Nineteen Eighty-Four George Orwell,2021-01-09 *Nineteen Eighty-Four: A Novel*, often published as 1984, is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, *Nineteen Eighty-Four* centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

Penguinaut! Marcie Colleen,2018-10-30 The story of a small penguin with a big dream that's out of this world! Orville lives at the zoo, surrounded by animal pals who go on exciting adventures. A hang gliding rhino! A deep-sea diving giraffe! Orville struggles to keep up, until one day he concocts an adventure all his own: build a spaceship and fly to the moon all by himself. Can one tiny penguin get there alone?Penguinaut is perfect for every child who's said, I can do it myself! and comes to find that the rewards are much richer when shared with friends. Marcie Colleen's playful text and Emma Yarlett's charming, whimsical illustrations are sure to delight both children and their parents.

Vanilla Mona Kabbani,2021-03-10 Who knew innocence could cause so much death? The cure for the sick is in the Devil's blood. He invests this magic in the children. One child's life saved in exchange for a sacrifice. And parents are eager to sacrifice. But what happens when the Devil comes across a child he cannot find the will to return? A child he wishes to keep. Vanilla sits in the concrete room-the one she has lived in since she can remember-and smiles when the Devil enters. She reaches her arms out, lets him cradle her against his chest, and calls him Daddy. Daddy fills her mind with nightmares of the Outside. With all its creatures, lurking, waiting to steal her from him. And she dreams of staying with him forever. But forever is infeasible. That is, until the Devil makes his own sacrifice. *Vanilla* is the dark, psychological novel debut from Mona Kabbani. Slated for publication on March 13th, 2021, the New Moon. About the Author Mona Kabbani is a horror fan, writer, and reviewer obsessed with psychology and the human condition. She emulates the conflict of the good versus the bad and all of the in between in her work while providing an entertainingly horrifying experience. She is a Lebanese immigrant living the American dream in New York City where much of her writing is inspired. You can follow her on Instagram @moralityinhorror for more and sign up to her mailing list on her website, www.moralityinhorror.com.

The Very Hungry Caterpillar Eric Carle,2016-11-22 The all-time classic picture book, from generation to generation, sold somewhere in the world every 30 seconds! Have you shared it with a child or grandchild in your life? For the first time, Eric Carle's *The Very Hungry Caterpillar* is now available in e-book format, perfect for storytime anywhere. As an added bonus, it includes read-aloud audio of Eric Carle reading his classic story. This fine audio production pairs perfectly with the classic story, and it makes for a fantastic new way to encounter this famous, famished caterpillar.

Southern Lady Code Helen Ellis,2019-04-16 A collection of essays that are like being seated beside the most entertaining guest at a dinner party (Atlanta Journal Constitution), from the New York Times bestselling author of *American Housewives* "Thank you Helen Ellis for writing down the Southern Lady Code so that others may learn." —Ann Patchett, bestselling author of *The Dutch House* Helen Ellis has a mantra: "If you don't have something nice to say, say something not-so-nice in a nice way." Say "weathered" instead of "she looks like a cake left out in the rain" and "I'm not in charge" instead of "they're doing it wrong." In these twenty-three raucous essays, Ellis transforms herself into a dominatrix Donna Reed to save her marriage, inadvertently steals a Burberry trench coat, avoids a neck lift, and finds a black-tie gown that gives her the confidence of a drag queen. While she may have left Alabama for New York City, Helen Ellis is clinging to her Southern accent like mayonnaise to white bread, and offering readers a hilarious, completely singular view on womanhood for both sides of the Mason-Dixon.

