**Crossing Lines** Paul Volponi, 2011-06-09 Adonis is a jock. He's on the football team and he's dating one of the prettiest girls in school. Alan is the new kid. He wears lipstick and joins the Fashion Club. Soon enough the football team is out to get him. Adonis is glad to go along with his teammates . . . until they come up with a dangerous plan to humiliate Alan. Now Adonis must decide whether he wants to be a guy who follows the herd or a man who does what's right. From critically acclaimed author Paul Volponi comes this discussable and finely wrought story of bullies, victims, and the bystanders caught in between.

*The Lines We Cross* Randa Abdel-Fattah, 2017-05-09 A remarkable story about the power of tolerance from one of the most important voices in contemporary Muslim literature, critically acclaimed author Randa Abdel-Fattah. Michael likes to hang out with his friends and play with the latest graphic design software. His parents drag him to rallies held by their anti-immigrant group, which rails against the tide of refugees flooding the country. And it all makes sense to Michael. Until Mina, a beautiful girl from the other side of the protest lines, shows up at his school, and turns out to be funny, smart -- and a Muslim refugee from Afghanistan. Suddenly, his parents' politics seem much more complicated. Mina has had a long and dangerous journey fleeing her besieged home in Afghanistan, and now faces a frigid reception at her new prep school, where she is on scholarship. As tensions rise, lines are drawn. Michael has to decide where he stands. Mina has to protect herself and her family. Both have to choose what they want their world to look like.

**To Cross a Line** Karen Ray, 1995 In 1938, after a minor traffic accident, seventeen-year-old Egon Katz joins an increasing number of German Jews desperately trying to find a way out of the country.

*Crossing the Lines We Draw* Matthew Tennant, 2020 In a society increasingly divided along political, theological, cultural, and racial lines, lines that we have drawn to separate us from them, the Christian church is not exempt. How can we respond to the division in the world around us when we are too often polarized ourselves? Pastor and scholar Matthew Tennant offers scriptural insights for developing strategies that will equip people of faith to cross the lines in meaningful dialog within their congregations and in the communities where they live, work, and minister to others--

*Crossing Lines* Jane C. Rain, 2021-01-23 Mila Lyne, a published author and introvert by heart, always took the safe route. Having gone through a

series of traumatic events, she now tries to stay out of the public eye to avoid any attention brought to her or her family... But then fate strikes, and she literally stumbles into Hayden's arms. Hayden Cross, star quarterback and L.A.'s most eligible bachelor, has always followed his dreams. His extraordinary lifestyle is the complete opposite of what Mila needs, but Hayden wouldn't be Hayden if he didn't chase what he wants. And right now, it's the mysterious brunette who accidentally grabbed his phone. With only the power of words on a display, the unlikely pair develops a connection that is stronger than it should be; One that has an unforeseeable impact on both Hayden's and Mila's life. The question is: Will life and secrets get in the way, or are they strong enough to withstand the obstacles they're about to face? A story about love, life, and an important realization: Don't judge a book by its cover. [Mature 18]] This story contains mature scenes and depictive mentions of social anxiety and is thus qualified as suitable for readers above the age of eighteen. A unique take on opposites attract. *Crossing Lines* is a complex and well-crafted romance; a perfect blend of raunch and emotional intensity with an important social message at the heart of it. The author does a spectacular job illustrating the imperfections of a strikingly relatable protagonist and the realism of constant spotlight, with love and devotion centering it. A must-read!- Aviana M.

***Crossing Lines*** Patricia Ann Butler, 2010-06-15 People cross in and out of situations, emotions, and the lives of others through fate or planning. The characters in this book cross physical, mental, and emotional boundaries that confirm the premise: Everything happens for a reason. Set in the Adirondacks and Niagara Falls of today, worlds collide and mesh, childhood friends lose innocence through fate and folly.

