High Definition Living Ed Young,2010-05-11 Whether you're a stay-at-home mom, a business executive, or a visible leader in your church, this book will give you a clear picture of how you can fulfill God's mission for your life. Drawing on concepts learned from the Old Testament prophet Nehemiah, author Ed Young shares high-definition principles for everyone who wants to live a life of super clarity as a follower of Christ. God intends that every follower of His be a leader of others. Young is not primarily talking about the kind of leadership that puts you in front of large crowds or has you directing huge projects. He's talking about making a difference for God as you impact others for His Kingdom -- wherever you are, whoever you are.

Б. Долгопольского, одного из крупнейших и всемирно признанных специалистов по сравнительно-историческому языкознанию и изучению дальнего родства языков. «Индоевропейский словарь с ностратическими этимологиями» составлен автором на основе главного труда его жизни – «Ностратического словаря», работу над которым А. Б. Долгопольский неотрывно и интенсивно вёл почти полвека.Основной своей задачей автор считает определение и доказательство ностратических истоков индоевропейской лексики, поиск регулярных соответствий между лексическими единицами индоевропейских языков и языков других семей Старого Света. Upper Necaxa Totonac Dictionary David Beck,2011-07-27 The Upper Necaxa Totonac Dictionary represents to-date the most extensive collection of lexical material for any member of the Totonac-Tepehua family and the only such record for this previously-undescribed polysynthetic language, currently spoken in two principal dialects by some 3,400 people, mainly adults, in the Sierra Norte of Puebla State, Mexico. As well as a short grammatical sketch, the dictionary comprises 9,000 lexical entries, including numerous fixed expressions, idioms, and ideophones; each lexical entry is accompanied by part-of-speech information and phonetic transcriptions as well as, where appropriate, dialectal information, grammatical notes (including plurals and classifiers for nouns), literal morpheme-by-morpheme glosses, example sentences, and cross-references to derived forms and semantically-related words. The accompanying DVD includes additional illustrative sentences, audio recordings of headwords and examples, and interlinear glosses for many of the sentences included in lexical entries. This book is the first Totonacan dictionary to be structured for the academic linguist, with special attention paid to the morphological structure of words and the organization of the Totonacan lexicon. Glosses are constructed so as to reflect the underlying complement-structure of words, with careful indication of the number of arguments required by particular lexical items, and all verbs are classified by dynamicity and valency. This dictionary is of interest to linguists working on American indigenous languages, as well as those concerned with the structure of morphologically complex words and the role of derivation in the lexicon of polysynthetic languages. It is also of use to historical linguists and Mesoamericanists interested in the reconstruction of the pre-Columbian history and ethnogeography of Mexico.

The Design of The Waste Land Burton Blstein, 2008 *The Design of The Waste Land* offers a detailed, comprehensive explanation of T. S. Eliot's enigmatic poem. It relates *The Waste Land* to earlier and later poems by Eliot, demonstrating that the major poems describe a continuous spiritual odyssey or quest undertaken by the same individual, initiated by the moment of ecstasy in the Hyacinth garden. Blstein's analysis of Eliot's sources reveals that the protagonist's glimpse of the heart of light is equivalent to drinking from the Grail, or communing with God. The incarnate deity momentarily transforms the Hyacinth garden into the likeness of the Edenic paradise. With the inevitable passing of the moment of communion, the protagonist in effect is expelled from the paradisiacal garden as mankind was from Eden. By contrast, the familiar world appears to him a wasteland. The protagonist seeks to drink again from the divine Source and return again to the garden as it was when transfigured by the divine presence. His is a quest for grail and homeland.--BOOK JACKET.