Raw Blue Kirsty Eagar,2009-06-29 Award-winning novelby Kirsty Eagar, author of *Saltwater Vampires* and *Night Beach*. *Raw Blue* was awardedthe 2010 Victorian Premier's Literary Awards Young Adult Fiction prize. Readersof Tim Winton's *Breath*will be drawn to *Raw Blue*, an achingly beautiful young adult novel set in Sydney's northern beaches.Winner of the 2010 Victorian Premier's Literary Awards, it is a haunting storyabout finding your passion in life. Carly has dropped out of uni to spend her days surfing and her nights working as a cook in a Manly cafe. Surfing is the one thing she loves doing ... and the only thing that helps her stop thinking about what happened two years ago. Then she meets Ryan and Carly has to decide.Will shelet the past bury her? Or can shelet go of her anger and shame, and find the courage to be happy? Check out Kirsty Eagar'swebsite at www.kirstyeagar.com,and read herblogto find out about her thoughts on books, writing, music, surfing, and finding inspiration, or visit

betweenthelines.com.au -the destination for Young Adult books. Praise for Raw Blue: 'Kirsty Eagar's fearless Raw Blue, a story of regeneration set on Sydney's northern beaches, is much more than just a promising debut: this one delivers.' Australian Book Review Best Books of 2009: Critics' Choices 'Kirsty Eagar's first novel explores dark territory with skill and sensitivity.' The Age 'An emotionally rich and powerful first novel.' Canberra Times 'If you only read one book this year ... it should be Kirsty Eagar's Raw Blue one of those kept-me-up-all-night novels that stays in your bones and sings in your ears long after you've finished it. It wouldn't be out of place next to Tim Winton's Breath, except this is the ocean as healer, not as an object to be conquered, or the site of self-destruction, of risk. The images crackle, the lines are full of the poetry of observation, the story is searing, gutting, beautiful. This should be compulsory reading for all teenagers especially boys.' julialawrinson.livejournal.com 'This is a psychologically intense novel that involves even non-surfing readers in the release Carly feels when conquering the waves we empathise with her in the long battle between desire and fear on the path to self-acceptance.' Magpies 'I read this book feverishly, desperate for a happy ending, and afterwards found it difficult to get Carly and the men who ride into her life out of my mind.' Newcastle Herald '[a] very moving book It's dark subject matter, but Eagar makes it uplifting.' Sunday Territorian 'A memorable first book by a writer who gives an honest approach to what young adults face growing up and growing wiser.' Woman's Day Read of the Week

The Aeneid Virgil,2009-04-01 Aeneas appears in The Illiad in vague snatches and starts as a traveling warrior of great piety who was loosely connected to the foundation of Rome. Virgil weaves these fragments into a powerful myth about the founding of Rome in The Aeneid. Aeneas travels from his native Troy to Italy then wages victorious war upon the Latins.

Boy Roald Dahl,2009-01-22 Find out where the bestselling author of Charlie and the Chocolate Factory and The BFG got all his wonderful story ideas in this autobiographical account of his childhood! From his own life, of course! As full of excitement and the unexpected as his world-famous, best-selling books, Roald Dahl's tales of his own childhood are completely fascinating and fiendishly funny. Did you know that Roald Dahl nearly lost his nose in a car accident? Or that he was once a chocolate candy tester for Cadbury's? Have you heard about his involvement in the Great Mouse Plot of 1924? If not, you don't yet know all there is to know about Roald Dahl. Sure to captivate and delight you, the boyhood antics of this master storyteller are not to be missed!

Managing for People Who Hate Managing Devora Zack,2012-08-27 Professional success, more often than not, means becoming a manager. Yet nobody prepared you for having to deal with messy tidbits like emotions, conflicts, and personalities—all while achieving ever-greater goals and meeting ever-looming deadlines. Not exactly what you had in mind, is it? Don't panic. Devora Zack has the tools to help you succeed and even thrive as a manager. Drawing on the Myers-Briggs Type Indicator, Zack introduces two primary management styles—thinkers and feelers—and guides you in developing a management style that fits who you really are. She takes you through a host of potentially difficult situations, showing how this new way of understanding yourself and others makes managing less of a stumble in the dark and more of a walk in the park. Her enlightening examples, helpful exercises, and lifesaving tips make this book the new go-to guide for all those managers looking to love their jobs again.

