Times Online Kids these days are all fat, lazy and thick and their parents don't know how to bring them up properly any more. They're glued to their phones, play too many violent computer games, communicate only in text-speak and as a result have no imagination or any 'proper' old-fashioned fun like we did when we were children. From skimming stones to starting fires, he remind us of the harsh and often high-risk, homemade games of our wild youth, and leaves us wondering how we ever survived.
