Online Course Organizer Jennifer L Gee,2019-08-06 Stay Organized While Improving Your Life! Online learning is all the rage these days. Internet-based classes and courses can be found on virtually every subject imaginable. And people sign up for them by the dozens (if not hundreds!)... with very little persuasion needed! But do you find yourself signing up for online courses and classes, but never following through with them? Or worse, forgetting about them entirely? What a waste of time and money!! It isn't always easy to organize your online studies. Forgotten usernames and passwords... Misplaced login URLs... So many courses available, you actually can't remember if you signed up for the same one before...? It can be SO FRUSTRATING!! Well, with this Online Course Organizer, you can have all of the important information about all of your expensive online courses right at your fingertips! This Online Course Organizer features: Comprehensive, 2-page spread for each online course you sign up for (enough pages for 40 different courses!) Numbered Table of Contents for quick access to any of your courses Login URL, username and password section for easy reference when logging into your courses Cost section to track how much you are spending on online courses Customer service / Support contact info section to make dealing with technical issues or questions a breeze Sign-up Bonus section to keep track of the extras you get for signing up Notes section to jot down other info you might need for a particular course Personal rating/review area to help you determine how useful a course is ... and much more! This Online Course Organizer is the perfect gift for any student, small business owner, entrepreneur, or hustler who loves taking online classes and learning new things! Like what you see here? Looking for something a little different? You can find many more amazing planners, journals and specialty books by Jennifer L. Gee for TimberBelle Press by simply clicking on the author's name above this description (below the title). You're sure to find something that will make your life easier! Remember... Educating the Future GP Patrick McEvoy,1998 `This excellent book is long overdue. It will be of benefit to anyone with an interest in general practitioner education, and anyone considering applying for the post of course organiser should read the opening chapters to prepare them for interview. This is a thoughtful book, written in a clear and witty style and it deserves a wide readership. It provides an educational framework on which general practitioner teaching can be based.' British Journal of General Practice `This book is excellent because it deals not only with the `nuts and bolts' of being a course organizer, but also addresses the difficulties, frustrations and emotions involved in a witty and entertaining manner. Anyone with an interest in postgraduate medical education, at any level, would benefit from reading this book.' Update `Paddy McEvoy's book has rapidly and deservedly established itself as invaluable to anyone responsible for any form of postgraduate medical education.' Education for General Practice ``As well as updating and revising the book throughout. Paddy McEvoy has managed to include sections about the wider context of training without making the book overly long or losing any of the delightful flavour of the first edition. I have no doubt that you will find it both useful and enjoyable.'`