The Novel Cure Ella Berthoud,Susan Elderkin,2014-12-30 Delightful... elegant prose and discussions that span the history of 2,000 years of literature.—Publisher's Weekly A novel is a story transmitted from the novelist to the reader. It offers distraction, entertainment, and an opportunity to unwind or focus. But it can also be something more powerful—a way to learn about how to live. Read at the right moment in your life, a novel can—quite literally—change it. The Novel Cure is a reminder of that power. To create this apothecary, the authors have trawled two thousand years of literature for novels that effectively promote happiness, health, and sanity, written by brilliant minds who knew what it meant to be human and wrote their life lessons into their fiction. Structured like a reference book, readers simply look up their ailment, be it agoraphobia, boredom, or a midlife crisis, and are given a novel to read as the antidote. Bibliotherapy does not discriminate between pains of the body and pains of the head (or heart). Aware that you've been cowardly? Pick up To Kill a Mockingbird for an injection of courage. Experiencing a sudden, acute fear of death? Read One Hundred Years of Solitude for some perspective on the larger cycle of life. Nervous about throwing a dinner party? Ali Smith's There but for The will convince you that yours could never go that wrong. Whatever your condition, the prescription is simple: a novel (or two), to be read at regular intervals and in nice long chunks until you finish. Some treatments will lead to a complete cure. Others will offer solace, showing that you're not the first to experience these emotions. The Novel Cure is also peppered with useful lists and sidebars recommending the best novels to read when you're stuck in traffic or can't fall asleep, the most important novels to read during every decade of life, and many more. Brilliant in concept and deeply satisfying in execution, The Novel Cure belongs on everyone's bookshelf and in every medicine cabinet. It will make even the most well-read fiction aficionado pick up a novel he's never heard of, and see familiar ones with new eyes. Mostly, it will reaffirm literature's ability to distract and transport, to resonate and reassure, to change the way we see the world and our place in it. This appealing and helpful read is guaranteed to double the length of a to-read list and become a go-to reference for those unsure of their reading identities or who are overwhelmed by the sheer number of books in the world.—Library Journal

Hyperbole and a Half Allie Brosh,2013-10-29 #1 New York Times Bestseller “Funny and smart as hell” (Bill Gates), Allie Brosh's Hyperbole and a

Half showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog Hyperbole and a Half the internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website like, “The God of Cake,” “Dogs Don’t Understand Basic Concepts Like Moving,” and her astonishing, “Adventures in Depression,” and “Depression Part Two,” which have been hailed as some of the most insightful meditations on the disease ever written. Brosh’s debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn’t me wrote it—but I soon discovered that I’m not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me Stories about things that happened to other people because of me Eight billion dollars* Stories about dogs The secret to eternal happiness* *These are lies. Perhaps I have underestimated my sneakiness!

The Cool Impossible Eric Orton, 2014-05-06 Featured in the book Born to Run, running coach Eric Orton offers a guide for every runner... Natural running is more than barefoot running. It’s about the joy of running that we were all born with and can reawaken. With a program focused on proper form, strength development, and cardiovascular training, Orton will help beginners, competitors, and enduring veterans reach “the cool impossible”—the belief that any achievement, athletic or otherwise, is within our reach. Inside you’ll find: * Foot strength exercises for runners to catapult performance, combat injuries, and transform technique * A total-body-strength program designed for runners * Step-by-step run-form coaching for performance and lifelong healthy running * A training program for building endurance, strength, and speed * No-nonsense nutrition for runners * Visualization and mind-training tactics to run and live the Cool Impossible * And much more... ATHLETICISM IS AWARENESS—awareness of form and technique, awareness of our effort level, and, most important, awareness of what we think. And with that awareness comes the endless potential for mastery and achievement beyond anything you thought possible. INCLUDES PHOTOS

The Art of the Start Guy Kawasaki, 2004 A new product, a new service, a new company, a new division, a new anything - where there's a will, Kawasaki shows the way with his essential steps to launching one's dreams.

