

Crystal Crush

Zebulon C. Miller

Crystal's Crush Sparkle,2013-06-04 Crystal Jackson is surrounded by drama. Her parents are constantly arguing and fighting. To escape the drama at home, she befriends Tyreek Ty Davis, known on the streets as Doughboy. Crystal ignores her two BFFs, Dena and Sade, warning about Ty and her crush leads her into a full blown relationship with him. Ty's dreams of being a football star are threatened to be crushed when he finds himself mixed up in his older brother's drama. Crystal learns that Ty is more than a high school student, he works for his brother. Ty soon discovers the identity of his father and his father's enemies set out to kill him and anyone close to him. Crystal and Ty are like a new age Bonnie and Clyde as they go on one deadly adventure after another. Lives are lost and enemies crossed. There's nothing sweet about turning sixteen as Crystal quickly finds out in this edgy tale of drama, intrigue and teenage love.

Crystal's Crush Sparkle,2013-06-04 Crystal Jackson is surrounded by drama. Her parents are constantly arguing and fighting. To escape the drama at home, she befriends Tyreek Ty Davis, known on the streets as Doughboy. Crystal ignores her two BFFs (Dena and Sade) warning about Ty, and her crush leads her into a lot more than a full blown relationship. As Crystal spends more time with Ty, she unknowingly places her life in situations more dangerous than she has ever imagined. Crystal and Ty become like a new age Bonnie and Clyde as they go on one deadly adventure after another. Lives are lost and enemies crossed. Turning sixteen may be sweet, but it can also be deadly as Crystal quickly finds out in this edgy tale of drama, intrigue and teenage love.

Crystal Clear, Rock Star Revealed! Chyna Dixon-Kennedy,2022-05-17 From the acclaimed author of "Ice Palace, Crystal Dreams" comes a new exciting thriller. Everyone's favorite couple is back to solve another baffling mystery- their best one yet! A wealthy heiress is discovered in a pristine park in sunny Los Angeles. Their brand new detective agency is hired to solve this peculiar crime. While investigating the rich socialite, they're thrust into a whirlwind of strange happenings and demonic secret societies that will stop at nothing to preserve a lucrative empire. The more they uncover, the more they're sucked into a swirling vortex of deception, high tech conspiracy theories, and lies. Appearing at the center of this complex controversy is a promising teen whose social media platform goes viral, plus the narcissistic front-runner in a contentious presidential election; his true agenda remaining undisclosed. As the nation is ravished by a fast-spreading and highly contagious mutating virus, key evidence is stumbled upon to unlock the case. Now Detective Don Dellevega and Dr. Crystal Knight-Davenport must even up the odds by battling against Russian covert operatives. It's a race against time to reveal the apocalyptic plan to the masses. Before it's too late! The stakes are high- as the fate of an entire country hangs in the balance, including the lavish lifestyle of one young rising rock star...

Crush Crystal Hubbard,2007-03-01 Sportswriter Miranda Penney knows all about men with balls and big sticks, but she hits all the wrong notes when she finds herself reluctantly falling for rock star Lucas Fletcher. No stranger to the pitfalls of dating a celebrity, Miranda would rather shun true love than risk having her heart broken by the one man with whom she might find it. The daughter of an African-American baseball player who frequently cheated on her beautiful, accomplished Brazilian mother, Miranda also bears the wounds of having been cheated on by the ballplayer she herself dated. Although she can't deny her attraction to Lucas, Miranda can't force herself to accept the love the handsome Welshman wants to give her. Their careers keep them surrounded by gorgeous, wealthy men and women of every color and description, but for Lucas and Miranda, when it comes to love, race doesn't matter. . .but fidelity and trust do,and those are the two things Lucas is determined to teach Miranda to believe in.

Crystal and Cocktails Zebulon C. Miller, 2023-06-12 When I was in rehab, I mentioned to a counselor that I was an aspiring writer. She suggested I write a memoir and specifically suggested I include details about rehab and recovery; she said, There are tons of books about addiction and tons of self-help books about recovery, but not very many memoirs written by addicts that share their journey through recovery. At three years sober, someone close to me said, You've been able to help yourself, and that's good, but good people help themselves, and great people help other people. If you could find a way to tell your story, that would be great. My book describes the personality traits and character defects that began my journey into drug and alcohol abuse, the gradual decline of my mental and physical health over fifteen years of addiction and over a decade of recovery. It also describes the process of finding a home group in twelve-step programs and finding a sponsor, both of which I feel are integral to success in the transition from early to long-term recovery, and I describe the reintegration process with both my spouse and my immediate family. My story needs to be told because it's a bit less exorbitant and appalling than other popular stories and different from the way addicts are typically portrayed in movies and television. Most addicts are not homeless, jobless, and friendless; they are quietly imploding at the behest of those closest to them and unbeknownst to nearly everyone else. We, as a society, are moving into an era of awareness and action regarding mental health; it's finally okay to admit we need help. However, many addicts and alcoholics use a worst-case scenario as a metric for the progression of their illness and convince themselves they need not pursue solutions to their addiction and mental health, often until it's too late. I hope if they hear a middle-of-the-road, white-collar journey like mine, they will proactively take action to save themselves, their marriages, and their relationships with their children and their families before the consequences become so dire that they lose them entirely.