*Crossing Bar Lines* James Gordon Williams, 2021-03-01 In *Crossing Bar Lines: The Politics and Practices of Black Musical Space* James Gordon Williams reframes the nature and purpose of jazz improvisation to illuminate the cultural work being done by five creative musicians between 2005 and 2019. The political thought of five African American improvisers—trumpeters Terence Blanchard and Ambrose Akinmusire, drummers Billy Higgins and Terri Lyne Carrington, and pianist Andrew Hill—is documented through insightful, multilayered case studies that make explicit how these musicians articulate their positionality in broader society. Informed by Black feminist thought, these case studies unite around the theory of Black musical space that comes from the lived experiences of African Americans as they improvise through daily life. The central argument builds upon the idea of space-making and the geographic imagination in Black Geographies theory. Williams considers how these musicians interface with contemporary social movements like Black Lives Matter, build alternative institutional models that challenge gender imbalance in improvisation culture, and practice

improvisation as joyful affirmation of Black value and mobility. Both Terence Blanchard and Ambrose Akinmusire innovate musical strategies to address systemic violence. Billy Higgins's performance is discussed through the framework of breath to understand his politics of inclusive space. Terri Lyne Carrington confronts patriarchy in jazz culture through her Social Science music project. The work of Andrew Hill is examined through the context of his street theory, revealing his political stance on performance and pedagogy. All readers will be elevated by this innovative and timely book that speaks to issues that continue to shape the lives of African Americans today.

Can he find his way back to being a good guy for her? There's a fine line between right and wrong. BLURRED LINE As a CIA officer, Silas Steele had no problem crossing lines others wouldn't...except for treason. Then he met Kira Petrova, a Russian spy on American soil. That clear line between good and evil blurred, and he realized in order to protect his country, he'd have to betray it first. HARD LINE When she left me, I didn't try to stop her. But I never let her go. Now she's in trouble, and I'll do whatever it takes to prove she needs me again. This time around, she won't be the one who got away.

*Crossing the Lines* Melvyn Bragg, 2012-01-01 Following *The Soldier's Return*, heralded as "a novel written in fine steel sentences and granite paragraphs" by the Washington Post, and the equally brilliant *A Son of War*, Melvyn Bragg brings "one of the finest sagas of postwar Britain" (London Sunday Telegraph) to a stunning conclusion. Set in the 1950s, this absorbing novel follows the intertwined fates of people crossing boundaries in their lives. Alive with a wide cast of characters, *Crossing the Lines* vividly portrays the spirit and atmosphere of the mid-century and the profound changes taking place at the time, in morals, religion, music, and social class. Moving and evocative, this masterly novel and the two that have preceded it are rightfully hailed as contemporary classics.

*Crossing the Line* Tia Fisher, 2023-03-30 SHORTLISTED FOR THE YOTO CARNEGIE MEDAL 2024. 'Do you feel safe?' A powerful novel exploring how teenagers can be swept up into county lines. Erik's life has been falling apart ever since his dad died. Homework and being good at school stop

feeling important when you're the new man of the house. When Erik's bad behaviour attracts the wrong crowd, he's sucked into a terrifying new world of drug dealing, trap houses and violence. Making money feels good but Erik soon learns that a small favour can become a huge debt. And when his sisters' lives are threatened, Erik will have to cross one more line to save them. Written in stunning verse, this is a poignant story about seeking safety and asking for help in times of crisis.

The Lines Between Us Lawrence Lanahan, 2019-05-21 A masterful narrative—with echoes of *Evicted* and *The Color of Law*—that brings to life the structures, policies, and beliefs that divide us Mark Lange and Nicole Smith have never met, but if they make the moves they are contemplating—Mark, a white suburbanite, to West Baltimore, and Nicole, a black woman from a poor city neighborhood, to a prosperous suburb—it will defy the way the Baltimore region has been programmed for a century. It is one region, but separate worlds. And it was designed to be that way. In this deeply reported, revelatory story, duPont Award-winning journalist Lawrence Lanahan chronicles how the region became so highly segregated and why its fault lines persist today. Mark and Nicole personify the enormous disparities in access to safe housing, educational opportunities, and decent jobs. As they eventually pack up their lives and change places, bold advocates and activists—in the courts and in the streets—struggle to figure out what it will take to save our cities and communities: Put money into poor, segregated neighborhoods? Make it possible for families to move into areas with more opportunity? *The Lines Between Us* is a riveting narrative that compels reflection on America's entrenched inequality—and on where the rubber meets the road not in the abstract, but in our own backyards. Taking readers from church sermons to community meetings to public hearings to protests to the Supreme Court to the death of Freddie Gray, Lanahan deftly exposes the intricacy of Baltimore's hypersegregation through the stories of ordinary people living it, shaping it, and fighting it, day in and day out. This eye-opening account of how a city creates its black and white places, its rich and poor spaces, reveals that these problems are not intractable; but they are designed to endure until each of us—despite living in separate worlds—understands we have something at stake.

