Timothy Jacobs

## **Golf Magazine's Great Golf Courses You Can Play**

Robert Scharff,1973

*Tee Off!* Jim Moriarty,1991

**The Golf Courses of Jack Nicklaus** Timothy Jacobs,1989

*The Bulletin of the United States Golf Association, Green Section* United States Golf Association. Green Section,1921

*The Finest Golf Courses of Asia & Australasia* James Spence,2005

**Great Golf Courses of the World** Timothy Jacobs,1990

Turf for Golf Courses Charles Vancouver Piper,Russell Arthur Oakley,1917

*The Golf Guide Britain and Ireland* FHG Staff,Hunter Publishing,2005 Over 2,500 courses covered in detail. Hotels recommended by golfers, for golfers.

*Turf for Golf Courses* Charles Vancouver Piper,2009

*From Fields to Fairways* Rick Shefchik,2012 The first history of Minnesota's celebrated golf clubs and courses, including rarely seen photographs and long-lost details about the game's most famous architects

*TURF FOR GOLF COURSES* CHARLES V. PIPER,2018

*The Seeding and Care of Golf Courses* Scott, O.M., & sons co., Marysville, O.,1922

**Lawns, Golf Courses, Polo Fields, and How to Treat Them** S. A. Cunningham,2016-04-15 This vintage book contains a comprehensive handbook for creating, managing, and maintaining golf courses and polo fields. Accessible and full of useful

information, this timeless guide will be of considerable utility to anyone with an interest in maintaining high quality lawns for sport or leisure. Highly recommended for golf club owners and collectors of vintage sporting literature. Contents include: Lawns, Re-Making an Old Lawn, Making a New Lawn, Clipping, Rolling and Watering, Golf Courses, Putting Greens, Seed Mixtures and Putting Greens, General Care of Putting Greens, Sanding the Greens, Eradication of Worms, Watering, Fair Greens, New Fair Greens, et cetera. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in an affordable, modern edition complete.

**Golf Clubs of the MGA** Bill Quirin, 1997-03 Golf in this country was born (in New York), it grew up here, and 100 years later it continues to be the center of the golfing world. It has more history and more great courses per square mile than any other place in the world. It is quite simply 'golf heaven'. From the foreword by Gene Sarazen, PGA Champion One of America's oldest regional golf associations, the MGA began with 26 member clubs at Delmonicos Restaurant in New York City. One hundred years later, the MGA has grown into a group of over 385 clubs in New York, Connecticut, and New Jersey. Each year many of golfs most prestigious events are held at MGA clubs such as Shinnecock, Baltrusol, and Ridgewood. Golf Courses of the MGA features these clubs and many others through beautiful full color photographs that capture the majesty of these historic locales. To accompany these photographs, Dr. William Quirin

painstakingly compiles comprehensive profiles on over 150 private and public golf facilities as well as complete data on every MGA member club. He also highlights many of the legendary players who helped craft the MGA's history over the past 100 years, including Walter Travis, Gene Sarazen, Byron Nelson, Jack Nicklaus, Lee Trevino, and others. Quirin carefully traces the MGA's history and retells the stories that have become imbedded in American golf lore. Within this book, discover where the Nassau bet originated, how the golf tee was born, and where the term Mulligan was first used. Also included is a section on golf club architecture and a special records section that lists the MGA's 100 years of champions, award winners, and leaders -- a real who's who of American golf.... a must-have item for any golfer's bookshelf. Great stories, great vignettes, and great pictures of all the courses I grew up around. It's also a great reference source. -- George Peper, editor of Golf Magazine -- Beautiful photographs featuring famous MGA courses such as Shinnecock, Baltrusol, and Ridgewood -- Lively text explores the history of MGA clubs and golf in America -- Memorable keepsake for anyone interested in golf history -- Commemorates the first hundred years of one of the country's oldest golf associations

Golf Greens and Green-keeping Horace Gordon Hutchinson, 1906 Different contributions: The formation of turf; Treatment and upkeep of seaside links; Typical east coast links; Treatment and upkeep of a golf course on light inland soil; golf courses on heavy soil; etc.

Golf in America George B. Kirsch, 2009 An inclusive narrative of golf's history and popularity in the United States

**Golf Courses of the U.S. Open** John Steinbreder, 1996 An updated edition of a book published by Taylor in 1997, this book will not only feature all of the U.S. Open golf courses through 2008, but also include more up-to-date photography of some of the classic courses of past tournaments.

**Great Golf Courses of Ireland** John Redmond, 1993 Golf enthusiasts will want to plan their next vacation using this beautifully illustrated volume featuring detailed views of twenty of Ireland's finest golf courses and listings of more than two hundred others.

**The Golden Age of Pinehurst** Lee Pace, 2012-11-15 One of the finest golf courses in America in the early 1900s was the revered Pinehurst No. 2, designed by the legendary Donald Ross and first opened in 1907. Physically and mentally demanding, the course gave players options on every hole and required them to envision and execute recovery shots from the sandy perimeters and the pine forests as well as think creatively around the intricate greens. As a result, No. 2 became a favorite of the nation's top amateurs and professionals. Unfortunately, a modernization of the course over the last four decades stripped it of much of its character. In *The Golden Age of Pinehurst*, Lee Pace chronicles the breathtaking restoration of No. 2 from its recent slick and monochromatic presentation back to a natural potpourri of hardpan sand, wire grass, and

Sandhills pine needles. The restored No. 2-- accessible for amateur play, yet challenging enough for the professional--once again stands apart for its beauty, strategic appeal, and Old World flavor.

The Golf Courses of Vern Morcom ,2020

Description of the 90 golf courses in which Vern Morcom was involved as designer.

When somebody should go to the book stores, search introduction by shop, shelf by shelf, it is in fact problematic. This is why we present the books compilations in this website. It will totally ease you to see guide **Craigielaw Golf Tee Times** as you such as.
