EXPAND YOUR BUSINESS WITH INSTAGRAM CARLOS NAPOLEAO, 2020-08-10 How

to use Instagram to increase your business Instagram is an engaging and fun way to visually share your favorite moments with your community. Primarily a mobile social network, you can easily take a picture or video with your smartphone, choose a filter and edit your post, and then share with your followers. Instagram was founded in October 2010, acquired by Facebook in 2012, and has since grown into a huge social network. Teens and adults between the ages of 18 and 29 make up Instagram's largest demographic. Marketing on Instagram With over 95 million photos and videos shared per day, businesses of all sizes can use Instagram to connect with their community and share their brand personality, culture, and products. Users can explore and discover new content based on hashtags, geotags, and mentions. Brands can then follow users back and engage with them by liking or commenting on their posts. For sales and marketing teams, Instagram is a great medium for previewing or highlighting the newest products, services and trends, or for promoting the latest digital campaign. Instagram also encourages user-generated content, making it an effective platform to host fan photo or video contests. Additionally, Instagram lets users post their photos to third-party social networks, giving images the potential to be shared more broadly.

Social Media Marketing Algorithms 3 Books In 1 Jordan Connery, 2021-03-04 Social Media Marketing Algorithms Social media is a rapidly growing arena for everything from the posting of videos to car sales, so it should come as no surprise that big business is growing on there, too. However, what can it actually do to help grow your business? Before selling any product, you have to get your name out there and spread the word of your new social media presence. By adding links to your social media accounts on your company website, you are encouraging people to follow you online in order to get the most up to date information as soon as you release it. When you put your company website on your social media profile, it gives your clients a way to go directly to your website. This will allow your customers to contact your company for more information, and it is more likely to create online buyers. Social media is the main way that companies are beginning to show involvement with their customers and community by promoting events they are sponsoring or releasing news to their clients. Real-time communication has become extremely important for customer satisfaction in today's businesses. People don't want to wait for answers to their questions or for help resolving any issue they might have. With social media, people have direct access to comments and post feedback for companies, making any kind of wait-time for results obsolete. Instagram Marketing Algorithms Secrets Instagram is one of, if not THE, best platforms you can use to market your

Get Your First 10,000 Instagram Followers Like a Boss Daniel Ndukwu, 2017-06-15 Full Color Version. How would your life change with thousands of new leads and hundreds of new customers every month OR the ability to make hundreds every time you post? How would it change if hundreds of thousands or even millions of

people interacted with your brand every week. Online, changes are happening at a breakneck pace. Some things will last and are gone as soon as you get the hang of it. Instagram is one of the few platforms which will be around for years to come. Every day, over 80 million images and videos are uploaded to the platform. It has up to 60x more engagement than Facebook and Twitter. More people take action after seeing an advertisement, call to action, and giveaway than almost every other social media platform out there. The potential for individuals and brands alike to make a healthy living or increase their revenue is multiplied 700 million times with Instagram. With great potential comes great competition. Yes, there are 700,000,000 people using Instagram. There are also thousands of brands, big and small, vying for their attention. How do you stand out and amass tens of thousands of followers and make a healthy income in the process? That's the question everyone who opens an account struggles to answer. Most people try for a few weeks, but give up when they fail to crack their first 5,000 followers. How do you know what your potential followers want? How do you stay relevant? How do you advertise while staying true to your brand? How do you create viral competitions and a brand with true equity? I'm glad you asked. This book was written to answer those questions and more. For over a year, I've had the privilege of working with multiple brands, both big and small, to create Instagram accounts and campaigns that helped them reach their business goals. Fashion, jewelry, fitness, and business are just a few of the places I've had the opportunity of testing initiatives and measuring results for clients. We met with huge success. Instagram works. Period. This book will break down the process of creating a compelling feed, the perfect posts, finding partners, running viral contests, and of course making money on and off the platform. Even though it mentions 10,000 followers, It's a complete guide to Instagram marketing. Nothing is left out. You'll learn: - The simple steps to uncover a limitless amount of post ideas so you'll always deliver the best content possible. - Who your competitors are so you'll know what's working in your specific niche right now. - How to set up a killer bio so people find you, follow you, and visit your website with no further action on your part. - How to create a mouthwatering feed and themes that resonate with your audience. - You'll learn the psychology of great content so you can upload the right posts every time. - How to encourage, generate, and curate user generated content so you have social proof, happy customers, and an almost endless supply of content to post. - Simple tweaks to increase post engagement by up to 100%. - The simple but unused call to action methods that'll increase your following and sales. - The seven creative elements every one of your posts should have. - You'll learn how to find partners and how much to invest for explosive growth. - The blueprint to structure your shoutouts for maximum impact and revenue. - Dozens of examples you can model to achieve your goals. - How to use Instagram Live and Instagram Stories to engage your audience and have them looking forward to you showing up in their feed. - So much more. Get your copy today and join the ranks of people who've made Instagram work.
