Sugar, Cigars, and Revolution Lisandro

Pérez, 2021-05-01 Winner, 2020 Herbert H. Lehman Prize for Distinguished Scholarship in New York history Honorable Mention, 2019 CASA Literary Prize for Studies on Latinos in the United States, given by La Casa de las Américas

The dramatic story of the origins of the Cuban community in nineteenth-century New York. More than one hundred years before the Cuban Revolution of 1959 sparked an exodus that created today's prominent Cuban American presence, Cubans were settling in New York City in what became largest community of Latin Americans in the nineteenth-century Northeast. This book brings this community to vivid life, tracing its formation and how it was shaped by both the sugar trade and the long struggle for independence from Spain. New York City's refineries bought vast quantities of raw sugar from Cuba, ultimately creating an important center of commerce for Cuban émigrés as the island tumbled into the tumultuous decades that would close out the century and define Cuban nationhood and identity. New York became the primary destination for Cuban émigrés in search of an education, opportunity, wealth, to start a new life or forget an old one, to evade royal authority, plot a revolution, experience freedom, or to buy and sell goods. While many of their stories ended tragically, others were steeped in heroism and sacrifice, and still others in opportunism and mendacity. Lisandro Pérez beautifully weaves together all these stories, showing the rise of a vibrant and influential community. Historically rich and engrossing, *Sugar, Cigars, and Revolution* immerses the reader

in the riveting drama of Cuban New York. Lisandro Pérez analyzes the major forces that shaped the community, but also tells the stories of individuals and families that made up the fabric of a little-known immigrant world that represents the origins of New York City's dynamic Latino presence.

The Cigar Roller Pablo Medina, 2005 Master storyteller Pablo Medina's *The Cigar Roller* is a radiant novel recounting the life of Cuban master cigar roller Amadeo Terra. A proud and capricious man, tobacco has been the center of Amadeo's life, the source of his passion. For his considerable talents with the leaves he had been forgiven a great number of sins. An imperious patriarch of enormous appetites, Amadeo now lies in a Florida hospital after a stroke looks back at his previously unexamined life. One day Nurse feeds him mango from a baby-food jar-a change from the tasteless mush he frequently rejects with defiance-and the taste brings memories of his life in Havana flooding back to him. He recalls his turbulent, passionate relationship with his wife Julia, his numerous romantic transgressions, the three sons he's kept at a distance, the political strife that forced his family to relocate from Cuba to Florida, and finally the tragedy that he's kept locked away. *The Cigar Roller* is a tour de force, an evocative, humorous and endearing and portrait of a once robust man who, at the end of his imperfect life, clamors for some dignity and

grace as he comes to terms with his regrets.

**Cigars** Red Howard, 1997 This manifesto of cigar history, legend, and lore takes a stylish look at the making and enjoyment of fine cigars, from Columbus to the golden age of Hollywood through the surging popularity that makes cigar smoking one of today's most popular pleasures. This complete guide to choosing, preparing and enjoying, details the subtleties of different brands and blends, providing a useful and lively guide to cigars and accoutrements to make the most of a quality smoke.

**The Cigar Enthusiast** Sonia Weiss, 1997 You might not know a Cohiba from a Corona. You might think a hot smoke is cool. You might even think biting the end off a five dollar Churchill is acceptable. But if you want to be a true student of the art of cigar smoking, you need *The Cigar Enthusiast*. And it is an art -- like a fine wine, a hand-rolled cigar was created to be appreciated. *The Cigar Enthusiast* will tell you everything you need to know: from choosing the cigar that suits you best, to stocking a humidor, to lighting up. And soon -- as your appreciation and knowledge grow -- vice will turn to virtue. Smoking a cigar will be more than just a cocktail fascination.
