Other Words for Home Jasmine Warga,2019-05-28 New York Times bestseller and Newbery Honor Book! A gorgeously written, hopeful middle grade novel in verse about a young girl who must leave Syria to move to the United States, perfect for fans of Jason Reynolds and Aisha Saeed. Jude never thought she'd be leaving her beloved older brother and father behind, all the way across the ocean in Syria. But when things in her hometown start becoming volatile, Jude and her mother are sent to live in Cincinnati with relatives. At first, everything in America seems too fast and too loud. The American movies that Jude has always loved haven't quite prepared her for starting school in the US—and her new label of “Middle Eastern,” an identity she's never known before. But this life also brings unexpected surprises—there are new friends, a whole new family, and a school musical that Jude might just try out for. Maybe America, too, is a place where Jude can be seen as she really is. This lyrical, life-affirming story is about losing and finding home and, most importantly, finding yourself.

Middleshade Road Matt Gemmell,2022-02-15 PALE HOUSE HAS AWOKEN When Dair Lewis receives a call telling him of his estranged mother's death, he must travel back to his childhood home in the far north of Scotland, the sprawling and shadowy Pale House. Drawn into a mystery regarding the circumstances of her passing, Lewis begins to suspect that something is terribly wrong with the house. A secret from the years after he left, and traumatic experiences he'd repressed from earlier in his life, made his former home a place of dread for him - and now the past has come alive within its walls. As Lewis digs deeper, the house calls out to a damaged and twisted figure

bent on murder, drawing a monster into its shifting, labyrinthine expanse. Trapped in a dark and living museum of his own worst memories, Lewis must fight to stay alive long enough to discover the truth about the house at the end of Middleshade Road.

100 Days of Sunlight Abbie Emmons, 2019-08-07 When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's obnoxious optimism, convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. *100 Days of Sunlight* is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.
