Contractor's Guide to QuickBooks Pro Karen Mitchell,Craig Savage,Jim Erwin,1998 Most builders do not enjoy accounting. Quickbooks Pro software by Intuit has been described as a construction office in a box for its ease-of use, and flexibility of application in keeping track of most office accounting. This book offers a simple-to-understand system of accounting for contractors, remodelers, subcontractors, and real estate developers who plan to use, or are currently using QuickBooks Pro accounting software. This book includes a 30-day working version of QuickBooks Pro, and sample business forms on a CD-ROM enclosed.

What Every Contractor Should Know David Kalb,2005-03 Every once in a while a book comes along that fits a need. This book provides specific, practical, accurate and informative answers to questions that impact almost every person, partnership or corporation that requires a contractor's license. These are the most relevant questions and answers from David's published columns during the past decade. It has always been David Kalb's goal to Simplify State Government for contractors and construction businesses that must deal with State government agencies. While mediating problems for California's Governor, David specialized in helping contractors who were having problems with State government. In 1982, he started Sacramento based Capitol Services. Referred to as the Rambo of Red Tape by California Republic magazine, The Los Angeles Times featured David in their Business Section under the headline Making a Living From Cutting Red Tape. It was natural to select cutredtape.com as his Internet address. An excerpt from an article in Construction Data Magazine sums up Mr. Kalb. He is not a construction man, yet the Pacific Coast Builder's Conference recognized him as an expert. Thousands of contractors across the country--many of them with little time to waste--have called Capitol Services to help them in California.

This text is a comprehensive, stand alone reference for project management scheduling. It features a unique combination of principles/fundamentals of scheduling and project management along with practical applications and tutorials of the 4 most common scheduling software programs--Microsoft Project, Primavera Project Planner (P3), SureTrak, P6 Project Manager and Contractor. Having scheduling information and software instructions in one book obviates the need for two texts, and the exercises and examples in the scheduling portion are tied to the same exercises in the software portions.

Business Torts MORTON F. DALLER,Nicholas Daller,2021-12-16 Business Torts: A Fifty State Guide, 2022 Edition provides the most recent statutory and case law developments on business torts laws for each of the fifty states and the District of Columbia. Practitioner-oriented, and written by leading state experts, each chapter summarizes the variants and developments particular to a specific state jurisdiction. You will find detailed coverage of each state's standards regarding: misappropriation of trade secrets; tortious interference with contracts; fraud and misrepresentation; trade libel and commercial disparagement; breach of fiduciary duty; officers and directors liability; conversion; unfair competition, fraudulent transfer; economic loss; and statutes of limitation. The 2022 Edition incorporates recent changes in the law of the various states, including: The South Carolina Supreme Court held that plaintiffs are no longer required to plead special damages for civil conspiracy claims. The Maine Legislature passed a new law restricting an Employer's use of non-compete agreements and subjecting violations of this new law to a \$5,000 fine. The Iowa Supreme Court refused to recognize that a pastor owes a fiduciary duty to a plaintiff, as the Court would have to refer to church doctrines and practices in making that assessment, which the Court held was beyond their authority. The 6th Circuit Court of Appeals held that the Uniform Voidable Transactions Act, as adopted in part by Michigan, allows a creditor to void a fraudulent disposal of property belonging to a person who is liable on a claim. State Laws Included: Alabama, Alaska, Arizona, Arkansas, California, Colorado, Connecticut, Delaware, Florida, Georgia, Hawaii, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Vermont, Virginia, Washington, West Virginia, Wisconsin, Wyoming.