My Crush's Father S.E. Law, 2024-04-04 My crush's father found me locked in a closet, lush and inviting, with a bottle jammed up tight in my you-know-what! Nicole: I could hardly believe it when I was invited to Peter Forsythe's party. Peter's a star lacrosse player and all-around big man on campus. Popular boys like him never talk to curvy girls like me. But then Peter KISSED me at the party! Not only that, but he brought me to a closet for some privacy ... and then locked me inside! What the hell!?! Now, the teen boy says I have to demean myself with a wine bottle before he lets me out. Otherwise, I'm stuck in this prison forever! Roger: I got home late from work and was disgusted. My son had a party last night, and the mansion was trashed. But there were weird sounds coming from my walk-in... and when I opened the door, there was a lush teenage girl on the floor, doing the unmentionable with a wine bottle! What the f*ck did my son do? Nonetheless, I'm a physician, and I knew what came next: to examine Nicole's secret spots ... hard and unprotected, as she shivers with delight! What in the world? Nicole gets invited to a party, only to realize that it's a prank. She gets locked inside a closet by her so-called date, only to have HIS FATHER come to her rescue! But Dr. Forsythe is no soccer dad with a huge paunch. Instead, this powerful alpha male soon has Nicole crying out loud with ecstasy as she experiences a *real* man's touch. Put your seatbelts on because the ride's about to begin! Your hair will be on fire from the sheer heat, I promise. This book is a follow-up to *Shared by The Single Dads*, but all of my stories are standalone and can be read in any order. Enjoy!

Dangerous Crush Crystal Kaswell, 2017-01-04 Rock star Kit Lockhart can have any woman he wants... any woman except her. Kit Piper. My band mate's baby sister. The one woman I can't have. The one woman who won't get out of my head. Those big blue

eyes, those sweet pink lips, the cheeks that flush at the slightest provocation...I want her under me, groaning my name, shaking with desire.I shouldn't be the one to take Piper's virginity.But there's no way in hell I'm letting another guy fill her with pleasure.PiperKit.The bassist in my brother's band.The guy I've been crushing on forever.The tall, dark, handsome musician who keeps everything to himself.He looks at me like I'm an innocent flower.We're only friends. We're only ever going to be friends.I need to stop thinking about running my fingers over the lines of his tattoos.I need to stop wondering what his tongue piercing would feel like against my--I need to get over him.But the more I get to know him, the more I want to get under him.

Crystal Structure Analysis Jenny Pickworth Glusker,Kenneth N. Trueblood,2010-05-27 The purpose of this book is to explain why molecular structure can be determined by single-crystal diffraction of X rays. It is not an account of the practical procedural details, but rather an account of the underlying physical principles, and the kinds of experiments and methods of handling the experimental data that are used.

Tidings of Joy Margaret Daley,2010-12-27 He came to Sweetwater to repay a debt. Chance Taylor didn't expect to have feelings for his new landlady, Tanya Bolton. He could see newly widowed Tanya had worked hard to put the pieces of her world back together, caring for her wheelchair-bound daughter and taking a job at the local bank. Chance's arrival interrupted Tanya's routine...and brought unexpected happiness to her life. But the secret obligation he struggled with meant Chance could lose Tanya—and his chance for a fresh start—forever.

Crystal Blueprint Beatriz Singer,2019-02-05 A guide to quartz crystals from both an ancestral and scientific point of view, with the mission of helping readers identify their mind patterns and wounds to reconnect with the authentic self. It's estimated that 10 billion quartz crystals are used every year in electronic devices--from smartphones to computers, credit cards, watches, digital cameras, TVs, cars, and much more. When you think about it, it's almost impossible to imagine life without crystals. These same crystals we see in so much of our technology have been used over the course of many centuries, and by many different cultures around the world, for healing. In fact, crystal healing is alive and well today, with modern-day healers harnessing the energy of quartz crystals to help alleviate suffering. What is it that has drawn scientists and healers around the world to crystal technology, and what are the similarities between the ways these two groups have used the stones? In this book, crystal healer and holistic therapist Beatriz Singer answers these questions--and more. She takes readers on a journey to understand the many wonders of quartz crystals, so that we can use their powers to bring peace and healing to ourselves and the world.

Much Ado About Muffin Victoria Hamilton,2016-08-02 In this fresh mystery from the national bestselling author of *Death of an English Muffin*, baker Merry Wynter comes to the aid of an innocent woman accused of murder. When muffin baker Merry Wynter sees an innocent woman accused of murder, it's dough or die... Opera singer Roma Toscano may have a crippling case of stage fright, but she certainly is stirring up drama in Autumn Vale, New York, as she prepares for an upcoming performance at Merry's Wynter Castle. With her flamboyant style and flirtatious personality, Roma attracts fans as well as critics, including the town's postmistress—and Merry's bitter foe—Minnie Urqhart. But Roma and Minnie's heated rivalry goes cold after Merry discovers Minnie dead at the post office. While every clue seems to be another ingredient in the investigation of Roma, Merry thinks the case is half-

baked, and she's eager to get her mitts on the real killer...

Lasagna Means I Love You Kate O'Shaughnessy, 2023-02-21 What are the essential ingredients that make a family? Eleven-year-old Mo is making up her own recipe in this unforgettable story that's a little sweet, a little sour, and totally delicious. Nan was all the family Mo ever needed. But suddenly she's gone, and Mo finds herself in foster care after her uncle decides she's not worth sticking around for. Nan left her a notebook and advised her to get a hobby, like ferret racing or palm reading. But how could a hobby fix anything in her newly topsy-turvy life? Then Mo finds a handmade cookbook filled with someone else's family recipes. Even though Nan never cooked, Mo can't tear her eyes away. Not so much from the recipes, but the stories attached to them. Though, when she makes herself a pot of soup, it is every bit as comforting as the recipe notes said. Soon Mo finds herself asking everyone she meets for their family recipes. Teaching herself to make them. Collecting the stories behind them. Building a website to share them. And, okay, secretly hoping that a long-lost relative will find her and give her a family recipe all her own. But when everything starts to unravel again, Mo realizes that if she wants a family recipe—or a real family—she's going to have to make it up herself.
