- 📖 [CRICKET BETTING AND THE FAKE ICC WORLD CUP 2023](#) Atul Kumar, 2023-12-18 Around the sixteenth century, the mankind took more than 100 years to overcome its hardened belief that the sun revolved round the earth. In modern times, the fact, that all the cricket we see is institutionally fixed and scripted like a puppet show, lies scientifically proved and publicly exposed since 2013. Yet, like in the 16th century, the totally false notion of natural cricket continues to persist among the masses. It is reinforced more by the vested interests. Strangely enough, even the best minds around fail to comprehend the reality which is not much difficult to perceive. This book will help the readers a long way in grasping the explosive truth through knowledge of cricket betting.

- 📖 [BEYOND A BOUNDARY](#) Cyril Lionel Robert James, 1993 In C. L. R. James's classic Beyond a Boundary, the sport is cricket and the scene is the colonial West Indies. Always eloquent and provocative, James--the black Plato, (as coined by the London Times)--shows us how, in the rituals of performance and conflict on the field, we are watching not just prowess but politics and psychology at play. Part memoir of a boyhood in a black colony (by one of the founding fathers of African nationalism), part passionate celebration of an unusual and unexpected game, Beyond a Boundary raises, in a warm and witty voice, serious questions about race, class, politics, and the facts of colonial oppression. Originally published in England in 1963 and in the United States twenty years later (Pantheon, 1983), this second American edition brings back into print this prophetic statement on race and sport in society.
- 📖 [SH?#! HAPPENS](#) John Turzer, 2017-11-07 Both John and Leslie enjoy traveling. While raising their family, Hawaii was a popular getaway destination. They have traveled to Australia, New Zealand, Fiji, all across the United States and Europe. For the past few trips, it seems like Sh?#! Happens wherever they travel. What started out as daily Facebook posts to family and friends is now documented in this exciting, make you laugh, I cannot believe that happened book.

- 📖 [DRIVEN](#) Vijay Lokapally, 2023-11-18 Virat Kohli, the undisputed monarch of the cricket world today, is no stranger to loss. His biggest support both on and off the field--his father Prem Kohli--succumbed to a cerebral stroke when Virat was only 18 years old. In a fitting tribute that would've made his father proud, Virat returned to the field to continue an innings just a few hours after his father passed away. In Driven, Vijay Lokapally recounts happier times in the journey of Virat's rapid rise to international stardom--an account punctuated with little-known stories from fellow players, coaches, and intimates. Virat is already the recipient of countless accolades including the Arjuna Award, the Padma Shri, India's highest sporting honour--Major Dhyan Chand Khel Ratna, the title of BCCI's 'International Cricketer of the Year' as well as the ICC's 'ODI Cricketer of the Decade'. But for him, it's not about the fame or the money, or the roar of the crowds. Few know of his altruistic nature and his dedication to numerous charities for underprivileged children. What has not escaped the public eye though, is how this wizard of the willow wears his heavy mantle with such insouciant ease. In this revised and updated World Cup edition, readers can now delve deeper into Virat Kohli's cricketing journey with two new chapters, including one dedicated to his performance in the World Cups. Additionally, this edition features new images that offer a visual insight into his career, and an entertaining statistics section that provides fascinating cricketing statistics and records.