The Runaway Species David Eagleman, Anthony Brandt, 2017-10-10 This enlightening examination of creativity looks “at art and science together to examine how innovations . . . build on what already exists and rely on three brain operations: bending, breaking and blending” (The Wall Street Journal) The Runaway Species is a deep dive into the creative mind, a celebration of the human spirit, and a vision of how we can improve our future by understanding and embracing our ability to innovate. David Eagleman and Anthony Brandt seek to answer the question: what lies at the heart of humanity’s ability—and drive—to create? Our ability to remake our world is unique among all living things. But where does our creativity come from, how does it work, and how can we harness it to improve our lives, schools, businesses, and institutions? Eagleman and Brandt examine hundreds of examples of human creativity through dramatic storytelling and stunning images in this beautiful, full-color volume. By drawing out what creative acts have in common and viewing them through the lens of cutting-edge neuroscience, they uncover the essential elements of this critical human ability, and encourage a more creative future for all of us. “The Runaway Species approach[es] creativity scientifically but sensitively, feeling its roots without pulling them out.” —The Economist

Risk-Taking in International Politics Rose McDermott, 2001 Discusses the way leaders deal with risk in making foreign policy decisions

The Mushroom at the End of the World Anna Lowenhaupt Tsing, 2017-09-19 What a rare mushroom can teach us about sustaining life on a fragile planet Matsutake is the most valuable mushroom in the world—and a weed that grows in human-disturbed forests across the northern hemisphere. Through its ability to nurture trees, matsutake helps forests to grow in daunting places. It is also an edible delicacy in Japan, where it sometimes commands astronomical prices. In all its contradictions, matsutake offers insights into areas far beyond just mushrooms and addresses a crucial question: what manages to live in the ruins we have made? A tale of diversity within our damaged landscapes, The Mushroom at the End of the World follows one of the strangest commodity chains of our times to explore the unexpected corners of capitalism. Here, we witness the varied and peculiar worlds of matsutake commerce: the worlds of Japanese gourmets, capitalist traders, Hmong jungle fighters, industrial forests, Yi Chinese goat herders, Finnish nature guides, and more. These companions also lead us into fungal ecologies and forest histories to better understand the promise of cohabitation in a time of massive human destruction. By investigating one of the world's most sought-after fungi, The Mushroom at the End of the World presents an original examination into the relation between capitalist destruction and collaborative survival within multispecies landscapes, the prerequisite for continuing life on earth.

Deep Thoughts Jack Handey, 1996-09-05 A collection of inspirations for the uninspired, this work offers an antidote to the meaningful muses of the New Age. Designed for the natural born cynic, it contains thoughts on children, literature and losing your keys.

Billion-Dollar Ball Gilbert M. Gaul, 2016-09-06 “A penetrating examination of how the elite college football programs have become ‘giant entertainment businesses that happened to do a little education on the side.’”—Mark Kram, The New York Times Two-time Pulitzer-Prize-winning journalist Gilbert M. Gaul offers a riveting and sometimes shocking look inside the money culture of college football and how it has come to dominate a surprising number of colleges and universities. Over the past decade college football has not only doubled in size, but its elite programs have become a \$2.5-billion-a-year entertainment business, with lavishly paid coaches, lucrative television deals, and corporate sponsors eager to slap their logos on everything from scoreboards to footballs and uniforms. Profit margins among the top football schools range from 60% to 75%—results that dwarf those of such high-profile companies as Apple, Facebook, and Microsoft—yet thanks to the support of their football-mad representatives in Congress, teams aren’t required to pay taxes. In most cases, those windfalls are not passed on to the universities themselves, but flow directly back into their athletic departments. College presidents have been unwilling or powerless to stop a system that has spawned a wildly profligate infrastructure of coaches, trainers, marketing gurus, and a growing cadre of bureaucrats whose sole purpose is to ensure that players remain academically eligible to play. From the University of Oregon’s lavish \$42 million academic center for athletes to Alabama coach Nick Saban’s \$7 million paycheck—ten times what the school pays its president, and 70 times what a full-time professor there earns—Gaul examines in depth the extraordinary financial model that supports college football and the effect it has had not only on other athletic programs but on academic ones as well. What are the consequences when college football coaches are the highest paid public employees in over half the states in an economically troubled country, or when football players at some schools receive ten times the amount of scholarship awards that academically gifted students do? *Billion-Dollar Ball* considers these and many other issues in a compelling account of how an astonishingly wealthy sports franchise has begun to reframe campus values and distort the fundamental academic mission of our universities.

