People I Want to Punch in the Throat Jen Mann, 2014-09-09
NATIONAL BESTSELLER • A debut collection of witty, biting essays laced with a surprising warmth, from Jen Mann, the writer behind the popular blog *People I Want to Punch in the Throat*
People I want to punch in the throat: • anyone who feels the need to bling her washer and dryer • humblebraggers • people who treat their pets like children Jen Mann doesn't have a filter, which sometimes gets her in trouble with her neighbors, her fellow PTA moms, and that one woman who tried to sell her sex toys at a home shopping party. Known for her hilariously acerbic observations on her blog, *People I Want to Punch in the Throat*, Mann now brings her sharp wit to bear on suburban life, marriage, and motherhood in this laugh-out-loud collection of essays. From the politics of joining a play group, to the thrill of

mothers' night out at the gun range, to the rewards of your most meaningful relationship (the one you have with your cleaning lady), nothing is sacred or off-limits. So the next time you find yourself wearing fuzzy bunny pajamas in the school carpool line or accidentally stuck at a co-worker's swingers party, just think, What would Jen Mann do? Or better yet, buy her book. Praise for *People I Want to Punch in the Throat* "People I Want to Punch in the Throat is so good that it'll make you want to adopt all the cats in the world. I'm not sure about the correlation, but it's that good. It should come with a warning."—Jenny Lawson, author of *Let's Pretend This Never Happened* "Jen Mann has an amazing way of telling stories that will make you cringe and burst out laughing at the same time. From swinger parties to racist toddlers, she makes the suburbs unbelievably funny."—Karen Alpert, author of *I Heart My Little A-Holes* "Jen Mann says the things we're all too afraid to say. Her honest and hilarious writing style reminds me of David Sedaris and Tina Fey."—Robin O'Bryant, author of *Ketchup Is a Vegetable: And Other Lies Moms Tell Themselves* "Jen Mann's shrewd and unrelenting assault on the absurdity of suburban life is an honest peek into the occasional nightmare that is part of living the American dream. I love Jen. I wish she was my neighbor. It's so refreshing to know that I'm not the only one who wants to punch almost everyone in the f***ing throat."—Nicole Knepper, author of *Moms Who Drink And Swear*

Hyperbole and a Half Allie Brosh, 2013-10-29 #1 New York Times Bestseller "Funny and smart as hell" (Bill Gates), Allie Brosh's *Hyperbole and a Half* showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog *Hyperbole and a Half* the internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website

like, “The God of Cake,” “Dogs Don’t Understand Basic Concepts Like Moving,” and her astonishing, “Adventures in Depression,” and “Depression Part Two,” which have been hailed as some of the most insightful meditations on the disease ever written. Brosh’s debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn’t me wrote it—but I soon discovered that I’m not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me Stories about things that happened to other people because of me Eight billion dollars* Stories about dogs The secret to eternal happiness* *These are lies. Perhaps I have underestimated my sneakiness!

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough

discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

The Well-trained Mind Susan Wise Bauer, Jessie Wise, 2004

This book will instruct you, step by step, on how to give your child an academically rigorous, comprehensive education from preschool through high school. Two veteran home educators outline the classical pattern of education 'the trivium' which organizes learning around the maturing capacity of the child's mind: the elementary school grammar stage, the middle school

logic stage, and the high school rhetoric stage. Using the trivium as your model, you'll be able to instruct your child in all levels of reading, writing, history, geography, mathematics, science, foreign languages, rhetoric, logic, art, and music, regardless of your own aptitude in those subjects. Newly revised and updated, *The Well-Trained Mind* includes detailed book lists with complete ordering information; up-to-date listings of resources, publications, and Internet links; and useful contacts.

New York Magazine ,1992-05-18 *New York magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. We Beat the Street Sampson Davis,George Jenkins,Rameck Hunt,Sharon Draper,2006-04-20 Growing up on the rough streets of Newark, New Jersey, Rameck, George,and Sampson could easily have followed their childhood friends into drug dealing, gangs, and prison. But when a presentation at their school made the three boys aware of the opportunities available to them in the medical and dental professions, they made a pact among themselves that they would become doctors. It took a lot of determination—and a lot of support from one another—but despite all the hardships along the way, the three succeeded. Retold with the help of an award-winning author, this younger adaptation of the adult hit novel *The Pact* is a hard-hitting, powerful, and inspirational book that will speak to young readers everywhere.
