The Washingtons. General Index, L-Z Justin Glenn,2018-04-26 Published in two parts, the General Index of all Washington descendants and their spouses completes a ten-volume history that traces the “Presidential Line” of the Washington family in America. Volume one began with the immigrant John Washington who settled in Westmoreland County, Va., in 1657, married Anne Pope, and became the great-grandfather of President George Washington. It contained the record of their descendants for a total of seven generations. Subsequent volumes two through eight continued this family history for an additional eight generations, also highlighting most notable members (volume two) and tracing lines of descent from the royalty and nobility of England and continental Europe (volume three). Volume nine treated in detail the recently discovered line of William Wright (died in Franklin County, Va., ca. 1809). It also provided briefer accounts of five other Southern Wright families that have often been mentioned by researchers as close kinsmen of George Washington. ADVANCE PRAISE “At long last the Washingtons have a published history worthy of their place in history. Glenn has done a masterful job. . . . I am convinced that his work will be of wide interest to historians and academics as well as members of the Washington family itself. Although the surname Washington is perhaps the best known in American history and much has been written about the Washington family for well over a century, it is surprising that no comprehensive family history has been published. Justin M. Glenn’s *The Washingtons: A Family History* finally fills this void for the branch to which General and President George Washington belonged, identifying some 63,000 descendants. This is truly a family history, not a mere tabulation of names and dates, providing biographical accounts of many of the descendants of John Washington who settled in Westmoreland County, Virginia, in 1657.” — John Frederick Dorman, editor of *The Virginia Genealogist* (1957-2006) and author of *Adventurers of Purse and Person* “Decades of reviewing Civil War books have left me surprised and delighted when someone applies exhaustive diligence to a topic not readily accessible. Dr. Glenn surely meets that standard with the meticulous research that unveils the Washington family in gratifying detail—many of them Confederates of interest and importance.” — Robert K. Krick, author of *The Smoothbore Volley that Doomed the Confederacy and Stonewall Jackson at Cedar Mountain*

**Jurist Prudent -- The Judicial Opinions of Lawrence L. Koontz, Jr., Volume 7** Lawrence L. Koontz, Jr.,John S. Koehler (Editor),Cynthia D. Kinser (Foreword),2017-07-18 Upon his retirement from active service as a Justice of the Supreme Court of Virginia in 2011, Justice Koontz had completed more than four decades of service to citizens of the Commonwealth of Virginia. In order to recognize that service and help preserve Justice Koontz legacy as one of the outstanding jurists in Virginia and the United States, the Salem/Roanoke County Bar Association instituted this project to collect all of Justice Koontz's published opinions, both from his tenure as a Justice of the Supreme Court and as an inaugural member of the Court of Appeals of Virginia. The seventh and final volume to be produced by the Opinions Project includes opinions, concurrences and dissents authored by Justice Koontz during the last five years of his service as a Justice of the Supreme Court of Virginia.
