How to Make Money at Craft Shows Mallory Whitfield,2015-02-22 Have you ever wanted to sell your handmade crafts or artwork at local craft fairs, but have no idea where to start? Or maybe you've taken the first step and have tried selling your art at a craft show or two, but now you're looking for ideas on how to sell more, how to make your booth more appealing to customers and where to find more venues to sell your handmade goods? You've come to the right place! I've been selling my own handmade creations, as well as the work of other artists, at a variety of craft shows and other events since 2004. I've learned a lot of lessons the hard way, and now I'm sharing them here with you so that you can learn from my experiences! In this book, I'll cover the basics of getting started selling at craft fairs, as well as how to design a great looking booth, how to give outstanding customer service & sell more and even how to find and create additional events at which to sell your handmade work. WHAT IT INCLUDES: - how to define your target market - where to find good shows - how much should I spend on a booth fee at a show? - how to make your booth look great - promoting your show & getting your customers there - my craft show tips & tricks - dealing with crazy weather & unexpected events - theft prevention - craft show supply checklist - how to give great customer service - how to use craft shows to create after-the-show sales - alternative venues to sell your work, beyond traditional craft shows - how to create your own events to sell at - tracking your inventory - how to create a personal & business spending plan - big hunkin' list of craft show resources WHO THIS BOOK IS FOR: This book will be most useful for someone new to selling at craft shows. I do cover more advanced topics as well though, including how to define your target market, visual merchandising, inventory tracking, and creating a business spending plan. The book includes worksheets along the way to help you. The information in this book is based on my experiences, selling in the United States, mostly in Louisiana. However, most of the information contained here is useful to anyone around the world who is interested in setting up a booth at craft shows, festivals or conventions. WHY I KNOW WHAT I'M TALKING ABOUT: I did my first craft show in 2004. It was the Alternative Media Expo, put on by Antigravity Magazine here in New Orleans. I sold a few things, and learned a LOT of things. And I haven't looked back! I've done all sorts of events since then. I have sold regularly at the Frenchmen Art Market, and have done festivals around the New Orleans area including Bayou Boogaloo, Gretna Heritage Festival, Freret Market, New Orleans Earth Day Festival, and many, many more. As one of the founding members of the New Orleans Craft Mafia, I've even organized a variety of events, both with the group and on my own. As a group, we've created a monthly art market and the annual Last Stop Shop holiday market. On my own, I've also hosted home shopping parties, trunk shows and pop-up shops. In 2007, as one of the winners of Etsy's Upcycling contest, I even traveled cross-country to San Francisco to participate in Bazaar Bizarre at Maker Faire!

You want the sponsoring organization and the vendors to make money. You want the guests to make memories of a fun time shopping and spending time together. You want to accomplish these things as efficiently as possible. This book tells you how. Tips to please your vendors are included because you can't have a show without them. You want your craft fair to be vendors' first choice. They attend many types of events,

Negotiate Your Way to Success Kasia Jagodzinska, 2021-06-14 The number eight is a special number. It is the symbol of infinity and harmony through the balance of the two interlocking loops. It is considered an allegory of self-confidence, success, inner wisdom, and financial abundance. Number eight means that you are on the right path to reaching your objectives. I use a guideline as a metaphor for the line by which one is guided to assist the crossover from a difficult challenge to achieving one's goal. Negotiate Your Way to Success is my story line. The line I am passing to you to serve as a foundation for behavior that will deliver what you demand from your professional life and beyond. Negotiation is both art and a science. A successful negotiation is a balancing act between strategy, tactics, and the right negotiation approach. However, it also relies on the ability to manage oneself. The best negotiation outcomes are the consequences of a coming together of moments and decisions that prove life-changing. Negotiate Your Way to Success is a collection of pragmatic guidelines flowing from the situations that I experienced working with business professionals across the world. This book is a personal journey that I hope will inspire others. While career paths and aspirations may differ, certain professional dilemmas are universal. Bad decisions coupled with good reflections can often produce satisfactory future outcomes.

Satisfaction Martin Popoff, 2019-12-24 Discover the music that influenced some of the biggest stars in Music history in 10 Albums That Changed My Life, a personal, insightful and gloriously illustrated look at the music that matters the most to the artists who matter the most to you. More than a hundred musicians invite you backstage, each revealing in their own words the 10 albums that influenced their lives, their music and their futures. Artists from Punk to Classic Rock, British Invasion to Pop, and Heavy Metal to Modern Rock take the stage in this sonic coming-of-age adventure. With more than 1,000 albums illustrated and profiled, 10 Albums That Changed My Life shares wonderfully intimate perspectives and surprising selections. Consider Henry Rollins, the legendary front man for punk's Black Flag. Slipped into his list of heavy rockers, you'll find The Original Broadway Cast Recording of Hair. I had this record in 4th or 5th grade. It was my mother's. I knew it was subversive and I probably shouldn't be listening to it and that's what made it irresistible to me. Besides, there is some great songwriting and performances on this album, Rollins says. From the Beatles' Sgt. Peppers Lonely Hearts Club Band to Pink Floyd's Wish You Were Here, Rolling Stone's Exile on Main Street to The Beach Boys Pet Sounds, Flatt & Scruggs The Original Sound to Jimi Hendrix Are You Experienced, the book is packed with classics and cool revelations. Featuring a Foreword by Rock And Roll Hall of Fame artist Nancy Wilson of Heart, 10 Albums That Changed My Life is a fun and fabulous page-turner, tuning into the music that made a difference. And still does.
