Seal Team Seven 10: Frontal Assault Keith Douglass,2000-02-01 Lieutenant Commander Blake Murdock and his team go up against Saddam Hussein in this explosive novel in the SEAL Team Seven series. The Middle East is in chaos. A string of coordinated terrorist attacks against U.S. interests and cargo ships is followed by violent military coups in several American-friendly countries. Within days, the Persian Gulf could explode like a powder keg. It's an all-out attempt to take over the entire Middle East, and there's only one man insane enough to try it—Saddam Hussein. Lieutenant Commander Blake Murdock and his elite SEAL team find themselves right in the middle of the fight. Moving with deadly swiftness and stealth, they're going to show Saddam that he's not the only one who can destroy a country from within...

Parry Sound Adrian Hayes,2005-04-11 Parry Sound, at the mouth of the Seguin River on Georgian Bay, traces its history back to William Beatty Jr. and the purchase of timber rights. From the heyday of lumbering, through mining ventures, the period of Prohibition, the arrival of the railway and the impact of the Great Wars, the unfolding years are all accompanied by an intriguing mixture of colourful personalities, politics and scandal. The story of this growing community has a richness that few Ontario towns can match. Today Parry Sound embraces its entrepreneurial heritage, its hockey history, its commitment to the arts and its place as a popular tourist destination.

Corvette C5 Performance Projects Richard Newton, With the new C6 on the market, C5's are becoming more affordable and will be modified in greater numbers by style- and performance-minded owners. Corvettes in general, have always been ideal for customizing and performance upgrades and the C5 is no exception. To date, C5 how-to information has been only available in enthusiast magazines. This book, a first-of-its-kind, features a detailed presentation on how to customize a C5's appearance with custom bodywork and alterations. It also walks C5 owners through a variety of performance modifications and shows how to efficiently execute several maintenance projects.

Corvettes Canada Mac Johnston,2008-08-25 The Canadian escort group C 2 was comprised of the RCN destroyers Gatineau and Chaudiere, the frigate St. Catharines, the Corvettes Chilliwack and Fennel, and the RN destroyer Icarus. these six and the RN corvette Kenilworth castle combined to sink U-744 in the North Atlantic in a prolonged drama on March 5 and 6, 1944. At 32 hours, this the second-longest successful hunt of the war. Chilliwack able seaman Ralph Chartrand recalls the action: When the sub started to surface, everything that could shoot went into action and we fired all we could. While the crew of U-744 was jumping out of the conning tower, St. Catharines was closing in, but our captain outmanoeuvred Chilliwack in front to make sure that this was our sub. He gave the order Prepare to ram, but soon the sub was empty, so we didn't ram. We lowered a lifeboat with a boarding party and they proceeded to U-744. While the lifeboat was tied to the sub, some members boarded the sub. then a big wave hit our lifeboat and flipped the crew into the water with the German Sailors. We took 17 prisoners on board. It was almost a major coup. Three lifeboats reached the Type VII C boat. German code books and the cypher machine were seized, but all three seaboats capsized in the rough sea and only one book was saved. All the Canadians were picked up. So, too, were 40 Germans. Icarus then dispatched the unsalable U-744 with a torpedo. Eleven Germans died, including the captain. Praise for Corvettes Canada. It was the ubiquitous corvette, built in Canada, manned by volunteers and often as not based in a Canadian or Newfoundland port, that carried the burden of our Atlantic war...and few wartime sailors escaped at least some time aboard them. For the most part, their experiences have gone unrecorded--especially those of the lower deck--and time will soon erase what the enemy and the sea itself could not. Fortunately, Mac Johnston has salvaged the experiences of 250 of these fast-departing corvette veterans, and has drawn their story together into a superb collective memoir of the Atlantic war. Johnston has woven these memories...and the history of the wartime RCN into a tight fabric, one that is both entertaining and extremely valuable. If you have never read anything on the Canadian navy's part in the Battle of the Atlantic, start with this one; if you've read everything that's already available, you will find this one a gem. --Marc Milner, University of New Brunswick I like your presentation. It's right from the horse's mouth so to speak. It is so authentic, I say it is a classic. It's as true a story as can be told. Corvette men who read your book, contributors or not, will marvel at your format and will live again the tortures of the Atlantic, the friendship of shipmates, the action stations alarm bell and the roar of depth changes... Your book proves that these Corvette men were tough to stand the day-to-day tensions, rough seas, dangers and the boredom that was part of their sea life. You have done a wonderful story. -- Leo McVarish, HMCS Alberni, Winnipeg, Man.
