A Duet for Home Karina Yan Glaser,2022-04-05 From the New York Times best-selling creator of the Vanderbeekers series comes a triumphant tale of friendship, healing, and the power of believing in ourselves, told from the perspectives of two biracial sixth graders living in a homeless shelter. At first, June can't believe it: their new home is a homeless shelter? When she's told she can't bring her cherished viola inside, she's convinced the worst luck in the world landed her at Huey House. But Tyrell has lived at Huey House for three years, and he knows all the good things about it: friendship, hot meals, and the music from next door drifting through the windows. With his help, June begins to see things differently. Just as she's starting to understand how Huey House can be a home, a new government policy threatens all the residents. Can June and Tyrell work together to find a way to save Huey House as they know it?

The Book: A Cover-to-Cover Exploration of the Most Powerful Object of Our Time Keith Houston,2016-08-22 "Everybody who has ever read a book will benefit from the way Keith Houston explores the most powerful object of our time. And everybody who has read it will agree that reports of the book's death have been greatly exaggerated."—Erik Spiekermann, typographer We may love books, but do we know what lies behind them? In *The Book*, Keith Houston reveals that the paper, ink, thread, glue, and board from which a book is made tell as rich a story as the words on its pages—of civilizations, empires, human ingenuity, and madness. In an invitingly tactile history of this 2,000-year-old medium, Houston follows the development of writing, printing, the art of illustrations, and binding to show how we have moved from cuneiform tablets and papyrus scrolls to the hardcovers and paperbacks of today. Sure to delight book lovers of all stripes with its lush, full-color illustrations, *The Book* gives us the momentous and surprising history behind humanity's most important—and universal—information technology.

The Green Book Jill Paton Walsh,2012-03-13 Jill Paton Walsh's classic science fiction novel *The Green Book* is now available from Square Fish with a brand-new cover! Pattie and her family are among the last refugees to flee a dying Earth in an old spaceship. And when the group finally lands on the distant planet which is to be their new home, it seems that the four-year journey has been a success. But as they begin to settle this shiny new world, they discover that the colony is in serious jeopardy. Nothing on this planet is edible, and they may not be able to grow food. With supplies dwindling, Pattie and her sister decide to take the one chance that might make life possible on Shine.

Killing Kate Alex Lake,2016-10-06 From the Sunday Times top ten bestselling author of *Seven Days* and *The Choice* comes a gripping serial killer thriller with a psychological edge you won't want to put down!

From Cover to Cover Kathleen T. Horning,2010-04-27 An invaluable resource for professionals who wish to write book evaluations—and for all serious fans of children's literature! This revised edition of *From Cover to Cover* offers a fresh, up-to-date look at some of the best examples of children's literature and also includes practical advice on how to write clearly articulated, reasoned opinions so that others can learn about books they have not yet read. A brief, updated introduction clearly explains how children's books evolve from manuscripts into bound books and the importance of the many different parts of a book (jacket flaps, title page, copyright, etc.) and changes in the children's book industry, such as the creation of two new major genre awards. In addition, the author demonstrates how to think about and critically evaluate several different genres of children's books. Included are sections about books of information (and the author's responsibility to document sources); traditional literature (myths, legends, tall tales, folktales); poetry, verse, rhymes, and songs; picture books; easy readers and traditional books; and fiction and graphic novels. There is also a concluding chapter on how to write reviews that are both descriptive and analytical, including a segment on children's literature blogs. Updated material includes: •An introduction that reflects the many changes in the children's book industry •A section on genres, including a discussion of graphic novels •A section on children's literature blogs •An introduction of two new major genre awards: the Robert F. Sibert Informational Book Award and the Theodor Seuss Geisel Award •And more than 90% of the books cited have been updated from the first edition to more recent publications!

Design Mom Gabrielle Stanley Blair,2015-04-07 New York Times best seller Ever since Gabrielle Stanley Blair became a parent, she's believed that a thoughtfully designed home is one of the greatest gifts we can give our families, and that the objects and decor we choose to surround ourselves with tell our family's story. In this, her first book, Blair offers a room-by-room guide to keeping things sane, organized, creative, and stylish. She provides advice on getting the most out of even the smallest spaces; simple fixes that make it easy for little ones to help out around the house; ingenious storage solutions for the never-ending stream of kid stuff; rainy-day DIY projects; and much, much more.

