Solitaire Henry Hoffman,2022-08-23 During the course of his search for a missing man living off the grid in a remote stretch of the Sierra Nevada foothills, private investigator Adam Fraley suddenly finds himself the target of a deranged sniper who is determined to take him out. Behind the attempted execution is a mysterious mastermind who fears Fraley's probing will uncover a link between the man he is in search of and a lucrative underground drug-trafficking scheme. Coming to the aid of Fraley in his hour of need is an unexpected friend who appears out of nowhere to help guide the private detective through the harrowing encounter. Meanwhile, all of this is played out against the backdrop of a great American tragedy that occurred over a century ago, one that holds a direct tie to the case at hand.

**Catherine Breillat** Douglas Keeseey,2016-05-16 This is the first English-language book on controversial female director Catherine Breillat, whose films include Romance, A ma soeur! (Fat Girl), Anatomy of Hell and The Last Mistress. This volume explores the director's complex relation to religion and to feminism, and it examines the differences between Breillat's films and patriarchal pornography, engaging in detailed analysis of her intimate scenes between men and women. Keeseey also discusses the literature, films, paintings and photos that have influenced Breillat's work, and extends this to show how Breillat's films have influenced other filmmakers and artists in turn. A lively and accessible introduction, this book will appeal to students and researchers, as well as all those with an interest in gender studies, French film and contemporary cinema.

La Danse de la réalité Alexandro Jodorowsky,2013-12-01 « M'étant séparé de mon moi illusoire, j'ai cherché désespérément un sentier et un sens pour la vie. » Cette phrase définit parfaitement le projet biographique d'Alexandro Jodorowsky : restituer l'incroyable aventure et quête que fut sa vie. Né au Chili en 1929, c'est en effet un homme et un artiste aux mille facettes. Chantre de l'expansion de conscience, poète, romancier, comédien, fondateur du « théâtre panique » avec Arrabal, réalisateur notamment de films cultes tels que *El Topo* et *La Montagne sacrée*, scénariste de célèbres bandes dessinées comme *L'Incal*, Jodorowsky a aussi élaboré deux techniques thérapeutiques : la psychomagie, qui renvoie les faits quotidiens à des modèles mythiques, et la psychogénéalogie, qui agit sur les héritages psychologiques familiaux. Il brosse ici la fresque d'une existence qui exalte, au-delà de toute mesure, les potentialités de l'être dans le but de repousser les limites de l'imaginaire et de la raison, et d'éveiller le capital de transformation et de vie qui se trouve en chacun de nous.

**Desert Solitaire** Edward Abbey,2011-08-21 This memoir of life in the American desert by the author of *The Monkey Wrench Gang* is a nature writing classic on par with Rachel Carson's *Silent Spring*. In *Desert Solitaire*, Edward Abbey recounts his many escapades, adventures, and epiphanies as an Arches National Park ranger outside Moab, Utah. Brimming with arresting insights, impassioned arguments for wilderness conservation, and a

raconteur's wit, it is one of Abbey's most critically acclaimed works. Through stories and philosophical musings, Abbey reflects on the condition of our remaining wilderness, the future of a civilization, and his own internal struggle with morality. As the world continues its rapid development, Abbey's cry to maintain the natural beauty of the West remains just as relevant today as when this book first appeared in 1968.

Cruel as the Grave Sharon Kay Penman, 2010-10-22 April 1193. England's King Richard Lionheart languishes in a German prison, and treason scents the air. Richard's younger brother, John, seizes Windsor Castle, and Dowager Queen Eleanor of Aquitaine summons her trusted personal queen's man, Justin de Quincy, to do the impossible - mediate a truce with her rebel son. Amid such fateful events, the murder of a Welsh peddler's daughter seems small. But the cruel demise of the beautiful Melangell so troubles Justin that not even a threatened French invasion can keep him from investigating her death. Yet can he bring Melangell's craven killer to justice?
