommend this book to any believer who is serious about wanting live, on a daily basis, the faith they profess.” —Dr. Jarrett Stephens, Teaching Pastor, Prestonwood Baptist Church “Setting Your Compass to Impact the World begins with a simple assertion that we must first know that we are loved by God. This trusting that God is love can lead us by faith to trust His plan for our life. We were created with gifts or abilities to fulfill God’s plan and not our own. Ultimately this book helps each of us discover our purpose is to glorify God by fulfilling our loving Savior’s plans for our lives. It’s time to reset our compass on the King and His kingdom.” —Mike Fechner, President and Founder, His BridgeBuilders

🔍 **TRUE NORTH-A FATHER’S COMPASS** Ron J. Lint, 2006-09 Young men, and men of all ages, need to know what God expects of them and what their role is in God’s plan. This book was written to warn of the new world view that teaches wrong concepts, provides wrong reasoning, and leads ultimately to failure in the family, in churches, and in communities. (Practical Life)

🔍 **Spiritual Life Map** M. Lucille Kelley, 2015-04-11 Are you a new Christian and not sure what to do next? Or are you a Christian from way back who lost a taste for it? Are you a Christian who needs community? Or do you simply feel alone? Spiritual Life Map: Finding the Compass(c) serves as a practical guide to a better way of life based on how Jesus lived in relationship with others. It shows how to create practices, relationships and communities that apply the ways of Jesus in today’s world. It focuses first on our relationship with God as the central, or vertical, axis. It then adds the layers of relationships that we have with close friends, community and others as our horizontal axis. It is a map for: Increasing intimacy in our most central relationship (God). Designing relationships that enhance our journey. Discipling others in our extended community. It is a reorientation from being me focused to being kingdom focused with Jesus as the compass. Let the compass be your guide.

🔍 **Understanding Prayer, Faith, and God’s Will** Roman Ri, 2013-02 Have you ever been discouraged by perpetual problems of job insecurity, health issues, and financial troubles? Do you try to seek God’s will for your plans but are not able to discern His guidance? Is your faith plagued by doubts over prayers not answered and uncertainty about His will? If you answered yes to any of these questions, Understanding Prayer, Faith, and God’s Will is just the book you need. In this powerful self-help book, Roman Ri takes on the root questions that many people, both Christians and nonbelievers, have about prayer, faith, and God’s will. Looking at our human journey, the author considers both our collective experience and real-life situations. He discusses prayer and God’s will with both depth and simplicity. When you struggle with faith and prayer, it can be difficult to determine God’s will for your life. But Roman explains that Bible verses about prayer are words of encouragement, not words of guarantee. Many have walked the same path you may now find yourself on, with unanswered questions about prayer, so take heart and know that your inner doubts will be resolved. Understanding Prayer, Faith, and God’s Will presents biblical truths that have not been realized before. It expounds God’s will from the Scripture as well as our experience. What you learn will provide clarity in the way you see—and seek—His will. Your faith will be fortified by knowledge and understanding. With renewed confidence and resolve, you will walk with God and serve Him, fully understanding prayer, faith, and God’s will.

🔍 **Compass and Stars** Martin L. Smith, 2007-03-01 Finding our way, getting our bearings, takes its imagery from the art navigation with map and compass and stars. It speaks to our feelings of confusion, loss, and failure. When we admit to God we have lost our way, we get the chance to discover that all ways belong to God - even the way of disorientation. This collection of short, informal pieces that are both theologically substantial and genuinely popular is aimed at helping us get our bearings in the life of the Spirit today. These essays reveal the staleness and oppressive nature of many of our spiritual practices at a time when, more than ever, we need to stand back and let the fresh winds of the Spirit blow through our lives and surprise us. Whether about the spirituality of shopping or social justice, discernment or channel-surfing, these pieces will delight you and make you think. Ideal for retreats and as a source for sermon ideas, the book can be read in one day, or spread over a month or more.

🔍 **The Faith of the Christian Church** Gustaf Aulen, 2002-04-26 This paperback reprinting of Gustaf Aulen’s great textbook of systematic theology should be a welcome delight to the Christian theologian. The reputation if this second English edition, based on the fifth and most extensively revised Swedish edition, has steadily increased over the years as a clear and sound guide to the substance of the Christian faith. Besides treating the whole compass of traditional themes associated with the doctrines of God, Christ, and the church, Aulen in this edition has provided new chapters on the communion of saints and on the relation between scripture and tradition. The chapters on the biblical validation of the content of faith, the doctrine of the Lord’s Supper, and the unity of the church and the disunity of the churches were rewritten. The statements on the relation between the two testaments, creation and redemption, natural law, the resurrection, the validity of infant baptism, and eschatology were substantially revised. Aulen’s keen analysis and clear presentation of the fundamental motifs of the Christian faith, his sharp demarcation of these motifs from their aberrations in the history of Christian thought and in contemporary theology, and especially his profound sense of the oneness of the church’s faith have endeared this book to students, theologians, clergymen, and hosts of intelligent and inquiring laity of every denomination.

🔍 **Compass Theology Review** Peter Malone, 2020-07-01 An outline of the 50 years of an Australian theological journal, Compass Review, details the period from the 1960’s through to 2010.

🔍 **Jesus for President** Shane Claiborne, Chris Haw, 2019-07-30 Jesus for President is a radical manifesto to awaken the Christian political imagination, reminding us that our ultimate hope lies not in partisan political options but in Jesus and the incarnation of the peculiar politic of the church as a people set apart from this world. In what can be termed lyrical theology, Jesus for President poetically weaves together words and images to sing (rather than dictate) its message. It is a collaboration of Shane Claiborne’s writing and stories, Chris Haw’s reflections and research, and Chico Fajardo-Hefflin’s art and design. Drawing upon the work of biblical theologians, the lessons of church history, and the examples of modern-day saints and ordinary radicals, Jesus for President stirs the imagination of what the church could look like if it placed its faith in Jesus instead of Caesar. A fresh look at Christianity and empire, Jesus for President transcends questions of should I vote or not? and which candidate? by thinking creatively about the fundamental issues of faith and allegiance. It’s written for those who seek to follow Jesus, rediscover the spirit of the early church, and incarnate the kingdom of God.

🔍 **The Compass to Your Success** Pastor, Joshua C. Killingsworth, 2022-11-03 This is a book of biblical principles, faith, and kingdom keys teaching us that our minds are powerful because of our God-given ability to create and designed from nothing but an idea with purpose and our imaginations. The only enemy that can defeat us is the enemy from within, and his name is doubt, but he sometimes goes by the name of negative thinking or I can’t. But if you can trust in God’s Word to follow the road map within the scriptures, then you can unlock the mysteries of becoming successful in all areas of your life, learning to focus on and complete lifelong goals and dreams. This book will teach you to create successful habits and position you to be committed to an ongoing life of great achievements and success.