The Enchanted Crown Bethany Atazadeh, Arie is now the Queen of Hodafez. Alone. Gift-less. Unwanted. The pain from her Severance is suffocating. Struggling to find the will to go on, all that keeps Arie going is knowing her people need her protection. The Queen of Jinn is readying her attack. Rena gave away the one item that could've given them leverage. Her newfound selflessness is put to the test as the human kingdoms need the help of the Mere more than ever. Nesrin doesn't know that anyone is looking for the prince of Jinn. She's quickly learning how little she knows about him. Will she discover that she holds the answer everyone is looking for before it's too late? *The Enchanted Crown* is a loose "Sleeping Beauty" retelling. Set in a world that humans share with mermaids, dragons, and the elusive Jinn, this is not the fairytale you remember... Michael Snow Michael Snow,Arnolfini Gallery,2001 Michael Snow is renowned as a pioneering filmmaker and conceptual artist, with a career spanning four decades. He is perhaps best known for *Wavelength*, one of the most influential experimental films ever made. This book traces threads running through Snow's practice from the 1960s to the present, from his early *Walking Woman* series to his most recent works. His primary concern with perception is evident in the wide range of media he has used throughout his career, from film, photography and installation to painting and audio work. Almost *Cover to Cover* plays on Snow's acclaimed artist book *Cover to Cover*, a section of which is reproduced here. A cult figure for many, this book will situate Snow's importance for contemporary art at a time of renewed interest in time-based work interdisciplinarity, narrative and film.

Paradise Rot Jenny Hval,2024-03-12 As intriguing and impressive a novelist as she is a musician, Hval is a master of quiet horror and wonder.” —Chris Kraus, author of I Love Dick A lyrical debut novel from a musician and artist renowned for her sharp sexual and political imagery Jo is in a strange new country for university and having a more peculiar time than most. In a house with no walls, shared with a woman who has no boundaries, she finds her strange home coming to life in unimaginable ways. Jo’s sensitivity and all her senses become increasingly heightened and fraught, as the lines between bodies and plants, dreaming and wakefulness, blur and mesh. This debut novel from critically acclaimed artist and musician Jenny Hval presents a heady and hyper-sensual portrayal of sexual awakening and queer desire.

The Best of Cover Design Altitude Associates,2011-05-01 You can't judge a book by its cover, or so the saying goes. We beg to differ. Each of us is exposed to several thousand messages a day. To be successful, covers not only have to stand out amongst all the clutter, but they also need to make an instant connection with viewers. Designing covers isn't an easy task. It's a minefield of requirements, constraints, and subjective opinions, oftentimes resulting in what we like to call the “design-by-committee pit of despair.” Make the logo bigger. The CEO's daughter doesn't like orange; change it. The sales team begins art directing. Welcome to the land of mediocrity. We've all been there, and it requires ninja-like skills to traverse and emerge in one piece. Despite the challenges, some covers clearly rise to the top. You can't help but pick up the magazine, open the brochure, or buy the book. They draw you in through their cleverness, simplicity, or boldness. These are the covers contained herein. Of the more than 2,000 covers received, the authors had the dubious task of selecting about 350 to be featured in *The Best of Cover Design*. The chosen covers were selected based on their initial visual impact and effectiveness in conveying the message within. It is an inspiration feast for the eyes.