Kingdom's Dawn Chuck Black, 2009-04-23 A Riveting Medieval Parallel to the Bible Good and evil clash. Leinad and Cedric are determined to not only survive, but claim hope and victory! In *Kingdom's Dawn*, Leinad and Tess, along with all the king’s people, must escape slavery by the powerful Lord Fairos. *Kingdom's Hope* finds them free and arriving in the Chessington Valley. But when they forget the king, will Kergon and the Kessons capture them for good? After many years, *Kingdom's Edge* finds Cedric living a hopeless life until a stranger appears with powerful words of a new kingdom and a grand army. Finally, *Kingdom's Reign* marches you through the danger of earth’s last days as the evil dark knight threatens to defeat the prince once and for all. Swords, knights, and battles define these captivating tales that parallel biblical events from Genesis to Revelation! He’s just a young man, but that doesn’t change the truth. He was chosen... Sixteen-year-old Leinad thought he was a common farmer’s son, nothing more. He wondered why his father had trained him for years to master the sword—not exactly a tool of the trade for farmers—but one tragic event initiates a world of revelation. Only then does he begin to understand his calling—a calling no other man in the entire kingdom of Arrethtrae can fulfill—a calling given him by the King himself. Teamed with a young slave girl, Leinad is thrust into adversity and danger—for the Dark Knight and his vicious Shadow Warriors will stop at nothing to thwart the King’s plan to restore the kingdom. Leinad will need more than a sharp blade and a swift hand to fulfill his mission and survive the evil plots of the King’s sworn enemies! Journey to Arrethtrae, where the King and His Son implement a bold plan to save their kingdom; where courage, faith, and loyalty stand tall in the face of opposition; where good will not bow to evil—and the future of a kingdom lies in the hands of a young man. DISCUSSION QUESTIONS INCLUDED Story Behind the Book “When my six kids’ eyes glossed over during a reading from the Bible, I paused to explain the significance of redemption to a sin-sick soul. I was rewarded with patronizing elephant nods and more blank stares. Shortly thereafter, I awoke in the middle of the night with a medieval story enveloping my mind. I wrote it down and later read it to my children. Their waning attention transformed into complete anticipation. I was amazed and disappointed. Why did it take a fictional story, not a Bible passage, to get that response? Then I realized—that is how Jesus taught! Parables are powerful! I penned the *Kingdom* series to help young people get excited about the supremely significant story of Jesus Christ and His mission to save mankind.” — Chuck Black

The Missing Corpse Jean-Luc Bannalec, 2019-04-23 Roll over Maigret. Commissaire Dupin has arrived. —M.C. Beaton on *Death in Brittany* Very satisfying...along the lines of Martin Walker’s novels set in Dordogne, or M.L. Longworth’s Aix-en-Provence mysteries. —Booklist on *Murder on Brittany Shores* The *Missing Corpse* is internationally bestselling author, Jean-Luc Bannalec’s fourth novel in the Commissaire Dupin series. It’s picturesque, suspenseful, and the next best thing to a trip to Brittany. Along the picturesque Belon River, home of the world famous oyster beds, between steep cliffs, ominous forests and the Atlantic Ocean, a stubborn elderly film actress discovers a corpse. By the time Commissaire Dupin arrives at the scene, the body has disappeared. A little while later, he receives a phone call from the mystical hills of Monts d'Arree, where legends of fairies and the devil abound: another unidentified body has turned up. Dupin quickly realizes this may be his most difficult and confounding case yet, with links to celtic myths, a sand theft operation, and mysterious ancient druid cults.

Unveiling the Magic of Words: A Review of "Crazy Penguin Catapult 2 Free"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "Crazy Penguin Catapult 2 Free," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve to the book is central themes, examine its distinctive writing style, and assess its profound affect the souls of its readers.
