**Tracy Wolff**

*Cherish* Tracy Wolff, 2023-05-30 The sensational conclusion to the massive #1 New York Times bestselling series... It's been over three months since my friends and I took down Cyrus. Three months where my biggest fear was what paper was due next... But I should have known it was too good to last. Now everything is falling apart. The Vampire Court has no king, the Dragon Court has no heart, and the Gargoyle Court has me—a teenager in way over her head. And it's the worst possible timing, because a threat is brewing just as the Circle is collapsing. I have no choice but to return to the Shadow Realm and face the terrifying queen who nearly ended us...and make a deal with her to save Mekhi. But this time, I'm bringing my powerful friends with me—and Hudson. Except something is wrong with him, too. He's keeping a secret—even from me. All I know is that everyone's life hangs in the balance. And it's my fault—because I still owe the Crone a favor...and now she's come to collect. **Charm** Tracy Wolff, 2022-11-08 The instant #1 New York Times Bestselling Series Goodreads Most Anticipated YA Book of November Finally find out what happened during those missing four months, as the thrilling adventure continues! He's under my skin... After Katmere, I shouldn't be surprised by anything. Including the existence of a world beyond my world called the Shadow Realm. Yet here I am, stuck in a strange, dangerous place with the worst of the supernaturals, the monster that other monsters fear: Hudson Vega. He might be Jaxon's brother and ridiculously hot, but he's a complete bona fide pain in my ass. The question is whether we'll find a way out before I kill him...or run out of time. She's stealing my heart... It's a truth universally known—at least according to Grace—that everything is my fault. But I have a nasty suspicion that Grace isn't as

human as she thinks, and she's the one keeping us trapped. Now we'll have to work together not only to survive, but to save all those we've come to call family who live here. Because there's something connecting us. Something stronger than fear...and way more bloody dangerous. Don't miss a single book in the series that spawned a phenomenon! **Crave** J. M. Dabney, 2017-02-11 Welcome to Brawlers Bar... A quick pit stop for a comfortable bed to sleep turned into an eight year stay. Vincent Crave Butler hit the road the day after college graduation and hadn't looked behind him since. He'd sworn to never stop moving, but the night he drove into Powers, Georgia changed the course of his life. He'd hit a bar called Brawlers with its rundown exterior and pride flag beside the door, the next day he had a job. Second in command to the Head of Brawler security, Crave found the place he didn't have to run from. No one would call Crave sane. He lived to make people as uncomfortable as possible just for his own twisted amusement. That all changed when a certain cute as fuck bartender walked in for an interview. No one wanted Twitch Harrison around for the long term. He was small, femme and annoying on his best days, downright abhorrent on his bad ones. When college turned out to be a no-go and the parents canceled his credit cards he'd needed a job. Walking into Brawlers, the roughest gay bar in his hometown, was like a game of pick the thing that didn't belong-him. The two owners, Scary and Tank, hired him on and a year later he was still that thing that didn't belong. No one made it more apparent than bouncer Crave Butler who didn't hide the fact he barely tolerated Twitch's presence. Crave threatened every man who thought they'd get the pretty Twitch, but would Twitch rather be in their beds than his? Only one way to find out and he hoped Twitch was ready for forever because that's what Crave was determined to have.

**Crave** Darnella Ford, 2004-03-18 Dear Jesus, Gerry didn't work out because Gerry didn't work. And after spending one night in complete darkness because pretty didn't pay the light bill, Gerry and I broke up and are no longer speaking. Marshall wasn't a viable suitor because when he finally revealed himself to me, I found out that his breasts were larger than mine because he used to be a she. Marshall and I are no longer speaking. Keith could have been the one. I met him at a taco stand and I was certain he was the It Man. He was beautiful, articulate, and one my favorite things on earth, employed. When I was in his presence he felt like the last man on earth. But on our first date I became extremely irritated by this simple fact: his wife kept paging him during our meal. So, Jesus, I am down on my knees begging for mercy. I ask for an eligible, employed, nonviolent single man with no current wives or husbands who has more teeth than felony convictions to enter my world and escort me to the rest of my life. Amen. ---from Michael (a woman, craving her It Man)

