In *The Best Camera Is The One That's With You*, Chase reimagines, examines, and redefines the intersection of art and popular culture through images shot with his iPhone. The book is full of visually-rich iPhone photos and peppered with inspiring anecdotes. Two megapixels at a time, these images have been gathered and bound into a book that represents a stake in the ground. With it, Chase underscores the idea that an image can come from any camera, even a mobile phone. As Chase writes, "Inherently, we all know that an image isn't measured by its resolution, dynamic range, or anything technical. It's measured by the simple—sometimes profound, other times absurd or humorous or whimsical—effect that it can have upon us. If you can see it, it can move you." This book is geared to inspire everyone, regardless of their level of photography knowledge, that you can capture moments and share them with our friends, families, loved ones, or the world at the press of a button. Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Lease on Love Falon Ballard, 2022-02-01 Sadie wasn't looking for love until it landed on her doorstep. After getting passed over for an overdue—and much-needed—promotion, Sadie Green is in desperate need of three things: a stiff drink, a new place to live, and a one-night stand. But when an accidental mix-up lands her on the doorstep of Jack Thomas's gorgeous Brooklyn brownstone, it's too bad Sadie is more attracted to the impressive real estate than she is to the man himself. Jack, still grieving the unexpected death of his parents, has learned to find comfort in video games and movie marathons instead of friends. So while he doesn't know just what to make of the vivaciously verbose Sadie, he's willing to offer her his spare bedroom while she gets back on her feet. And with the rent unbeatably low, Sadie can finally pursue her floristry side hustle full-time. The two are polar opposites, but as Sadie's presence begins to turn the brownstone into a home, they both start to realize they may have just made the deal of a lifetime.

Flipped Wendelin Van Draanen, 2003-05-13 A classic he-said-she-said romantic comedy! This updated anniversary edition offers

story-behind-the-story revelations from author Wendelin Van Draanen. The first time she saw him, she flipped. The first time he saw her, he ran. That was the second grade, but not much has changed by the seventh. Juli says: "My Bryce. Still walking around with my first kiss." He says: "It's been six years of strategic avoidance and social discomfort." But in the eighth grade everything gets turned upside down: just as Bryce is thinking that there's maybe more to Juli than meets the eye, she's thinking that he's not quite all he seemed. This is a classic romantic comedy of errors told in alternating chapters by two fresh, funny voices. The updated anniversary edition contains 32 pages of extra backmatter: essays from Wendelin Van Draanen on her sources of inspiration, on the making of the movie of *Flipped*, on why she'll never write a sequel, and a selection of the amazing fan mail she's received. Awards and accolades for *Flipped*: SLJ Top 100 Children's Novels of all time IRA-CBC Children's Choice IRA Teacher's Choice Honor winner, Judy Lopez Memorial Award/WNBA Winner of the California Young Reader Medal "We flipped over this fantastic book, its gutsy girl Juli and its wise, wonderful ending." — The Chicago Tribune "Van Draanen has another winner in this eighth-grade 'he-said, she-said' romance. A fast, funny, egg-cellent winner." — SLJ, Starred review "With a charismatic leading lady kids will flip over, a compelling dynamic between the two narrators and a resonant ending, this novel is a great deal larger than the sum of its parts." — Publishers Weekly, Starred review

San Francisco Noir Fred Lyon,2017-06-06 This collection by the acclaimed photographer reveals the shadowy side of the City by the Bay. Following in the footsteps of classic films like *The Maltese Falcon* and *The Lady from Shanghai*, veteran photographer Fred Lyon creates images of San Francisco in high contrast with a sense of mystery. In this latest offering from the photographer of San Francisco: *Portrait of a City 1940-1960*, Lyon presents a darker tone, exploring the hidden corners of his native city. Images taken in the foggy night are illuminated only by streetlights, neon signs, apartment windows, and the headlights of classic cars. Sharply dressed couples stroll out for evening shows, drivers travel down steep hills, and sailors work through the night at the old Fisherman's Wharf. In many of the photographs, the noir tone is enhanced by double exposures, elements of collage, and blurred motion. These strikingly evocative duotone images expose a view of San Francisco as only Fred Lyon could capture.

Psychogeography Will Self,2013-08-01 Provocateurs Will Self and Ralph Steadman join forces in this post-millennial meditation on the vexed relationship between psyche and place in a globalised world, bringing together for the first time the very best of their 'Psychogeography' columns for the Independent. The introduction, 'Walking to New York', is both a prelude to the verbal and visual essays that make up this extraordinary collaboration, and a revealing exploration of the split in Self's Jewish-American-British psyche and its relationship to the political geography of the post-9/11 world. Ranging from the Scottish Highlands to Istanbul and from Morocco to Ohio, Will Self's engaging and disturbing vision is perfectly counter-pointed by Ralph Steadman's edgy and beautiful artwork.
