Cosplayers Dash Shaw, 2017-09-20 From the writer / director of the acclaimed

2017 feature film *My Entire High School is Sinking into the Sea*, this expanded edition of the titular graphic novel now includes over 30 pages of new material, including the original story that inspired the movie! The film, which stars Reggie Watts, Lena Dunham, Maya Rudolph, Susan Sarandon, and Jason Schwartzman, delighted audiences at the 2016 Toronto and New York Film Festivals. This newly designed paperback includes the original short story that inspired the film, and the single issue comic book, *A Cosplayers Christmas*, which did not appear in the previous edition. *Cosplayers* is cartoonist Dash Shaw's ode to that defining element of fandom, the "costume play" of so many anime and comic conventions. In it, Annie and Verti combine their love of cosplaying with their love of social media and film in order to deepen their relationship with the popular culture they celebrate. *Cosplayers* depicts their stories in an affectionately funny way, celebrating how much more inclusive and humanistic fandom can be than most of the stories and characters it is built upon. It features plenty easter eggs for fans of the broader culture as well as being the perfect entry point for those completely befuddled by it.

Everybody Cosplay! Jan Kurotaki, 2007 Visit an anime convention anywhere in the North America and you'll see them everywhere: fans dressed up in the costumes of their favorite characters, acting out their roles and assuming their personalities. In Japan, where cosplay was born, the scene is even hotter, with professional cosplayers modeling at events and selling their

photo albums. Renowned cosplayer and beloved Newtype USA columnist Jan Kurotaki has been a fixture in the circuit for almost 10 years. Collected here are her photos and columns from Newtype USA, along with exclusive photos never published in the pages of the magazine. A true collector's dream!

Part One explores tools, materials, and construction methods.

Chaotic Good Whitney Gardner,2018 Cosplay, comic shops, and college applications collide in this illustrated novel from the author of *You're Welcome, Universe* that tackles online bullying and the pressure women have to conform in male-dominated spaces.
