**Sweet Destruction** Paige Weaver,2014-05-27 There's a fine line between love and hate and they were about to cross it. My name is Samantha Ross and this is my life. I existed in a world that few know. Rundown trailers and crime-ridden streets were my home. Drugs and alcohol were the norm and happiness was the exception. I lived from day to day never knowing if I would have a roof over my head or food in my stomach. My life sucked. It took from me and gave nothing back. But there was one certainty in my life. A black smudge on my window of hell. Cole Walker. He was a criminal. A thief. He brought hell and damnation with him wherever he went. He hurt and destroyed. He took and gave nothing in return. He was heartache and despair wrapped up in a perfect gorgeous package. Fast cars and fast women were his hobbies. His vices. But he had many. I was one of them. I was his addiction and his craving. His enemy on this earth. I feared him. I hated him. I loved him even more. He would either be my destruction or my salvation... Maybe even both.

**Malting and Brewing Science** J. S. Hough,D. E. Briggs,R. Stevens,T. W. Young,2013-03-01 Some ten years. have passed since the publication of the first edition of Malting and Brewing Science, a period of many changes. As before, this edition is an aid to teaching, particularly the MSc course in Brewing Science at Birmingham University, but it is also aimed at the requirements of other students of the science of malting and brewing throughout the world. In general, technological aspects are covered more fully in this new edition, although not malting and brewing practices that are exclusive to Britain. Nevertheless, the amount of technological information available is too great to be comprehensively covered in one book. Scientific principles and information receive more attention, but for details of analytical procedures reference should be made to the most recently published material of the American Society of Brewing Chemists, the European Brewery Convention and the Institute of Brewing. The new edition appears as two volumes because a single one would be inconveniently bulky. The first volume outlines the entire process and leads from barley, malting and water to the production of sweet wort. In the second volume there are chapters on hops and hop products, production of hopped wort, fermentation, yeast biology and all aspects of beer qualities and treatment. Decisions about the units of measurement proved difficult; metric units commonly used in the Industry are given and in parentheses are equivalents in degrees Fahrenheit, Imperial measures and UK barrels. Considerable information on equivalents is given in a special section in each volume.

**Scarless & Sacred** Bethany-Kris, Secrets and wars leave the deepest scars. Evelina Conti has always worn a mask. She is an Outfit principessa, respected and adored. She wasn't allowed to be anything else. Her father went from a grieving husband to the Outfit boss, and now that Riley heads the family, Eve is more suffocated than ever. No matter how much she hates it, the Conti princess still has a role to play. A little attention from Theo DeLuca seems innocent enough, but nothing is when it comes to him. And certainly not when everyone believes that Theo is out to kill her. Theo DeLuca has a target on his back. His biggest problem is figuring out who put it there when everyone is aiming at him. He doesn't need a woman causing him issues, but the Conti princess keeps showing up at the worst times, and he's the one left saving her. Between the men surrounding him that Theo can't trust, and the past he can't outrun, Evelina might be the one thing he doesn't have to question. But when Riley decides to use Eve as his next move, even Theo might not be able to save her. The war in Chicago is not even close to being over. This game is deadly. Each hand played cuts another mark into someone else. The Outfit boss is struggling while the men around him are rallying. As the body count continues to rise, the families keep losing. Sacrifices are a part of war. No one will walk away from this without scars. \*\*\* PLEASE NOTE: Scarless & Sacred is not intended to be read as a standalone in this series. It is the third book in the series and should be read after the first two books. Trigger Warning: Scarless features graphic violence and scenes of past abuse.

**Reckless & Ruined** Bethany-Kris,2020-07-15 Play dirty. It's the only way to win in a war. Alessa Trentini follows the rules, or so it seems on the outside. A certain Conti has always been able to sway her inner rebel and keep her out of trouble, but even Adriano won't be able to get her out of her brother's mess. In a war, no woman is safe if her hand in marriage can advance her family in the world of the mafia. But mistakes of the past have a way of slipping into the present and Alessa will soon learn that even the most shameful of secrets can get her everything she wants. Adriano Conti's loyalties are torn as he's forced to stand at his father's side while Riley uses his wife's murder as a way to get higher. Blood comes first and then the Outfit. The one thing he doesn't question in the war between the families is Alessa Trentini and even that doesn't seem possible when he's forced to watch Alessa be used as another man's pawn. Adriano has his own role to play to get what he wants. The families in the Outfit have never been more divided than they are now. Blood continues to spill as revenge takes center stage and more lives are lost. But every man in the family is fighting for something different and no one's intentions can be trusted. Playing a dirty game might be the only way to stay alive. Even if that means ruining it all. \*\*Please Note: Reckless should not be read before Deathless & Divided. This novel is NOT considered a standalone in the series as part of the timeline runs concurrent with the first book in the series, Deathless & Divided.

**Beauty Found: A Novella (Hades Hangmen 6.5)** Tillie Cole,2018-11-27 EVEN IN HELL, THERE IS BEAUTY TO BE FOUND. There is life before the Hangmen. There is life before your soulmate is found. There is life even when all seems lost. Shane ‘Tank’ Rutherford is just seventeen when, escaping his father’s lethal fists, he ends up on the streets. Fighting for survival, he finds himself suddenly saved. Saved by a group that takes him under their wing. A group that everyone knows . . . the Texas Ku Klux Klan. Years later, Tank is disillusioned from the Klan and what they stand for. Recently released from prison, he is lost in a world he no longer knows. He is on his own. Until he picks up a woman hitchhiking on the side of a road. A beauty queen dressed in pink. Susan-Lee Stewart is done with the crowns. She’s done with the glitz and glamor of pageant life. And she’s done with the bruises . . . the bruises gifted by the one person who should love her unconditionally—her mother. Seconds after taking yet another pageant title, Susan-Lee makes a split decision and flees the stage. Flees the glossy life of a pageant queen, flees her violent mother . . . and jumps straight on the back of a tattooed muscled god’s motorcycle . . . And never looks back. As Susan-Lee holds tightly to Tank’s waist, neither of them know it’s a chance meeting that will change both their lives, and their hearts, forever. There are stories of how you find your other half. There are stories of how someone can save your soul when all hope is lost. Before they were Tank and Beauty, they were Shane and Susan-Lee. Two lost hearts who, together, were finally found.
