Pinball Jackie Haines,2022-02-24 During our lives, God often uses people who reach out in love and help to us during a difficult situation, as "Jesus with skin on." This assures us that our heavenly Father still is with us, caring for us and holding us close. In other situations, the Lord can use pets and other animals to accomplish the same goals. In this memoir, a very special gift from God came into my life as a starving, thirsty, flea-and-ear-mite-infested stray kitten. He grew into a handsome, affectionate big cat who became my "Jesus wrapped in fur." This kitty whom my husband had named Pinball was always there when I needed an extra touch of God's love and presence during the darkest moments of the most difficult and challenging decade of my life. Pinball seemed to understand and share my feelings; he seemed to feel my pain. He grieved along with me and then often gave me reasons to chuckle and welcome the sunshine and joy once again. I am absolutely convinced that God himself placed Pinball into my life at exactly this moment when I most needed to know for certain that God still loves me, is always holding me close, and can bring me triumphantly through life's deepest valleys as I hang on to His promises. A warm, soft, purring cat was a most comforting and healing medicine to soothe my broken heart and assure me that God is, indeed, good all the time, and I have grown stronger through all these experiences.

Half-Breed Phylly Smith,2010-03-08 Seventeen year old Lia always felt confused and unsure of herself, being half white and half black. With her Barbie-esque mother, Joan, in her own self-absorbed world, Lia always could rely on her dad, Liam, to make her smile. But now that he's dead, smiling won't happen often, if ever. To fulfill his last request, Lia and her mother continue the move to his childhood town, Wolf Falls. It's shadowy, frigid, and smells strangely of wet dog. Lia settles into the town with the help of Zev, her cute but peculiar neighbor. Instantly, she notices the strange looks and she's sure it's because of her biracial heritage. But Lia's destined to discover that her ethnicity isn't the problem. As she unravels the daunting secret about Wolf Falls, her neighbor, and herself Lia is forced to realize the truth that's helps her understand her true heritage.

**The Pinball Theory of Apocalypse** Jonathan Selwood,2007-07-24 For years, painter Isabel Raven has made an almost-living forging Impressionist masterpieces to decorate the McMansions of the not-quite-Sotheby's-auction rich. But when she serendipitously hits on an idea that turns her into the It Girl of the L.A. art scene, her career takes off just as the rest of her life heads south. Her personal-chef boyfriend is having a wild sexual dalliance with the teenage self-styled Latina Britney Spears. If Isabel refuses to participate in an excruciatingly humiliating ad campaign, her sociopathic art dealer is threatening to gut her like an emu. And her reclusive physicist father has conclusively proven that the end of the world is just around the corner. Now, with the Apocalypse looming—and with only a disaffected Dutch-Eskimo billionaire philanthropist and his dissolute thirteen-year-old adopted daughter to guide her—there's barely enough time remaining for Isabel to reexamine her fragile delusional existence . . . and the delusional reality of her schizophrenic native city.

Elevations Max McCoy,2018-02-28 The upper Arkansas River courses through the heart of America from its headwaters near the Continental Divide above Leadville, Colorado, to Arkansas City, just above the Kansas-Oklahoma border. Max McCoy embarked on a trip of 742 miles in search of the river's unique story. Part adventure and part reflection, steeped in the natural and cultural history of the Arkansas Valley, Elevations is McCoy's account of that journey. Going by kayak when he can--by Jeep, on foot, or by other means when he has to--McCoy takes us with him, navigating the Arkansas River as it reveals its nature and tests his own. Along the way, and when he isn't battling the current for his overturned kayak; braving a frigid Christmas Eve along the river; or joining the

search for a drowning victim, he steps out to explore the world beyond the river's banks. Here for instance is Camp Amache, where Japanese Americans were imprisoned during World War II. Here is Ludlow, where thirteen women and children died in a standoff between striking coal miners and the militia in 1914. Farther along we find Sand Creek, site of a massacre by US soldiers in 1864, and, uncomfortably close, Garden City, where white supremacists were charged with planning a terror attack on Somali refugees in 2016. Whether traveling back in time, pausing in the present, or looking forward, *Elevations* captures the Arkansas River in its thrilling moments and placid stretches, in its natural splendor and degradation at human hands. The book shows us the river as a flowing repository of human history and, in the telling of this gifted writer, as a life-changing experience.

*The Do-Nothing Boys* Tony Nesca,Ukiyoto Publishing,2019-04-30 About the Book *The Do-Nothing Boys* is a raucous tale of teenage rebellion recounting the exploits of a teenager named Ziggy, recently returned to Canada after a three year hiatus in his native country of Italy, and the group of friends that spontaneously gather around him. A result of parental divorce, he turns to sex, drugs and rock and roll and in the process discovers deep friendship, love, loss, disintegration, and the beautiful, sad and wondrous experience of living. Written in an incendiary and gritty stream of consciousness, the words cascade down the page in a free-flow waterfall of ideas and happenings, hallucinatory at moments with surreal jaunts of what Nesca himself calls "word music", but never straying far from the downright gritty and street-tough prose, laced throughout with a constant sexual/erotic underpinning. About the Author Tony Nesca was born in Torino, Italy in 1965 and moved to Canada at the age of three. He was raised in Winnipeg but relocated back to Italy several times until finally settling in Winnipeg in 1980. He taught himself how to play guitar and formed an original rock band playing the local bars for several years. At the age of twenty-seven he traded his guitar for a Commodore 64 and started writing seriously. He has published six chapbooks of stories and poems (which he used to sell straight out of his knapsack at local dives and bookstores), six novels, four books of poetry, one short story collection, and has been an active contributor to the underground lit scene for fifteen years, being published in innumerable magazines both online and in print. He currently resides in Winnipeg.
