**Paul Kingsnorth**

**Don't Unplug** Chris Dancy, 2018-09-18 Chris Dancy, the world's most connected person, inspires readers with practical advice to live a happier and healthier life using technology. In 2002, Chris Dancy was overweight, unemployed, and addicted to technology. He chain-smoked cigarettes, popped pills, and was angry and depressed. But when he discovered that his mother kept a record of almost every detail of his childhood, an idea began to form. Could knowing the status of every aspect of his body and how his lifestyle affected his health help him learn to take care of himself? By harnessing the story of his life, could he learn to harness his own bad habits? With a little tech know-how combined with a healthy dose of reality, every app, sensor, and data point in Dancy's life was turned upside down and examined. Now he's sharing what he knows. That knowledge includes the fact that changing the color of his credit card helps him to use it less often, and that nostalgia is a trigger for gratitude for him. A modern-day story of rebirth and redemption, Chris' wisdom and insight will show readers how to improve their lives by paying attention to the relationship between how we move, what we eat, who we spend time with, and how it all makes us feel. But Chris has done all the hard work: *Don't Unplug* shows us how we too can transform our lives.

**One of Us Is Lying (TV Series Tie-In Edition)** Karen M. McManus, 2021-11-30 All the secrets of the Bayview Four will be revealed in the TV series now streaming on Peacock! THE #1 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY ENTERTAINMENT WEEKLY • BUZZFEED • POPCRUSH “Pretty Little Liars meets The Breakfast Club” (Entertainment Weekly) in this addictive mystery about what happens when five strangers walk into detention and only four walk out alive. Pay close attention and you might solve this. On Monday afternoon, five students at Bayview High walk into detention. Bronwyn, the brain, is Yale-bound and never breaks a

rule. Addy, the beauty, is the picture-perfect homecoming princess. Nate, the criminal, is already on probation for dealing. Cooper, the athlete, is the all-star baseball pitcher. And Simon, the outcast, is the creator of Bayview High's notorious gossip app. Only, Simon never makes it out of that classroom. Before the end of detention Simon's dead. And according to investigators, his death wasn't an accident. On Monday, he died. But on Tuesday, he'd planned to post juicy reveals about all four of his high-profile classmates, which makes all four of them suspects in his murder. Or are they the perfect patsies for a killer who's still on the loose? Everyone has secrets, right? What really matters is how far you would go to protect them. And don't miss the #1 New York Times bestselling sequel, *One of Us is Next*!

*Rereading America* Gary Colombo, 2007 Intended as a reader for writing and critical thinking courses, this volume presents a collection of writings promoting cultural diversity, encouraging readers to grapple with the real differences in perspectives that arise in our complex society.

Lucky Charming Kate Chastain, 2016-12-16 Blissfully shallow and carefree, Kate Chastain was your typical twenty something college co-ed. Well, until reality gave her a wake-up call in the form of a diploma, that is. At a crossroads after graduation, a serendipitous coincidence convinced Kate to abandon life as she knew it and jump feet first into the world of working on mega yachts. At first, she stumbled her way through life as a stewardess, just trying to adjust to her new surroundings and clumsily 'learning the ropes' via trial and error. Like shit-tons of error. But now, nearly ten years and a hit reality show later, Kate is finally ready to share the good, the bad, and the downright shocking details about her life at sea with the world's most rich and famous. It was 2008 and we were anchored off of St. Tropez. I had only been a yachtie for two seasons at the time when I turned to the Captain's wife, and said, You know, I could write a book about all of insane things we see working on these boats.....the

sex, the money, the celebrities.... My older, more experienced coworker rolled her eyes and laughed then was quick to dismiss my silly idea, Kate, of course we could all write a book about what we see on yachts. We've all said it for years.....but, if you actually did that, you would never get hired on another yacht again. She went back to polishing the crystal wine glass in her hand and I was confused for a second. But Stacie, if so many people knew about the book that I couldn't get a yacht job, would I still really need one?

