*Cross Stitch Cats* Richard Box, Sue Fielding, 2000-02-01 Richard Box presents 23 projects for all abilities, complete with step-by-step instructions, charts, and color photographs. After a comprehensive section on materials and techniques, the chapters which follow introduce 12 different cats featuring several inspiring projects: both the main embroidery and a detail which can be used in an accessory such as a cushion, bag, or paperweight. The designs are worked in a variety of threads and color schemes, and each one is accompanied by the original full-color painting, design considerations, detailed instructions, black and white and color charts, and color photographs. The 23 designs range from beginner level to advanced, and feature a variety of cat breeds, from the fiery orange of Ginger the kitten to the grey and violet tones of Jenks, the Maine Coon cat.

**Cross Stitch with Cattitude** Emma Congdon, 2023-10-31 The cats have spoken... If you humans insist on doing your stitchy hobby rather than give us your full attention, the very least you could do is make it about us cats. A book in our honour might suffice. Luckily for you Cross stitch with Cattitude is here, a book packed with 20 fresh, sassy and snarky designs celebrating us feisty felines and all of our delightful(!) quirks, and all from best-selling cross stitch designer and bonafide cat lady, Emma Congdon. Cat approved sentiments include: I Hate You the Least; You Work, I Watch and Judge; Feed Me and Tell Me I'm Pretty; How About No; Show Me Your Kitties; Boys Whatever, Cats Forever; Hiss Off; and many more. Easy-to-follow full-colour charts, step-by-step instructions on all the techniques, and a gifty package make this the ideal (dare we say, purrfect?) book for beginners upwards as well as anyone fortunate enough to be owned by one of us cats. **Stitch 50 Cats** Alison J Reid, 2021-07-27 Be the cat that got the cream with this feline collection of easy sewing patterns for the cutest cat designs, all made using simple hand-sewing techniques. Featuring the most popular and distinctive breeds – including long-haired, short-haired, hairless and even big cats – each pussycat pattern comes with step-by-step instructions and full-size templates, making them purrrfect for all abilities. The finished little kitties would make cute brooches, bag charms and home accessories, or can even be scaled up to make bigger plushes, all of which will make your cat-loving friends have kittens! Cats? But they're all the same, aren't they? Well, no not really! When you start to explore the many different breeds of cats, you realise just what a variety of breeds there is, and how different they are from each other. Author Alison J Reid has spent months beaver away in her studio, researching all different kinds of cats, both domestic and wild. She has checked out their colourings and markings, and spent so much time trying to perfect their colourful, beautiful eyes. It became an obsession! It was only by researching the various details that make each breed so distinctive, that Alison has been able to capture each of their unique qualities and differences. Pattern, colour and shape are key, so capturing these details in felt was important. Luckily, there are so many different colours of felt available, including fur-like mottled effects. Felt's non-fraying, double sided, robust qualities make it easy to create all the little details that make each cat breed so unique and instantly recognisable. She has also used small amounts of wool curls and roving to add texture for truly strokable results. Each cat pattern can be traced straight from the page (or enlarged if you want to sew a larger plush), and simple instructions mean that even beginners can get started. And because all the cats are sewn by hand, you don't need a sewing machine and can sit on the sofa with your cat while you sew. Whether you choose to sew just your own favourites, or make cats for the other crazy cat people in your life, this book will provide hours of fun and inspiration.
