The Cottage in a Cornish Cove Cass Grafton,2020-02-11 A heart-warming tale of discovering all you never wanted is exactly what you need. Orphaned as a baby and raised by uncaring relatives, much of Anna Redding's happiness as a child came from the long summer holidays spent with an elderly family friend, Aunt Meg, in the coastal village of Polkerran. With Aunt Meg's passing, Anna is drawn back to the West Country, relocating to the Cornish cove where she was once so happy. Filled with memories, she hopes to perhaps open a B&B—and perhaps cross paths with Alex Tremayne again, a local boy she used to have a major crush on and who only had to walk past Anna to make her heart flutter. Settling into her new life, and enjoying her work for the older, reclusive and—to be honest—often exasperating Oliver Seymour, Anna is delighted when Alex reappears in Polkerran and sweeps her off her feet. The stars finally seem to be aligned, but just as Anna thinks all she's ever wished for is within reach, a shock discovery brings everything under threat, and she discovers she's living a dream that isn't hers. Can Anna rescue the new life she has made for herself and, when the testing moment comes, will anyone be there to hold her hand? The Cottage in a Cornish Cove is the first in a series of uplifting romances from Cass Grafton. Get to know the warm and funny locals of Polkerran, wallow in the charm of a Cornish fishing village and fall in love with romance all over again.

What happens when the guy who's afraid of love finds himself in it? Know what they say about never mixing business with pleasure? I thought it was dumb. The one about never sleeping with your boss? I ignored it, too. I blame Aslan Spearman, the boss. He's a wealthy playboy who doesn't believe in happily ever after. He's demanding, a workaholic, and a cynical...jerk. He'd rather have a root canal than be in a romantic relationship. Do you want to know a secret? I think he's afraid of love. So when he has to go to the Spearman family reunion in Hawaii with his girlfriend, he's in big trouble. That's what happens when you lie to your family about your relationship status. It wasn't important—until now. What does he do? He comes to me, his VP of Operations and right hand for assistance. After all, I'm a problem solver. Except my personal life is complete chaos. So we make a deal. I'll be his girlfriend if he helps me solve my problems. It's a win-win situation, right? I mean, how hard can it be? It's not like I plan to fall in love.

100 Days of Sunlight Abbie Emmons,2019-08-07 When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's obnoxious optimism, convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. 100 Days of Sunlight is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.

The Difference Between Somehow and Someway Aly Martinez,2022-02-20 The world gave me everything. After surviving a plane crash, I was lucky to be alive. It was a harsh truth, but one that changed my perspective on how fragile life could be. So when a fellow survivor caught my eye, I owed it to myself to take a chance and follow my heart. Bowen Michaels was guarded and broody, but I saw through his well-formed armor. Much like me, he was broken and lost, but together we found our way through the darkness. For a brief moment, wrapped in his arms, it felt like maybe he was right about fate and we'd been destined to find each other all along. But when buried secrets of the past erupt, igniting us both, it was hard to believe we'd been fated for anything other than failure. The world gave me everything. And then it took it all away.

Guerrilla Publishing Derek Murphy,2017-01-24 TRAIN THE INTERNET TO SELL BOOKS FOR YOU Book marketing doesn't need to be an exhausting hamster wheel of promotion and publicity. Put your book sales on autopilot... so you can focus on writing your next bestseller. FAST AND EFFECTIVE BOOK MARKETING This book is a crash course on some of the more creative book marketing strategies I've discovered in my first year of publishing fiction. It will provide simple, actionable, measurable steps to publishing a high quality book quickly, doing only as much marketing as is necessary to launch your book like a rock star, and keep it selling enough to support you while you write another. I only mention the things I actually use, that I know work, and ignore options that don't get results. We'll discuss paid advertising, release strategies, pricing and pre-orders, book giveaways, how to target your audience, viral exposure and press coverage, marketing hacks, and how to reach your first \$1000 on Kindle. LAUNCH BIG EVEN IF YOU'RE STARTING SMALL Guerrilla is a style of warfare intended to surprise and harass enemies. It can also mean using unconventional and usually inexpensive means to generate interest or raise concern among the public. That's basically how I'll use it: book marketing strategies from the trenches to help you win the publishing war. However, instead of surprise and harass I will focus on surprise and delight. First you need to show up and get in front of the right people. Then you need to surprise and delight them. You need to be remarkable enough to be noticed. Few authors are using these strategies (yet) so it's relatively easy to outrank

your competition, get more visibility and reach new readers.
