Crazy for Birds Misha Maynerick

Blaise, 2020-04-07 An exuberant and vibrant illustrated exploration of birds and our relationships with them From the Common Swift, which can stay in the air continuously without landing for up to ten months at a time, to the tiny Goldcrest, Europe's smallest bird, which can lay a clutch of a dozen eggs in two weeks totaling one-and-one-half times its body weight, the class of animals we call birds is filled with incredible feats of beauty, intellect, and wonder. With enthralling facts, humorous anecdotes, and gorgeous artwork, artist Misha Blaise pays loving homage to these amazing beings that populate our

skies and share the planet with us. Using her own adoration of birds as a starting point to explore avian minutiae both strange and fascinating, Blaise winds through the interconnectedness between humans and our feathered friends, from the eccentric people who obsess about birds to the compelling ways people have integrated birds into culture throughout history, as well as our similar behaviors, kindred intelligence, and shared habitats. Thoughtful, philosophical, and delightful, *Crazy for Birds* pairs beautiful artwork with whimsical writing to explore the many wonders of birds, shedding light on our abiding connection with nature, the diversity of life, and the idiosyncrasy of the human psyche.

Angry Birds and Beehive Hair Nancy J.

Chovancek, 2014-03-31 "Chovancek (I Can Finally Hear Birds, 2013, etc.) covers territory similar to the turf once occupied by the late Erma Bombeck in this collection of humorous

sketches...Chovancek has a strong, clear, and for the most part, appealing voice. She is a suburban Everywoman: Her troubles are our troubles, her peeves are our peeves. An enjoyable collection of observations on some of the less-than idyllic aspects of suburban family life." – Kirkus Reviews Nancy takes us on a journey through her childhood years with an Italian/Polish upbringing, and continues through the triumphs and tribulations of her adulthood with sarcastic humor and grace. As we become immersed in Nancy's true-life story telling, it becomes obvious that she has a knack for humor in the most unexpected, yet highly relatable moments that we all share in life. Nancy takes us on a humorous and touching journey in which all stories have a common thread: Life's absurdities show us that we are not alone for this wild ride. Loving oneself for who you are and not what others want you to become is imperative. To quote William Shakespeare's "Hamlet", "This above all: To thine own self, be true."

Return of the Crazy Bird Clara Pinto-Correia, 2006-04-18 Using the history of the concept of extinction with the dodo as a case study, Pinto-Correia carefully weaves together story fragments to give a cohesive eye-opening view of 17th century exploration and the grave ramifications it had for the survival and extinction of many species. More importantly, she shows us the intellectual underpinnings of the old view that it was acceptable for some animals to die out. Within this narrative, we can see what the modern view of the dodo tells us about the history of our changing understanding and valuation of nature and our place in it. Strong writing, powered by lively historical anecdotes and sober insights into human behavior, makes this beautifully illustrated book a page-turner to the end.
