**US Army Special Forces 1952-84** Gordon L. Rottman,2012-09-20 From its very inception the United States Army Special Forces has been enmeshed in controversy, its mission misunderstood to varying degrees, and its very existence opposed by some of the Army hierarchy. Nevertheless it continues to serve in a highly specialised role in all manner of differing conditions. There can be few better qualified to chronicle the history of this unique organisation than former Special Forces Group weapons specialist Gordon Rottman, whose expert knowledge is clearly evident in this authoritative text. **World Football Club Crests** Leonard Jägerskiöld Nilsson,2018-11-15 An illustrated exploration

of the design, meaning and symbolism of world football club crests. Why is there a devil shown on the crest of Manchester United? Which club's crest motto is 'To Dare Is To Do'? And whose emblem depicts a bear and a strawberry tree? From the seahorses of Newcastle United to the royal crown of Real Madrid, via the riveting hammers of West Ham United, Valencia's famous bat design and German club St Pauli's unofficial skull-and-crossbones emblem, there is a story behind every crest, a tale of identity. Covering more than 200 clubs from 20 different leagues, World Football Club Crests explores the design, meaning and symbolism of the game's most famous club crests to reveal why the badges look as they do. This carefully curated collection charts the continuing evolution of the designs and describes the changing styles, varied influences and remarkable controversies that have shaped football's most iconic crests. These important symbols of football heraldry will never be viewed in the same way again.