### **Twelve Years a Slave** Solomon Northup, 2024-01-04

Filmatised in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

**Fuct** Erik Brunetti, Aaron Rose, 2013 The first book to celebrate one of the iconic brands of American streetwear. An originator of West Coast street and skate style, FUCT was a cult Los Angeles brand that went on to become one of the most influential American streetwear labels, influencing not only the style but also the graphic and referential approach of countless artists and companies. Driven by the provocative vision of its creator, the artist Erik Brunetti, FUCT's appeal drew on contemporary skate aesthetics and invoked a situationist slant on brand-oriented consumer culture. Famous for their appropriation of iconic logos, and renowned for collaborations with artists, designers, and companies as diverse as David Mann and Shawn Mortensen, FUCT continues to flirt with controversy as it remains at the forefront of American street fashion and culture. Published to coincide with the brand's twentieth anniversary, with contributions from icons of the street fashion world such as Aaron Rose and Gary Warnett, this beautifully illustrated, comprehensive volume explores the archives of the brand's products and advertising, as well as Brunetti's artwork, sketches, and films that continue to inspire and inform the brand.

Flap copy

**The Misfit's Manifesto** Lidia Yuknavitch, 2017-10-24 The author explores the status of being a misfit as something to be embraced, and social misfits as being individuals of value who have a place in society, in a work that encourages people who have had difficulty finding their way to pursue their goals.

*Real England* Paul Kingsnorth, 2011-08-04 We see the signs around us every day: the chain cabs and mobile phone outlets that dominate our high streets; the disappearance of knobbly carrots from our supermarket shelves; and the headlines about yet another traditional industry going to the wall. For the first time, here is a book that makes the connection between these isolated,

incremental local changes and the bigger picture of a nation whose identity is being eroded. As he travels around the country meeting farmers, fishermen and the inhabitants of Chinatown, Paul Kingsnorth reports on the kind of conversations that are taking place in country pubs and corner shops across the land - while reminding us that these quintessentially English institutions may soon cease to exist.

The Solotype Catalog of 4,147 Display Typefaces Dan X. Solo, 2014-05-05 The author of many books on typography, Dan X. Solo was also the proprietor of his own typography shop in Oakland, California — an establishment dedicated to unusual typography and special effects. This comprehensive catalog offers graphic designers a dazzling selection of over 4,000 typefaces and optical effects available from Solotype Typographers. Here, in Solo's words, is a great cast of characters — the alphabet — abetted by a cornucopia of typographical ideas and an endless resource of letters, words, phrases, slogans, logos, humorous comments, headlines, and graphic symbols. Individual sections of the book display a rich variety of typefaces in categories such as Condensed, Victorian, Art Nouveau, Art Deco, Rustic, Thick-and-tin, Calligraphic, Uncials, Latins, and Blackletter. Samples are imaginatively presented. Stagecoach, for example, is printed in Fargo typeface, evoking dusty trails, rawhide, and ten-gallon hats, while Sizzling summer savings appears appropriately in the flamboyant Firebug typeface. All typefaces are indexed for quick and easy reference. As entertaining as it is practical and useful, this impressive treasury of versatile typefaces and optical effects will be indispensable to busy commercial artists as an inexhaustible source of typographic ideas and a swipe file of words, phrases, and letters for use in graphic art projects.

*Achtung-Panzer!* Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German

armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Lucy the Dinosaur: Preschool Fun Joey Ahlbum, 2016-08-30 All 9 adorable Lucy the Dinosaur books are now available in one book! Lucy and her friends put on a show, play hide and seek, figure out opposites, find buried treasure, and throw a surprise birthday party, and more. **Noumenon** Marina J. Lostetter, 2017-08-01 With nods to Arthur C. Clarke's Rama series and the real science of Neal Stephenson's Seveneves, a touch of Hugh Howey's Wool, and echoes of Octavia Butler's voice, a powerful tale of space travel, adventure, discovery, and humanity that unfolds through a series of generational vignettes. In 2088, humankind is at last ready to explore beyond Earth's solar system. But one uncertainty remains: Where do we go? Astrophysicist Reggie Straifer has an idea. He's discovered an anomalous star that appears to defy the laws of physics, and proposes the creation of a deep-space mission to find out whether the star is a weird natural phenomenon, or something manufactured. The journey will take eons. In order to maintain the

genetic talent of the original crew, humankind's greatest ambition—to explore the furthest reaches of the galaxy— is undertaken by clones. But a clone is not a perfect copy, and each new generation has its own quirks, desires, and neuroses. As the centuries fly by, the society living aboard the nine ships (designated Convoy Seven) changes and evolves, but their mission remains the same: to reach Reggie's mysterious star and explore its origins—and implications. A mosaic novel of discovery, *Noumenon*—in a series of vignettes—examines the dedication, adventure, growth, and fear of having your entire world consist of nine ships in the vacuum of space. The men and women, and even the AI, must learn to work and live together in harmony, as their original DNA is continuously replicated and they are born again and again into a thousand new lives. With the stars their home and the unknown their destination, they are on a voyage of many lifetimes—an odyssey to understand what lies beyond the limits of human knowledge and imagination.

