Crazy Beautiful Tera Davis, 2015-08-27 Crazy Beautiful is a book made up of a collection of just random thoughts. Each thought plays a vital role in my life. I write how I am feeling each and every day. As you read each thought from me, you begin to see a love story unfold. You will understand the ups and downs of life as I take you on the ride of your life. Thoughts transform into poems and then go back into thoughts, updates. Its a story within a story, and its absolutely crazy beautiful too. Its about an artist who paints with words.

Don't Date Crazy: The Phil-Am Dream Runs Into The American System DJDS, 2020-08-14 The tale of the immigrant in America is an old one. The names and faces change but the struggles of those who come seeking a new and better life are the same. In this story we have a hard working, tax paying, friendly young man from the Philippines. He found some trouble through faults of his own with a young woman, as young men are prone to do. But

then the American Justice system stepped in and through incompetence, stupidity, and self-righteous actions cost him his livelihood, freedom, and cost America a hard-working, tax paying, good member of society. I hope in small part to embarrass the people in the Justice system to self-reflection and modification of the rules that hide bad behavior and move to action those that have in the past tolerated it among their peers. If that does not happen, I hope this will be one of many calls to reform the system by the people of the United States to throw out those in office and positions of power who have for too long run a system of injustice pretending to be one of justice. And if some of those in power can be made to feel just a little shame for their actions and inactions, that will make me smile. Dedicated to those who see injustice and act.

I'm Not Crazy; I'm a Christian

Kat Merrigan, 2021-09-17 Kat Merrigan debunks and demystifies preconceived notions about what being a Christian is all about in this book. It poses questions such as: • If you've ever doubted God has a sense of humor, have you considered a penguin or a duck-billed platypus? • How do you determine who you really are? • Does being a Christian mean giving up everything? Her goal is to help bring clarity to what it means to follow the Lord and encourage readers to do some investigating of their own. Written from the viewpoint of someone who has been a dedicated Christian for more than twenty-five years, it is an honest, sometimes raw and emotional, but always sincere and hopeful exploration. There are many

humorous stories and anecdotes throughout as the author takes the reader along on her journey. Kat also celebrates those that have made a huge difference in her life, such as her sister-in-law, who stood by her side for more than thirty years. She was the one who demonstrated a consistent devotion and dedication to faith, which challenged the author to follow in her footsteps. Faith is a serious commitment and shouldn't be taken lightly, but it can also be where you find peace, joy, and even hope. All of those things should leave you with a smile on your face!
