Howard Hughes

**Once Upon A Time in the Italian West** Howard Hughes,2006-03-31 The ideal popular guide to the key Spaghetti Westerns - mainly the good but also the bad and the ugly - this is an authoritative, entertaining and comprehensive companion to the films that created the mythical Spaghetti West in the most improbable circumstances. Sergio Leone's Dollars trilogy is covered, with many more major and minor Spaghetti Westerns, including Sergio Corbucci's Navajo Joe, Carlo Lizzani's The Hills Run Red and Duccio Tessari's A Pistol for Ringo. This popular guide explores the films through the biographies and filmographies of key personnel, stories of the films' making, their locations and sets, sources, musical scores, detailed cast information, box office fortunes internationally, with many illustrations, including original posters and stills.

*Not Fade Away* Rebecca Alexander (Psychotherapist),Sascha Alper,2014 The inspiring memoir of a young woman who is slowly losing her sight and hearing yet continues to live each day with grace and purpose. Thirty-four-year-old Rebecca Alexander is a psychotherapist, a spin instructor, a volunteer, and an athlete. She is also almost completely blind, with significantly deteriorated hearing. *Not Fade Away* is a deeply moving exploration of the obstacles we all face-physical, psychological, and philosophical. Like *The Diving Bell and the Butterfly*, Rebecca's story is an exquisite reminder to live each day to its fullest. When Rebecca was twelve, her parents were told that she would be completely blind before she turned thirty. At eighteen, she fell through a window, shattering her body. In college, she found out that due to a rare genetic disorder-Usher Syndrome Type III-she was losing her hearing as well. Since then, she has earned two Master's degrees from Columbia University, ridden a six-hundred-mile bike race, hiked the Inca Trail, and established a thriving career-all while maintaining a vibrant social life. In *Not Fade Away*, Rebecca charts her journey from a teenager who tried to hide her disabilities, to a woman who is able to face the world exactly as she is. She meditates on what she's lost-the sound of laughter and skies full of stars, which she can now only imagine (though, she quips, It's not like anyone can see stars in New York anyway)-and what she's found in

return: an exquisite sense of intimacy with family and friends who've stuck by her, and a profound appreciation for everything she still has. Even though Rebecca inhabits a gradually darkening world, she refuses to let that stop her from living life with joy and enthusiasm.--

*Twelve Years a Slave* Solomon Northup,2024-01-04 Filmatised in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race

memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.
