Norman Reedus: True Tales of The Walking Dead's Zombie Hunter Mc Shapiro, 2015-09-10 Where does reality stop and fantasy begin? In the case of The Walking Dead superstar Norman Reedus, the question is still very much up in the air. His Daryl Dixon is a very flawed, psychologically scarred character in a zombie-infested world. And there is much in his portrayal that is informed by a real life that is equally flawed and equally scarred. In *Norman Reedus: An Unauthorized Biography: True Tales of the Walking Dead's Zombie Hunter*, the first detailed look at Norman Reedus' life and times, you will get it all. The good, the bad and the ugly. This book chronicles his days as a defiant young man in a fractured but ultimately liberating family life, allegations of physical abuse from Reedus himself, to his struggles in the Los Angeles art underground, alcohol problems that saw him in AA and, for a time, homeless, his breakthrough in acting, modeling and the slow, steady and never boring journey through love, fatherhood and his often truly odd professional choices. You'll discover why Reedus said thanks but no thanks to an offer to play opposite a reigning superstar, how he became Daryl Dixon and how The Walking Dead changed his life. Oh yes, there is that penchant for roadkill. New York Times Bestselling author Marc Shapiro has dug deep, tracking down people who knew him way back when as well as in the here and now for original interviews. They were willing to talk and they revealed stories about Reedus that even the most fanatic fans won't know. The author's research was relentless, digging into deep, dark and obscure corners. Norman Reedus' world is about real life wrapped around a world of fantasy. *Norman Reedus: The Unauthorized Biography: True Tales of the Walking Dead's Zombie Hunter* pulls no

punches, tells only the truth and leaves the rest up to the reader. Which ultimately is the way Norman Reedus would want it.

Melvin McGee, Zombie Hunter Mathew Sullivan, 2015-10

Donald Trump, Zombie Hunter Charlie Roberts, 2017-04-16 The dead have risen to devour the living...and President Donald Trump is fighting back! It's a blood-soaked, action-packed zombie apocalypse that begins at a rally in Nashville, staggers to the Oval Office and the CDC, and ends in a battle royale at the border wall, as Donald Trump, a brave team of warriors, and a machete that never rests fight a life-or-death war to Make America Human Again! The zombie outbreak begins all over the world at virtually the same moment ... and for President Donald Trump, it begins during a rally in Nashville, Tennessee. He and his Secret Service AIC are forced into hand-to-hand combat with the dead, and barely escape with their lives - and the help of a brave team of commandos led by a Special Forces soldier named Tomlin. These are classic George Romero zombies, except faster and even more angry. And by the time Trump, Agent Diaz, and Tomlin land on the South Lawn of the White House, the world has been lost. They have to fight again - guns and knives vs. the relentless hunger of the walking dead - and actually make it to the Oval Office. They learn just how bad things have become and decide to move their base of operations to the Center for Disease Control in Atlanta ... just as former President Barack Obama arrives. He's already lost his wife, and barely begins to speak before his arm falls off and he transforms into a bloodthirsty zombie right in front of them. President Trump moves fast: He takes a machete from one of the fallen and slices the top off ex-Obama's head, stopping the Presidential zombie

forever and revealing an evil little worm-thing that has eaten his brain. Is that the source of the rising dead ... or has it been there much longer? Within moments, Trump and his team - including the beautiful and mysterious blonde Stacey Chase - fight their way back out of the Oval Office to the chopper and rush to the CDC.

Communications indicate it's still safe, but they land on the wrong building at the worst possible time to find that the Center has only just fallen. The Undead attack; they lose the chopper, and Trump and his shrinking team of survivors have to fight their way down ten flights of stairs, past ravenous zombies and crazed humans, just to escape in an Army MRAP. They lose the intriguing Stacey Chase even as she unlocks the vehicle that allows them to flee ... to their final destination: the Border Wall. When Trump and his battle-hardened crew reach the huge and still secure construction site in Sierra Blanca, East Texas, they have to fight through mobs of zombie protesters, zombie media people, and zombie construction workers to reach true safety. They even have to use a massive bulldozer to haul away tons of the walking dead in a final battle royale. But they make it. And Trump is able to tap into what remains of the worldwide communications network, reach out to the survivors and heroes who still exist across a zombie-infected world, and tell them there is still hope. That together, they can re-take their country. They can Make America Human Again!

Follow this team of zombies hunters as they try to survive a salvage expedition. What first seemed like a harmless bit of extracurricular looting has now gone horribly wrong, and the team finds themselves fighting for their survival armed with nothing but improvised weapons and mouths full of colourful profanities. A comic that began as a short story for friends on the web, *The Zombie Hunters* has grown into an exploration of what the world would be like, following a deadly apocalypse. With a society and a zombie threat unlike any other, the story quickly grows beyond its original concept and begins to explore the divide between the Infected, sent to scavenge the wastelands, and those who are not, who live in the safety and comfort of the Argus Research Campus. This title is a graphic novel.

They needed him to find the creature who'd altered Ares, but it wasn't going to be easy to force him to cooperate. Monster Hunter Bloodlines Larry Correia, 2021-08-03
IN A BUSINESS LIKE MONSTER HUNTING, IT'S ALL ABOUT SETTING PRIORITIES The chaos god Asag has been quiet since the destruction of the City of Monsters, but Monster Hunter International know that he is still out there, somewhere—plotting, waiting for his chance to unravel reality. When Owen and the MHI team discover that one of Isaac Newton's Ward Stones is being auctioned off by Reptoids who live deep beneath Atlanta, they decide to steal the magical superweapon and use it to destroy Asag once and for all. But before the stone can be handed off, it is stolen by a mysterious thief with ties to MHI and the Vatican's Secret Guard. It's a race against time, the Secret Guard, a spectral bounty hunter, and a whole bunch of monsters to acquire the Ward Stone and use it against Asag. For as dangerous as the chaos god is, there is something much older—and infinitely more evil—awakening deep in the jungles of South America. At the publisher's request, this title is sold without DRM (Digital Rights Management). About Larry Correia and the Monster Hunter International series: "[E]verything I like in fantasy: intense action scenes, evil in horrifying array, good struggling against the darkness, and most of all people—gorgeously flawed human beings faced with horrible moral choices that force them to question and change and grow." —Jim Butcher "[A] no-holds-barred all-out page turner that is part science fiction, part horror, and an absolute blast to read." —BookReporter.com "If you love monsters and action, you'll love this book. If you love guns, you'll love this book. If you love fantasy, and especially horror fantasy, you'll love this book."

—Knotclan.com “A gun person who likes science fiction—or, heck, anyone who likes science fiction—will enjoy [these books] . . . The plotting is excellent, and Correia makes you care about the characters . . . I read both books without putting them down except for work . . . so whaddaya waitin’ for? Go and buy some . . . for yourself and for stocking stuffers.” —Massad Ayoob “This lighthearted, testosterone-soaked sequel to 2009’s *Monster Hunter International* will delight fans of action horror with elaborate weaponry, hand-to-hand combat, disgusting monsters, and an endless stream of blood and body parts.” —Publishers Weekly on *Monster Hunter Vendetta*
