**The Credit Card Guidebook** Bill Hardekopf, John Oldshue, Lynn Oldshue, 2008-08-11 The Credit Card Guidebook simplifies all the facets of the credit card industry. Learn how to find the right card for you; how to decipher the confusing Terms and Conditions of a card; how to get started with no credit; and how you can make money off your credit cards. This book is written by Bill Hardekopf, John Oldshue & Lynn Oldshue, the owners of LowCards.com, the #1 rated Internet resource for credit card information. LowCards.com simplifies the confusion of shopping for credit cards. It is a free, independent website that helps consumers easily compare all the credit cards offered in the United States in a variety of categories such as lowest rates, rewards, rebates, balance transfers and lowest introductory rates. It also gives an unbiased ranking and review for each card.

**Making the Most of Your Money Now** Jane Bryant Quinn,2009-12-29 Named the best personal finance book on the market by Consumers Union, Jane Bryant Quinn's bestseller **Making the Most of Your Money** has been completely revised and updated to provide a guide to financial recovery, independence, and success in the new economy. Getting your financial life on track and keeping it there -- nothing is more important to your family and you. This proven, comprehensive guidebook steers you around the risks and helps you make smart and profitable decisions at every stage of your life. Are you single, married, or divorced? A parent with a paycheck or a parent at home? Getting your first job or well along in your career? Helping your kids in college or your parents in their older age? Planning for retirement? Already retired and worried about how to make your money last? You'll find ideas to help you build your financial security here. Jane Bryant Quinn answers more questions more completely than any other personal-finance author on the market today. You'll reach for this book again and again as your life changes and new financial decisions arise. Here are just a few of the important subjects she examines: • Setting priorities during and after a financial setback, and bouncing back • Getting the most out of a bank while avoiding fees • Credit card and debit card secrets that will save you money • Family matters -- talking money before marriage and mediating claims during divorce • Cutting the cost of student debt, and finding schools that will offer big merit scholarships to your child • The simplest ways of pulling yourself out of debt • Why it's so important to jump on the automatic-savings bandwagon • Buying a house, selling one, or

trying to rent your home when buyers aren't around • Why credit scores are more important than ever, plus tips on keeping yours in the range most attractive to lenders • Investing made easy -- mutual funds that are tailor-made for your future retirement • What every investor needs to know about building wealth • How an investment policy helps you make wise decisions in any market • The essential tax-deferred retirement plans, from 401(k)s to Individual Retirement Accounts -- and how to manage them • How to invest in real estate at a bargain price (and how to spot something that looks like a bargain but isn't) • Eleven ways of keeping a steady income while you're retired, even after a stock market crash • Financial planning -- what it means, how you do it, and where to find good planners Page by page, Quinn leads you through the pros and cons of every decision, to help you make the choice that will suit you best. This is the single personal-finance book that no family should be without.
