Photography 4.0: A Teaching Guide for the 21st Century Michelle Bogre, 2014-08-11 An invaluable resource for photography educators, this volume is a survey of photographic education in the first decade of the 21st Century. Drawing upon her 25 years of teaching experience and her professional network, Michelle Bogre spoke with 47 photo educators from all over the world to compile this diverse set of interviews. The themes of these conversations explore: Why students should study

photography The value of a formal photography degree Teaching philosophies Whether video and multimedia should be an essential part of a photographic curricula The challenges of teaching photography today Changes in photographic education overall The second half of the book shares 70 photography assignments of varying level of difficulty from these educators, some paired with examples of how students completed them. This book will inspire and invigorate any photography educator's curriculum.

Focus, a Design Arts Film and Video Guide Mary Bruton,1981

TLA Film and Video Guide 2000-2001 David Bleiler,2013-12-03 The TLA Film & Video Guide is the absolutely indispensable guide for the true lover of cinema. By focusing on independent and international films, and avoiding much of the made-for-TV/made-for-cable/made-for-video dreck, this guide offers more comprehensive coverage of the films the reader may actually want to see. It also features: * Over 9,500 films reviewed * Five comprehensive indexes -- by star, director, theme, genre, and country of origin * Over 450 photos * A listing of all the major film awards * A comprehensive selection of International Cinema from over 50 countries From one of the finest names in video retailing and a growing rental chain comes the latest edition of the film & video guide - now expanded to include titles available on DVD - that's perfect for everyone whose taste ranges from Pulp Fiction to Pink Flamingos, from Life is Beautiful to Valley of the Dolls.

E-business for Tourism World Tourism Organization. Business Council,2001 The Internet is an ideal medium for travel and tourism and its use has continued to grow at a dramatic rate (some forecasts have suggested that travel and tourism's share of e-commerce could rise to 50 per cent in the next few years). This book offers guidance to both destination management organisations (DMOs) and tourism businesses on how best to use e-commerce. The first part analyses market trends and

explains the concepts of e-business and customer relationship management. The second part focuses on the DMOs, and how they can respond to the changing value chains and how they can provide websites for consumers, intermediaries, travel media and tourism businesses. The last part is concerned with e-business for tourism suppliers, particularly small and medium sized enterprises.

Interior Design Handbook? Allan Torp, 2017-10 Interior designers have increasingly taken inspiration from the design philosophy of Scandinavia, which promotes the creation and use of everyday objects that are beautiful but practical, affordable and accessible. This handbook shows how to create a tailor-made home inspired by Scandinavian design. Working through the home one room at a time, the book highlights classic items of furniture and signature accessories. In-depth case studies demonstrate the essential elements and provide inspiration. Colour combinations are explored to help personalise these iconic styles for the home. Anyone who has found themselves seduced by the Scandinavian style and is eager to bring it to their own home will find this book a valuable resource.
