Red Beard Santa's Biker Buddy Cathy Jarvis, 2013-07-22 The story has been told by Red Beard for many years about how one Christmas as Santa was checking his final plans for the big trip on Christmas Eve he find's out all his Raindeer are so sick they can't fly ! As Santa walks around North Pole Village thinking of some way he can deliver all the toy's the Elf's have been making all year. Suddenly Santa hear's a rumbling noise like thunder ,but it does not rain at the North Pole so Santa follows the rumble till he gets to Red Bread's Shop and walk's in . Inside he find's Red Beard and some of the other local biker's working on his bike. After talking for awhile it comes to Santa how he can still deliver all the toy's around the world tonight ,but it will take the help of Red Beard and his guy's to make it work ! As they all gather at the Toy Work Shop with their motor cycle's Santa tell's his plan .As the Elf's hook-up the bike's to Santa's Sled and load all the toy's up , Santa show's how the bike can fly and with Red Bread's help they were able to SAVE CHRISTMAS !

North Pole Santa Claus Guide John M. Chilson, 2017-04-17 If you are considering becoming a real Santa Claus or if you are an experienced Santa Claus who wants to go to the next level, then this book is for you and I want to help you... Shipping is additional from Amazon or CreateSpace. AND if you decide to attend one of my North Pole Santa Schools, you will save another \$10.00 when you bring your own copy of this book. Information on North Pole Santa School is at www.northpolemarketing.com. Click on NP Santa School in the top menu. The goal of this book and the North Pole Santa School is to help you become a GREAT Santa who

knows how to create a fun, memorable experience for children and their families. You may not agree with me 100% on everything and that is okay. We each must find our own way of portraying Santa Claus. But this guide will show you what I found that works best for me and just might help you. Many people think all it takes to be santa claus (with a small s and a small c) is to put on a red suit and a fake beard and say, ho ho ho. They are wrong! I can put on a green operating room outfit, complete with hair cover and shoe covers and a stethoscope but that doesn't make me a doctor and you sure don't want me taking out your appendix. Becoming a GREAT Santa Claus (large S and C) takes time to build up experience and training. Then there is the Performance Liability Insurance, annual back ground checks, good looking suits and more. If you are just beginning to wear the red suit, this school and book will help start you on your journey to becoming a GREAT Santa Claus. If you have been a Santa Claus for several years or more, this school and book may give you a new idea or two that will help you become a GREATER Santa Claus. So, welcome to the journey. I will be your mentor, guide and friend during this part of your trip. I hope we travel a long way together. If you have questions, you may contact me through my business Facebook page (North Pole Marketing) or email me directly at John@NorthPoleMarketing.com

Flipped Wendelin Van Draanen, 2003-05-13 A classic he-said-she-said romantic comedy! This updated anniversary edition offers story-behind-the-story revelations from author Wendelin Van Draanen. The first time she saw him, she flipped. The first time he saw her, he ran. That was the second grade, but not much has changed by the seventh. Juli says: "My Bryce. Still walking around with my first kiss." He says: "It's been six years of strategic avoidance and social discomfort." But in the eighth grade everything gets turned upside down: just as Bryce is thinking that there's maybe more to Juli than meets the eye, she's thinking that he's not quite all he seemed. This is a classic romantic comedy of errors told in alternating chapters by two fresh, funny voices. The updated anniversary edition contains 32 pages of extra backmatter: essays from Wendelin Van Draanen on her sources of inspiration, on the making of the movie of *Flipped*, on why she'll never write a sequel, and a selection of the amazing fan mail she's received. Awards and accolades for *Flipped*: SLJ

Top 100 Children's Novels of all time IRA-CBC Children's Choice IRA Teacher's Choice Honor winner, Judy Lopez Memorial Award/WNBA Winner of the California Young Reader Medal "We flipped over this fantastic book, its gutsy girl Juli and its wise, wonderful ending." — The Chicago Tribune "Van Draanen has another winner in this eighth-grade 'he-said, she-said' romance. A fast, funny, egg-cellent winner." — SLJ, Starred review "With a charismatic leading lady kids will flip over, a compelling dynamic between the two narrators and a resonant ending, this novel is a great deal larger than the sum of its parts." —Publishers Weekly, Starred review
