**The Beast Princess** Lichelle Slater,2020-03-16 Do not be deceived by looks alone,or the truth of your heart has been shone.Anyone who isn't royalty isn't worth a penny. When I wake the dawn after the autumn ball to find everyone in the castle under a spell, and that my beauty is hidden behind the form of a wolf, I am forced to put my fate in a complete stranger.All I wanted was to be rid of the enchantment. Instead, I find myself traipsing about the kingdom alongside a boy I despise. With magic outlawed in Arington, I have no idea how to break the enchantment or save myself, and my only choice is to trust Gerard.Yes, that Gerard.Of course, in exchange for helping me, he wants the autumn stone. He is really the beast with nothing to lose, not me.But neither of us could have anticipated the dangers we would face, and when the choice comes for me to save him or save myself, the answer is clear.Only, I didn't plan on falling in love with him.

**The Dragon Princess** Lichelle Slater,2023-03-31 A curse upon her head I place, that all will see her truest face. The rage of a dragon shall grow inside until, the truth, she can no longer hide.As crown princess of Griswil, I should have celebrated my seventeenth birthday. Instead, my mother arranged my marriage to a complete stranger from the northern kingdoms and the last of the fae--who vowed to break my dragon's curse--was found dead.But a mysterious letter with a new potential cure might just be the answer I am looking for.Although I have no experience outside the castle walls, I set out on my own adventure to take control of my destiny, even if it means acting against my controlling mother and facing the mighty sorceress myself. I never expected to find a sleeping fae who could be the answer to everything.

Beauty and the Beast: Lost in a Book Jennifer Donnelly,Disney Book Group,2017-01-31 Smart, bookish Belle, a captive in the Beast's castle, has become accustomed to her new home and has befriended its inhabitants. When she comes upon Nevermore, an enchanted book unlike anything else she has seen in the castle, Belle finds herself pulled into its pages and transported to a world of glamour and intrigue. The adventures Belle has always imagined, the dreams she was forced to give up when she became a prisoner, seem within reach again. The charming and mysterious characters Belle meets within the pages of Nevermore offer her glamorous conversation, a life of dazzling Parisian luxury, and even a reunion she never thought possible. Here Belle can have everything she ever wished for. But what about her friends in the Beast's castle? Can Belle trust her new companions inside the pages of Nevermore? Is Nevermore's world even real? Belle must uncover the truth about the book, before she loses herself in it forever.

**The Enchanted Screen** Jack Zipes,2011-01-27 The Enchanted Screen: The Unknown History of Fairy-Tale Films offers readers a long overdue, comprehensive look at the rich history of fairy tales and their influence on film, complete with the inclusion of an extensive filmography compiled by the author. With this book, Jack Zipes not only looks at the extensive, illustrious life of fairy tales and cinema, but he also reminds us that, decades before Walt Disney made his mark on the genre, fairy tales were central to the birth of cinema as a medium, as they offered cheap, copyright-free material that could easily engage audiences not only through their familiarity but also through their dazzling special effects. Since the story of fairy tales on film stretches far beyond Disney, this book, therefore, discusses a broad range of films silent, English and non-English, animation, live-action, puppetry, woodcut, montage (Jim Henson), cartoon, and digital. Zipes, thus, gives his readers an in depth look into the special relationship between fairy tales and cinema, and guides us through this vast array of films by tracing the adaptations of major fairy tales like Little Red Riding Hood, Cinderella, Snow White, Peter Pan, and many more, from their earliest cinematic appearances to today. Full of insight into some of our most beloved films and stories, and boldly illustrated with numerous film stills, The Enchanted Screen, is essential reading for film buffs and fans of the fairy tale alike.
