LOOSE ENDS ROSE STONE,2024-03-18 The mistake was too obvious; the solution was not. Something or someone seemed to be methodically draining client accounts, threatening the security, the very survival of two conglomerates: Maxwell, the largest marketing firm in the US, and Kingston & Hayes, the Wall Street giant that admitted the mistake was theirs. Why had it happened? And even more, could the process be stopped? The answers were there, in the loose ends of a nicely folded lie.

Even if it does not meet their full expectations, I trust will not be disappointing. There are great and, indeed, insurmountable difficulties in pre paring a complete history of Kingston, on account of the loss and destruction of public records and other valuable papers. CliffsNotes on Kingston's Woman Warrior Soon-Leng Chua,2004-03-15 This is a powerful study of what it is like to grow up Chinese in America. The dichotomy of values and the cleaving of a life in two cultures, which must yet be lived in one united whole, make this both compelling and informative.

Kingston's Kitchen *please see cover instructions,2015-02-27
When it comes to spoiling you dog, nothing beats great cuisine. Karin Samantha Horn Roseman and Monika S. Phillips have been cooking for their dogs for more than twenty years. Together they share their favorite pup recipes including stories that inspired the recipes. Named after one of Karin's Great Danes, the cookbook includes recipes inspired and named after all of the family pets including: • Ernie's Amazing Pumpkin: a quick and easy recipe that includes pure pumpkin that's great for the tummy and easily digested. • Kingston's Hidden Veggies: Cauliflower, sweet potato, green zucchini and yellow squash mixed in with cubed beef liver. Even if your pooch doesn't want to eat healthy, he or she won't be able to resist the smell of the liver that overpowers the veggies. • Abby's Old Fashioned Steak and Potatoes: Cubed organic beef works best. Throw in some potatoes and bite-sized carrots and you have a healthy and hearty meal. More than a dozen recipes—all based on wholesome, organic, and thoughtful

eating—will please the entire family. You'll be delighted with Kingston's Kitchen!

Maxine Hong Kingston's The Woman Warrior Say-ling Cynthia Wong,1999-01-21 With the continued expansion of the literary canon, multicultural works of modern literary fiction and autobiography have assumed an increasing importance for students and scholars of American literature. This exciting new series assembles key documents and criticism concerning these works that have so recently become central components of the American literature curriculum. Each casebook will reprint documents relating to the work's historical context and reception, present the best in critical essays, and when possible, feature an interview of the author. The series will provide, for the first time, an accessible forum in which readers can come to a fuller understanding of these contemporary masterpieces and the unique aspects of American ethnic, racial, or cultural experience that they so ably portray. This case book presents a thought-provoking overview of critical debates surrounding *The Woman Warrior*, perhaps the best known Asian American literary work. The essays deal with such issues as the reception by various interpretive communities, canon formation, cultural authenticity, fictionality in autobiography, and feminist and poststructuralist subjectivity. The eight essays are supplemented an interview with the author and a bibliography.

Kingston's Enigma (Kingston's Security 4) Carole Mortimer,2023-01-31 KINGSTON'S ENIGMA (Kingston Security 4) is the fourth book in USA Today and Amazon International #1 Bestselling Author, Carole Mortimer's, Contemporary Romantic Suspense series. When Malachi witnesses a beautiful young woman stealing another man's wallet he knows the correct thing to do is to apprehend her and alert the man to the crime. Instead, Malachi inwardly applauds her dexterity and then follows her as

she slips away in the crowd. Lara has never met anyone like Malachi Kingston before. Oh he's every woman's idea of what tall, dark and handsome should be. He's also very self-confident and at least ten years older than her. But only a few minutes in his company shows her he's also unpredictable and unfathomable and totally mesmerising. But he also listens and doesn't judge when Lara tells him exactly why she stole the wallet. Accepting help from a man she doesn't even know wasn't on Lara's list of things to do today but Malachi isn't going anywhere.