Covet Tracy Wolff, 2021-03-02 The instant #1 New York Times Bestselling Series An Amazon Best YA Book of the Month I may have reached my breaking point. As if trying to graduate from a school for supernaturals isn't stressful enough, my relationship status has gone from complicated to a straight-up dumpster fire. Oh, and the Bloodletter has decided to drop a bomb of epic proportions on us all... Then again, when has anything at Katmere Academy not been intense? And the hits just keep coming. Jaxon's turned colder than an Alaskan winter. The Circle is splintered over my upcoming coronation. As if things couldn't get worse, now there's an arrest warrant for Hudson's and my supposed crimes—which apparently means a lifetime prison sentence with a deadly unbreakable curse. Choices will have to be made...and I fear not everyone will survive. Don't miss a single book in the series that spawned a phenomenon! Nothing is right about this place or the other students in it. Here I am, a mere mortal among gods...or monsters. I still can't decide which of these warring factions I belong to, if I belong at all. I only know the one thing that unites them is their hatred of

me. Then there's Jaxon Vega. A vampire with deadly secrets who hasn't felt anything for a hundred years. But there's something about him that calls to me, something broken in him that somehow fits with what's broken in me. Which could spell death for us all. **Crave and Cook** Virginie Degryse, 2016-11-16 Home cooking during the holidays: recipes and advice from a Belgian mother in a California kitchen. When I cook for my family I try to be mindful of everyone's different taste while making sure to provide the opportunity of getting out of their comfort zone. Trying to teach my kids to be adventurous and open to new cuisine and flavor variety is a driving force for me. A few years ago, we moved from Belgium to Los Angeles. With Whole Foods, farmer markets and fresh organic produce everywhere we turn, the local resources in this city are truly inspiring. I have always loved to cook ingredients as they are, to leave them true to

their character and try not to cover them with too much spices or sauces. Moving to California has pushed me even more in that direction. The winter flavors and Holiday dishes are my favorite. They take me back to my childhood and I am flooded with memories of family gatherings when I was a little girl. We had a routine: we would all share a house by the seaside for Christmas and New Year. My grandma would be cooking with my mom and my aunts. My cousins, brother and I would be running all over the place having a blast. We would have a delicious dinner for Christmas Eve and then go to midnight mass. The next day, when we woke up to all the presents Santa had brought us, there would be crepes and hot chocolate with whipped cream for breakfast with Christmas carols in the background. The joy was always amplified by the food. I keep these memories in mind when I prepare Holiday meals today. What are the new traditions of the Holidays now that we live in California? How can I merge them with my old memories to provide them with the same sensations I once had as a child? Cooking can be scary and some people find it inaccessible. Especially during the Holidays where cooking is a part of the traditions, where you are serving more people than usual, and you're not making your ordinary dinners! Through this book, I try to demystify Holiday cooking while showing you that delicious food can be prepared without a culinary degree or professional background. Sharing what I cook makes me as happy as showing how simple, enjoyable, and quick it can be. The more festive your table is, the easier it is to feel that sensation of Holiday joy.

Crave Adriana Locke, 2024-01-22 Hadley Jacobs is over Machlan Gibson. Sure, she'll always be a little weak to the dimple in his right cheek and the way his five o'clock shadow makes him ruggedly handsome. But that's not enough to cover every other thing about him because they all drive her nuts. Like how he won't admit he's wrong even when he knows it and how he drives his stupid car a million miles an hour on wet asphalt. As she rolls back into town and takes a seat at *Crave*, she won't take the bait. She's over him. Mostly. Machlan isn't over her. It's not because he hasn't tried. He reminds himself over and over that she's not the girl for him. After all, she drives him insane with her sassy attitude and the way she calls him out on everything. She beats him at poker, even though she doesn't know the difference between a straight and a flush, and when she looks at him with her bright, blue eyes, it's unnerving. When she climbs onto that bar stool and orders a drink, he puts it

in front of her and ignores the sparkle in her eyes. He's not over her, but she won't know that. But she does know that. And he knows she's not as over him as she's pretending to be. When life forces their hand this time, there's more on the line than a pile of poker chips. It's their forever. Crave is a second-chance standalone romance in a new small-town, blue-collar series from USA Today best-selling author Adriana Locke. Join listeners everywhere as they fall in love with the delicious Gibson Boys.
