Ninja Panda Nona J. Fairfax,2016-10-07 .For many parents, curling up with a book for a bedtime story with their kid is a daily ritual. For others, it is the perfect time to spend time with their children after a busy day, and for some, it is something they should do but are not entirely sure why. Discover these benefits of bedtime stories for kids. Sharpen their brains Research shows that one of the greatest benefit of interacting with children, including reading to them stories, is that children learn a great deal of things- from improved logic skills to lowering their stress levels. Bedtime stories rewire the brain of a child and quicken their mastery of language. Their vocabulary repertoire is expanded and their listening and oral communication skills enhanced. Enhance creativity and Stimulate imagination If you are a good storyteller, then you should teleport your kid to a different realm- from reality to fantasy for the child to learn the difference between these two. This will enhance and stimulate his imagination. Emotion development The kid will learn to experience different emotions while empathizing with the characters of the story. The common emotions of sadness, happiness and anger may be encountered and he will learn to control these in real life.

Hammered Lili Valente,Pippa Grant, I didn’t mean to kidnap the groom. It was an accident. Mostly... At least I didn't take much time to plan it. It was more of a spur of the moment kidnapping. Does that count? One minute, the town’s bad boy is standing at the altar about to marry the world’s most evil kindergarten teacher. The next, he’s passed out in my Vespa sidecar with his bride hot on our tail. But I didn't have a choice! I couldn't stand by and watch Jace O’Dell be blackmailed into a loveless marriage. And besides, what’s a little kidnapping between friends? Okay, so maybe we’re not just friends... And maybe I can’t quit thinking about that night at his bar when he closed up early and had me on the rocks. And maybe this crazy stunt is going to blow up in both of our faces. If it does, I’m blaming the moonshine. Even though the only thing I’m hammered on when it comes to Jace is love—straight up, no chaser.
