The Ultimate Cruise Passenger's Guide - NORWAY Sam Hall, 2019-09-11 This 2nd edition is a comprehensive, richly illustrated study of Norway that tells you everything you need to know about its history, people, culture, cruise ports and their attractions. N.B: DESPITE NEGATIVE REVIEW, THERE ARE NO PROOF-READING ISSUES IN THIS BOOK. In a series of in-depth articles, the author first describes how the topography of Norway has contributed to the character and culture of its population. He then goes on to examine the Resistance Movement during the Second World War, the hardships and lifestyle of Sami reindeer herders of Lapland and life in Svalbard, including the Russian settlements of Barentsburg and Pyramiden. Hall next uses a personal voyage on the most authentic Viking trading ship ever built as a vehicle to explore and explain the Viking expansion westwards to Iceland, Greenland and North America. Finally, he reveals how a Norwegian team created a highly successful television series about a Norwegian teenage girl who became a surrogate mother to a seal pup. The award-winning series sold to some 68 countries. Having given the reader a thorough insight into what makes the Norwegian people tick, Hall then turns his journalistic spotlight on each of the cruise ports in turn from Oslo and Stavanger in the south to Alta and Kirkenes in the far north, pointing out the main attractions at each port, when they are open and the prices of admission in three currencies.

The Everything Family Guide To Cruise Vacations

Kim Kavin, 2005-11-15 Are you exhausted just from thinking about planning your next family vacation? Does your spouse seek adventure while you just want to relax? Does your teenager sleep until noon and then nap by the pool while your toddler is and running up at the crack of dawn? Is it impossible to choose a restaurant that will satisfy everyone in your family? Then book a cruise! Cruise ships have something for everyone--indoor and outdoor pools, all-you-can-eat buffets and fine dining rooms, children's playrooms and nightclubs. With *The Everything Family Guide to Cruise Vacations*, you'll find the perfect cruise for your tough-to-

please family. Embark on exciting shore excursions at these hotspot destinations: Tropical Caribbean Balmy Bahamas Bermuda's Beaches Exotic Mediterranean Sea Alaskan Wilderness The Panama Canal And more! Chock full of info on cruise lines, ships, day trips, and pricing, this one-stop cruise resource has everything that you need to sail off into paradise, kids and all!

Giants of the Seas Aaron Saunders, 2013-10-01 The cruise ship market is a 30 billion-dollar industry, and in 2013 it is estimated that it will carry more than 20 million passengers; nor is there any sign of a slow down in the seven percent annual growth. What keeps the passengers coming in such huge numbers isn't the food, the ports or the entertainment. They come for the magnificent floating palaces themselves, the giants of the sea. In this new book, the author showcases the most influential cruise ships of the last three decades beginning with Royal Caribbean's ground-breaking Sovereign of the Seas. When she was launched in 1988 she was the largest passenger ship constructed since Cunard's Queen Mary entered service some 48 years earlier, and her entry into service sparked a fiercely competitive building boom that continues to this day. The reader is taken aboard thirty of the most spectacular ships to reveal how their innovative designs changed the landscape of modern cruising. By employing original and archival photographs, deck plans, cruise programmes, as well as the author's intimate knowledge of many of these vessels, a unique picture is built up of these great ships and it becomes clear that the true Golden Age of Cruising is not in some distant past but exists right now, and that its origins can be traced back to one ship, launched in 1988. A truly sumptuous and fascinating book for all those drawn to the world of the modern cruise ship. As seen in Ships Monthly Magazine

Cruising the Norwegian Sun Tishauna Borosky, Paul Borosky, 2019-12-11 When visiting Florida, most people think about visiting Walt Disney World in Orlando, South Beach, in Miami, or the International Racetrack in Daytona Beach. However, there is a multitude of other lesser-known vacationing spots within the state. One of our favorite places would be cruising out of Port Canaveral, near Cocoa Beach, FL. Not only will visitors enjoy a world-class cruise on amazing ships, such as the Norwegian Sun, but they also have the opportunity to experience new ports of call like Nassau, Bahamas and Cozumel, Mexico. In my wife, Tishauna, and I's opinion, finding the right cruise ship takes numerous voyages, over several years, and a trial and error strategy. Fortunately, we have sailed on several cruise ships, Royal Caribbean's Independence of the Seas and Norwegian's Sun, just to name a couple, on several occasions. From these voyages, we've gained some insightful experiences, some good and some not so much. With these experiences in hand, we now wish to share with you our latest adventure, sailing the Norwegian Sun. Our mission for writing this short manuscript is to give you a visitor guide to the ship.
