**Ellouise Moore**

*Confessions of a Stripper* Lacey Lane, 2004-04 Take a behind-the-scenes no-holds-barred tour of your neighbourhood strip club. These adventures -- both high and low -- in the topless trade are culled from author Lacey Lane's seven years as an exotic dancer. This book takes you on an outlandish journey, from Lane's self-esteem issues, which provided the impetus for her entry into the skin biz, to the mysterious VIP Room, where anything and everything can happen. It's a parade through the screwy world of the strip club, where freaks, fetishists, scammers, high rollers, perverts, and even normal guys all congregate to partake in prurient fantasies of the flesh. Lane also provides a plethora of helpful hints for men -- and women -- who routinely frequent strip clubs, from tipping the bouncers and not getting suckered by roses and champagne to negotiating for services and yes, taking home a dancer.

**Mom, I'm Allright** Monica Mendez, 2010-03-08 Former adult star and stripper, Monica Mendez takes us inside the world of sex, money and celebrities. What do strippers do in the backroom? Are they turned on by the customers? How much money do they really make? These stories are true, uncensored and titillating.

*A Stripper's Tail* Diamond, 2005-03 For more than eight years, I lived and worked in the dark underworld of Las Vegas as an exotic dancer. Some things are worth repeating--others you try to forget. Unfortunately, you never

forget. I decided it was time that somebody told the truth about what really happens in Las Vegas strip clubs and their VIP rooms. Is there sex in the champagne room? With the right dancer and for right price, there is anything you want in the champagne room! This book gives a lot of insight into what really happens when men are turned loose on the Las Vegas scene. I think men and women alike will be interested in reading about what really happens in Vegas. See what the dark twenty-four-hour world of Vegas is really like. See what an insider has to say about the life of an exotic dancer.

Confessions of the Reluctant Stripper Jim Atkisson, 2022-10-29 Help Wanted: Adults Wanted For Local Talent Agency Requirements: Secure, Confident, Uninhibited, and Dependable To be a successful stripper a person would need to be secure, confident, uninhibited, and dependable. It's no wonder why I never found success working inside of the G-string nation as a male stripper. Weekend after weekend, the phrase, "The stripper is here!!!" produced more fear and anxiety inside of me every time I knocked on a door. Often I would ask myself on my way to perform a show, "How on earth, did I get here?" Growing up, my career ambitions were normal. At different points in my life, I considered careers in firefighting, law enforcement, and as an adventuresome cowboy. There were times in my life I did have the chance to wear the uniforms and the clothes of those careers; however, that's not what I had in mind while I patiently let girls use their teeth to insert cash down my G-string. I lived the life of a rock star without all of the fame...or

fortune. I attended parties in shady places, and I woke up in different beds intertwined with sweaty naked bodies. There were drugs, limos, strippers and fans. I was admired and hated by other men. I, also, knew some of the ladies I entertained went home to their husbands and boyfriends with one thing on their mind. These guys should have thanked me in the morning. Despite the girls, limo services, drugs, and quick cash, I dreaded every show offered to me. I was introverted, insecure, boring, and I suffered from any number of anxieties including, stage fright. After a time of homelessness, stripping afforded me a means to transition in life. When the opportunity presented itself, I jumped into the world of body oils, adult toys, chairs, and G-strings and became a Reluctant Stripper.
