Minecraft Recipes For Dummies Jesse Stay, Thomas Stay, 2014-09-29 A quick, handy reference on Minecraft recipes Want to find resources, make a shelter, craft tools, armor, and weapons, and protect yourself from monsters with Minecraft recipes? You've come to the right place! In a handy, portable edition that's packed with step-by-step instructions, *Minecraft Recipes For Dummies* makes it easy to look up the required items and figure out which blocks you need to gather to create each item. You'll get recipes for weapons, armor, transportation, mechanism, food, dye, wool, and brewing, as well as information on enchanting, repairing, gathering, farming, efficiency, and more. Minecraft is more than just a game: it's an obsession. It has gone from an obscure game with a cult-like following to a mainstream phenomenon. Minecraft consists of players using an avatar to create or destroy various types of blocks, form fantastic structures, create artwork, and much more, all in a three-dimensional environment and across various multiplayer servers in multiple game modes. With this fun and friendly guide, you'll get quick and easy access to Minecraft recipes to enhance your game and get even more out of this popular, addictive game. Shows you which blocks you'll need to gather to create shelter, tools, armor, weapons, and more Makes it easier for both beginner and advanced Minecraft players to make the most of the game Playing the game teaches users basic programming skills and engineering concepts The author's sons—both avid Minecraft players and bloggers—contributed to the writing of this book *Minecraft Recipes For Dummies* is the portable guide that goes where you go as you create a world you'll never want to leave.

A Minecraft Mini-encyclopedia Cori Dusmann, 2014 Although Minecraft provides something for everyone, what it does not come with are directions, rules, or explanations telling you what the different items and blocks in the game are and what to do with them. The amount of information in the game can be overwhelming, and it can be difficult to know where to begin. The good news is, you don't need to know everything to start playing. Only the basics. So this mini-encyclopedia looks at some of the basic facets of the game, from common blocks and crafting recipes to enchantments and potions and transportation.