The Magazine from Cover to Cover Sammye Johnson,Patricia Prijatel,2013 The leading textbook on how to turn a budding idea into a full-fledged magazine has evolved, adapting to the current trends in the industry. Now in its third edition, *The Magazine from Cover to Cover* has been thoroughly updated to include the effects of technology and current events on magazine publishing. In this comprehensive overview, authors Sammye Johnson and Patricia Prijatel provide a fascinating perspective on the rich history of magazines in America, an overview of present publication practices, discussion of groundbreaking research, and a look forward to the challenges and opportunities in store for the industry. They use case histories from selected magazines and interviews with editors, designers, and other publishing professionals to showcase the creativity that is propelling magazine publishing forward. WHAT'S NEW IN THE THIRD EDITION? - A new Chapter 2, *The Magazine in a Digital World*, written by Lori Blachford, Peggy Fisher and Larry Stelter Chair of Magazine Journalism at Drake University, delves into the constant evolution of the magazine industry in this digital age - Updated throughout to reflect the impact of technological change and the economic crisis on all aspects of the magazine field

Cover to Cover Sandra Wendel,2021-01-08 Irreverent. Funny. Essential. Read this book before you publish your book. You just wrote your first book. And there you are. Stark naked. Vulnerable. Wondering what to do next to get your masterpiece published. This is the one book you need to read and follow if you're writing a book for the first time. Why? Because you've never written a book before. This is new territory. To write a successful book, you need to find and work with an editor who shares your passion for your work and your message and who will help you make your book sing. And sing a smash hit. A blockbuster of a message, clearly and carefully constructed so readers love you and your work and leave you five-star Amazon reviews only because they don't have more stars to give. This is a toolkit for tinkering under the hood of your working manuscript so you, the author, can take your work as far as you can before an edit and production such as cover design and not dump a half-baked chocolate cake on some poor schlub of an editor to fix. Don't make first-time author mistakes. No matter what you think, you do need an edit. Not the English teacher next door. You can't self-edit either. A professional editor knows how to navigate those thorny commas and can solve your organizational questions. An editor can guide you through the murky waters of modifiers and passive sentences, correct typos, and get your book manuscript polished and on its way to production. Even if you slept through English class, never turned in book reports, and don't know a thing about publishing the book of your dreams, your name is on the cover and you don't want to be embarrassed. Turn your vulnerability into confidence with these insider secrets to publishing success when working with an editor. No, this is not a grammar book (ick) or a guide to self-editing (can't be done well). This is not a dry, boring book about usage or sentence structure. Although the author, a veteran nonfiction editor, specializes in memoir, true crime, business/leadership, and self-help, her advice holds true for fiction writers as well. Get your questions answered (and more): Why do I need an editor? How do I find an editor? What do editors do? And how much do they cost? What are the levels of edit? Developmental? Line edit? Copy edit? Proofreading? How do I know what level of editing my manuscript needs? Will an editor tell me if my manuscript sucks? Why do words make a difference? Which words do I overuse? Which words should I never use? How do I know when I'm done writing? How can I work with a cover designer and audiobook engineer? Can my local bookstore help me? Do I need beta readers? BONUS Checklist for Authors to Fine-Tune a Manuscript before Editing Begins BUY a copy today, because you need to know these insider secrets to successfully work with an editor on your way to publishing success.

Aegis of Waves Elder Gideon,2021-05-15 Intertextually weaving science, spirituality, and coming-of-age narratives, *Aegis of Waves* is an eschatology and a call to action, centered in resilience and unconditional hope.

Front Cover Alan Powers,2004-09-01 You can't judge a book by its cover...but some covers simply speak for themselves. The most influential book jacket designs from throughout the 20th century are on display, and the fascinating images track their evolution from throwaway utilitarian dust jackets into a powerful modern art form. Three hundred hardcover and paperback book jackets appear in full color, including many from rare first editions seldom seen outside a serious collector's library. Accompanying analysis commemorates the contributions of top European and American artists like Victor Gollancz, Paul Rand, and Barnett Freedman; explains how cover art styles helped launch such publishing brands as Penguin and Bloomsbury; and explores the impact of today's digitally designed covers.

Be a Perfect Person in Just Three Days! Stephen Manes,1982 In search of perfection, Milo Crinkley earnestly tries to follow the loony instructions he finds in a library books--and learns that there are more important things in life than being perfect. Manes' style (is) reminiscent of Daniel Pinkwater's topped with a dash of Kurt Vonnegut . . . awfully funny.--Booklist.