Crossing State Lines Bob Holman, Carol Muske-Dukes, 2011-03-29 In the tradition of Japanese linked verse, American poets offer thoughts on a moment in America in ten lines and often respond to one another, in a poetic conversation that covers foreclosures, unemployment, and Afghanistan.

Neighborliness David Docusen, 2022-03-15 Do you want to love your neighbor as yourself but don't know where to start? This practical, accessible

guide to bridging the dividing lines of politics, race, and economics, both individually and as the church, will help you amplify Jesus in your community and build God's kingdom. When asked what the greatest commandment is, Jesus gave a two-part answer: "Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength" and also "Love your neighbor as yourself." Love God. Love others. Jesus' simple command to love your neighbor can feel overwhelming when your neighbor looks, lives, and votes differently than you do. Racial and economic tensions across the country have resulted in deep dividing lines that seem really intimidating to cross. Docusen breaks down these lines in approachable chapters, including topics like these: how to actively seek out people you can benefit and encourage, what it means to find a diverse and supportive community that fulfills needs, examples of real-life experiences, including highlights and missteps of Docusen's ongoing journey, and how churches can teach on difficult topics with grace and truth. Neighborliness is a practical guide to bridging those dividing lines and learning to recognize and amplify the beauty of God in our communities. Backed by David's speaking and training through the Neighborliness Center, this book will help individuals and churches reach out to their neighbors, love them through Christ, and build God's kingdom.

*Crossing Lines* KD. Williamson, 2016-04-20 Nora Whitmore has been through the ringer both professionally and personally. Now, her life is more than she ever thought it could be, especially with Kelli McCabe in it. The walls have come down, and she is open to new people and experiences. Kelli McCabe watched all the broken pieces of her life come together. The situation with her family settled down, and she's right where she wants to be back at work and in Nora's arms. For both of them, this quiet time is just the devastating calm before the massive storm hits and brings with it the violence of a vengeful enemy and the reality of drug abuse. The chaos surrounding them exposes old wounds and individual vulnerabilities that seem to multiply when they are together. Is it too much for them to withstand? Or is what they have strong enough to overcome it all?

*The Lines We Cross* S. A. Bailey, 2013-07 All Jeb Shaw wants out of Dallas is to reconnect with his family and enjoy a nice, quiet high lonesome in a dark bar. He has heavy things to contemplate while recharging his long-drained batteries-some much needed and well-deserved R&R. It's going better than expected...until violence interrupts his minor binge, embroiling those around him in a conspiracy spread across all lines of class, age, and race. A conspiracy generations in the making... He doesn't want any part of it. He didn't come home for this. These things aren't supposed to happen here.

Color Outside the Lines Sangu Mandanna, 2019 *Color Outside the Lines* brings together diverse, talented YA voices, including Samira Ahmed, Adam Silvera, Anna-Marie McLemore, Lori Lee, and Elsie Chapman, to reflect on interracial relationships. While focusing predominantly on POC voices, the anthology also includes LGBTQ+, religious, minority, and disability intersectionality, and its stories range in tone and genre, from light-hearted contemporary to darker fantasy.

*Fault Lines* Meena Alexander, 2020-11-17 In this evocative memoir, an acclaimed Indian poet explores writing, memory, and place in a post-9/11 world. Passionate, fierce, and lyrical, *Fault Lines* follows one woman's evolution as a writer at home—and in exile—across continents and cultures. Meena Alexander was born into a privileged childhood in India and grew into a turbulent adolescence in the Sudan, before moving to England and then New York City. With poetic insight and devastating honesty, Alexander explores how trauma and recovery shaped the entire landscape of her memory: of her family, her writing process, and her very self. This new edition, published on the two-year anniversary of Alexander's passing in 2018, will feature a commemorative afterword celebrating her legacy. Alexander's writing is imbued with a poetic grace shot through with an inner violence, like a shimmering piece of two-toned silk. —Ms. Magazine Evocative and moving. —Publishers Weekly “One of the most important literary voices in South Asian American writing and American letters broadly writ, Meena Alexander's close examination of exile and migration lays bare the heart of a poet.” —Rajiv Mohabir, author of *The Cowherd's Son*
