Conversations Steve Reich, 2022-03-08 A surprising, enlightening series of conversations that shed new light on the music and career of “our greatest living composer” (New York Times) Steve Reich is a living legend in the world of contemporary classical music. As a leader of the minimalist movement in the 1960s, his works have become central to the musical landscape worldwide, influencing generations of younger musicians, choreographers and visual artists. He has explored non-Western music and American vernacular music from jazz to rock, as well as groundbreaking music and video pieces. He toured the world with his

own ensemble and his compositions are performed internationally by major orchestras and ensembles. Now Reich speaks with collaborators, fellow composers and musicians as well as visual artists influenced by his work to reflect on his prolific career as a composer as well as the music that inspired him and that has been inspired by him, including: David Lang Brian Eno Richard Serra Michael Gordon Michael Tilson Thomas Russell Hartenberger Robert Hurwitz Stephen Sondheim Jonny Greenwood David Harrington Elizabeth Lim-Dutton David Robertson Micaela Haslam Anne Teresa de Keersmaeker Julia Wolfe Nico Muhly Beryl Korot Colin Currie Brad Lubman Through this series of insightful, wide-ranging conversations starting from his student days to the present pandemic, we gain a compelling glimpse into the mind of “the most original musical thinker of our time” (The New Yorker).

*100% Evil* Nicholas Blechman, Christoph Niemann, 2005-02-25 There's evil in the world. George W. Bush. And lots of it. The question is, just what does it look like? A politician? An ex-girlfriend? Your landlord? Your boss? Hanna Arendt said it was banal. The Red Sox think of the Yankees. And in this hilarious, disturbing, quirky, and brilliant little book, noted illustrators Nicholas Blechman and Christoph Niemann present a catalog of their own misanthropic imaginings. The two met in 1997, when Blechman was art director for the New York Times Op-ed Page and Niemann, now a frequent contributor to the New Yorker, had just started working in New York City. As their personal and professional friendship began, they found themselves spending countless nights together in Brooklyn bars, drawing up

imageswry, comic, arch, painful to represent the sex affairs and political scandals, acts of terror and acts of war that were the news. This professional work led to a personal passion, and so the illustrators chose to draw a small series on rosier subjects like maps and love. But as the world around them grew darker, they decided to explore the other end of the emotional spectrum and devote themselves to evil. 100% Evil is the result: a thoughtful, comical, and at times joyful book that just goes to show that sometimes it's good to be bad.

*Conversations with God for Teens* Neale Donald Walsch, 2012-10-01 Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling *Conversations with God* series had another conversation. *Conversations with God for Teens* is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. *Conversations with God for Teens* reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, Why can't I just have sex with everybody? What's the big deal?, the answer God offers her is: Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you? There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. *Conversations with God for Teens* is the perfect gift purchase for

parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

**Being You: A First Conversation About Gender** Megan Madison, Jessica Ralli, 2022-08-16 A picture book edition of the bestselling board book about gender, offering adults the opportunity to begin important conversations with young children in an informed, safe, and supported way. Developed by experts in the fields of early childhood and activism against injustice, this topic-driven board book offers clear, concrete language and beautiful imagery that young children can grasp and adults can leverage for further discussion. While young children are avid observers and questioners of their world, adults often shut down or postpone conversations on complicated topics because it's hard to know where to begin. Research shows that talking about issues like race and gender from the age of two not only helps children understand what they see, but also increases self-awareness, self-esteem, and allows them to recognize and confront things that are unfair, like discrimination and prejudice. This second book in the series begins the conversation on gender, with a supportive approach that considers both the child and the adult. Stunning art accompanies the simple and interactive text, and the backmatter offers additional resources and ideas for extending this discussion.