A History of Writing in Japan Christopher Seeley, 2023-11-20

This book deals chronologically with the history of writing in Japan, a subject which spans a period of 2,000 years, beginning with the transmission of writing from China in about the first or second century AD, and concluding with the use of written Japanese with computers. Topics dealt with include the adoption of Chinese writing and its subsequent adaptation in Japan, forms of writing employed in works such as the *Kojiki* and *Man'yōshū*, development of the kana syllabaries, evolution of mixed character-kana orthography, historical kana usage, the rise of literacy during the Edo period, and the main changes that have taken place in written Japanese in the modern period (ca. 1868 onwards). This is the first full-length work in a European language to provide the Western reader with an overall account of the subject concerned, based on extensive examination of both primary and secondary materials.

**How to BOMB the U. S. Gov't** Sam Hyde, Nick

**BTS: Blood, Sweat & Tears** Tamar Herman, 2020-08-11 "The Beatles for the 21st Century" – BBC BTS have exploded onto the global music scene with their distinctive brand of music, impressive choreography, and socially conscious lyrics. With multiple chart-topping albums and record-breaking music videos under their belts, these seven-men—RM, Suga, J-Hope, Jin, V, Jimin, and Jungkook—are an unstoppable force and an international phenomenon. In *Blood, Sweat & Tears*, K-pop columnist Tamar Herman explores the group's origins, meteoric rise, wide-ranging activism, and close-knit relationship with their fans. With full color photos, spotlights on each member, and a play-by-play of their discography, this book is a celebration of all things BTS and a must-have for fans worldwide! -- VIZ Media

Go Here Instead DK Eyewitness, 2022-09-27 Bursting with beautiful photography, this alternative bucket list takes some of the world's best-known sights, experiences and destinations – everything from over-visited national parks to crowded museums – and reveals more than 100 fascinating alternatives. Planning a trip to Rome's Colosseum? Why not try the ancient amphitheatre in Nîmes instead. A visit to the Grand Canyon is on everyone's bucket list – but how about adding Namibia's spectacular Fish River Canyon to yours? And while Japan's cherry blossoms are hard to beat, the seasonal display of hydrangeas in the Azores is just as beautiful. Featuring expert advice and practical tips, *Go Here Instead* will open your eyes to a wealth of new, and more sustainable, travel ideas. We've organized the book by types of trip, so whether you're a wannabe art critic, an outdoor adventurer or you're into your history, this epic bucket list has an alternative adventure for you. So, why not give Machu Picchu a break and travel beyond the crowds. *Go Here Instead: The Alternative Travel List* is your ticket to the trip of a lifetime. Inside *Go Here Instead: The Alternative Travel List* you will find: - 100 entries each

focusing on an alternative to a well-known destination/sight/experience - Stunning photography throughout with color-coded maps and chapters - Stylized locator maps pinpointing the alternative sights, experiences and destinations. - A beautifully designed gift book that showcases inspiring alternatives to the world's most popular sights, experiences and destinations - Covers: Architectural and Historical Sights, Festivals and Parties, Great Journeys, Architectural Marvels, Natural Wonders, Art and Culture and Cities About DK Eyewitness: At DK Eyewitness, we believe in the power of discovery. We make it easy for you to explore your dream destinations. DK Eyewitness travel guides have been helping travelers to make the most of their breaks since 1993. Filled with expert advice, striking photography and detailed illustrations, our highly visual DK Eyewitness guides will get you closer to your next adventure. We publish guides to more than 200 destinations, from pocket-sized city guides to comprehensive country guides. Named Top Guidebook Series at the 2020 Wanderlust Reader Travel Awards, we know that wherever you go next, your DK Eyewitness travel guides are the perfect companion.
