The Beginner's Crossword Dictionary Stanley Newman, 2019-01-15 This is more than just a crossword dictionary: it helps beginners learn the most often-used words in crosswords (and their clues) and shows them how to avoid common tricks and traps. With this book, beginner crossword solvers can learn the ropes and quickly improve their puzzle skills. In addition to an alphabetical list of the most common crossword entries, based on an exhaustive analysis of published puzzle grids, it includes explanations of each answer with helpful details, a list of frequent clues, and tips on overcoming ploys to throw you off. (For instance, if you see the clue Quarrel and have most of the word filled in—S P A _—be careful before writing down that last letter, because the answer could be SPAR or SPAT.) Once you learn your crossword ABCs, you'll complete the grids with confidence.

The Crossword Puzzler's Handbook Cider Mill Press,2008-09-02 Crossword

addicts are always in search of a new and better tool to boost their solving skills—and the answer's not yet another dictionary. This handbook is something a lot more valuable: a comprehensive compilation of "cross weirds." These are the words we don't often hear in general conversation, but they do tend to pop up in crosswords frequently, either because they use the most common letters of the alphabet or are featured in some of the most popular subjects. So it's fantastically helpful when you need to figure out who starred in that 1933 film or name an island in the Central Philippines. Organized by subject, this collection is broken down into three sections: People, Places, and Things. You'll find invaluable clue-solvers in such categories as Abstract Ideas; Actors and Actresses; Adjectives; Bodies of Water; Cities and Towns; Folklore; Foreign Words; Health, Medical Care, and Sickness; Music; Transportation; and many, many more. You can either use this as a reference when an answer's on the tip of your tongue (but you just can't get it), or as a handy study guide. The sturdy reinforced binding will keep it in great shape for years of service—and the small size makes it perfect to take anywhere!
