Courageous Joy Mary Carver,2021-03-30 There's an unspoken tension between happiness and discontentment. You love your family and friends, but complicated relationships drain and discourage you. You're grateful for work but sometimes feel overlooked. You want to follow Jesus yet feel pulled in a dozen different directions. You know God loves you, yet insecurities bully you. The voices of this world are so loud, how can someone possibly hear God's still small voice? The injustice and wounds of this world are so great, how can someone possibly experience lasting joy? Your friends at (in)courage know how you feel and have grappled with these questions too. Find the answers you're looking for in *Courageous Joy*, a

six-week Bible study that celebrates God's goodness and shows you how to experience true joy right where you are. If you want to be able to rejoice in the Lord always not just in theory but in everyday practice, if you long for a profound sense of calm and confidence in every season and situation of life, this study will light the way.

The Chemical Reaction Fiona Erskine, 2021-05-13

As Jaq is pulled further into a murky underworld of deceit and corruption, things take an explosive turn...

Courageous Influence (in)courage, 2021-07-13 In today's social media-saturated world, the word influence conjures up images of beautifully curated Instagram feeds or women who lead from the stage and have thousands of followers. It's measured by the number of likes and shares and how well we can get people to imitate us. Influence has almost become synonymous with fame and power, and if we're honest, many of us long to have it. But in its purest form, influence is simply the capacity to affect change on someone. It is the ability to impact others for a certain purpose. And from a biblical perspective, influence is the right and responsibility of everyone who follows Christ. *Courageous Influence* will guide you in the journey of living the impact you were made to have through this six-session study. Let's turn the world's idea of influence on its head and become the courageous women of influence God calls us to be.

Courageous Kindness (in)courage,2021-10-05 In the face of the world's problems, kindness may seem like a long-lost virtue without enough power to make an impact. Yet we are called to show courageous kindness to those around us--even those we don't agree with--just as God has shown us kindness beyond measure. How we treat people matters! Every small kindness we show has the potential to create waves of lasting change in Jesus's name. God wants to use your ordinary days--as you go on your way--to accomplish more than you could ever expect. Courageous Kindness is a six-week Bible study that will help you - start making an impact right where you are and using exactly what you have - embrace the power of inconvenience and put on compassion - learn to live eyes wide open to the evidence of God's abundant kindness If you're ready to experience and share the kind of radical kindness that changes the world, join your friends at (in)courage and become a woman of courageous kindness, one simple, life-changing step at a time.

Courageous Simplicity (in)courage,2021-01-05 I'm just so busy and tired. These words fall from your lips as easy and often as your next breath. You're weary of your packed schedule and frenetic pace and responsibilities at every turn. Even good things no longer feel life-giving. You long for a simpler life. You want to be able to face daily burdens and the chaos of this world and say with confidence, It is well with my soul. But how? (in)courage is ready to come alongside you through Courageous Simplicity, a six-session Bible study

on living in the simple abundance of Jesus. This study will help you release control of what frays your soul and will lead you to true refreshment. As you train in the spiritual practice of simplicity, you will discover the God who loves you lavishly and wants to show you how to live with a heart open and surrendered to his presence. You can live in the peace and freedom of having and being enough. Let your friends at (in)courage show you how.

Engineering for Sustainable Development

International Centre for Engineering

Education, UNESCO, 2021-03-02 The report highlights the crucial role of engineering in achieving each of the 17 SDGs. It shows how equal opportunities for all is key to ensuring an inclusive and gender balanced profession that can better respond to the shortage of engineers for implementing the SDGs. It provides a snapshot of the engineering innovations that are shaping our world, especially emerging technologies such as big data and AI, which are crucial for addressing the pressing challenges facing humankind and the planet. It analyses the transformation of engineering education and capacity-building at the dawn of the Fourth Industrial Revolution that will enable engineers to tackle the challenges ahead. It highlights the global effort needed to address the specific regional disparities, while summarizing the trends of engineering across the different regions of the world.

The Well-Watered Life Gretchen

Saffles, 2021-04-15 The Well-Watered life isn't

about doing more; it's about being with Jesus and becoming like Him. The Well-Watered Life devotional journal is your very own not-so-formal invitation to embrace the life Jesus came to give. Throughout the pages of this beautifully designed journal, filled with writing prompts, Scripture teaching, and biblical exercises, you will be encouraged to chronicle your journey of faithfully following and finding Jesus. You will discover how to satisfy the deep craving in your soul as you learn practical ways to implement spiritual disciplines and rhythms in your daily routine as you pursue a "well-watered life" in Christ.

Walk, Run, Soar Dorina Gilmore Young, 2020-09-29
In this 52-week devotional and training journal designed for both new and longtime runners, you will be encouraged to improve both your physical and spiritual health. In these pages, you will find practical running and training tips, weekly workouts, advice on how to fuel your body well, and space to journal and record your running progress.
