Gone Dark Amanda Panitch,2023-04-04 Dry meets Hatchet in this thrilling tale of survival following a teen girl who must lead her friends across the country to the safety of her estranged father's survivalist compound after a mass power failure leaves the country in chaos. When seventeen-year-old Zara escaped her father's backwoods survivalist compound five years ago, she traded crossbows and skinning hides for electricity and video games...and tried to forget the tragedy that drove her away. Until a malware attack on the United States electrical grids cuts off the entire country's power. In the wake of the disaster and the chaos that ensues, Zara is forced to call upon skills she thought she'd never use again—and her best bet to survive is to go back to the home she left behind. Drawing upon a resilience she didn't know she had, Zara leads a growing group of friends on an epic journey across a crumbling country back to her father's compound, where their only hope for salvation lies. But with every step she takes, Zara wonders if she truly has what it takes to face her father and the secrets of her past, or if she'd be better off hiding in the dark.

Dead Joker Anne Holt, 2016-07-26 From Norway's bestselling female crime writer, this installment in the Edgar-nominated mystery series featuring the whip-smart detective Hanne Wilhelmsen is "an ideal read-alike for fans of Jo Nesbø's Harry Hole and Karin Fossum's Inspector Sejer" (Booklist). Chief Public Prosecutor Sigurd Halvorsrud's wife is found brutally decapitated in front of the fireplace in the family living room. Her husband, who claims he witnessed the grisly murder and is himself covered in blood, immediately falls under suspicion, though he insists his wife's killer was Ståle Salvesen, a businessman he'd prosecuted years before for insider dealing. Detective Inspector Hanne Wilhelmsen is called in to lead the investigation with her old colleague, Billy T. Despite the circumstantial evidence, Hanne is unconvinced of Sigurd Halvorsrud's guilt—that is, until a witness says he saw Ståle Salvesen commit suicide by jumping off a bridge days before the murder took place. Then a journalist at one of Oslo's largest newspapers is found beheaded. What links these two horrific crimes? The demands of the investigation soon clash with a terrible crisis in Hanne's personal life: Cecilie, the woman she has lived with for almost twenty years, has fallen seriously ill and doesn't have much time to live. With a savage killer on the loose, Hanne must ask herself: Is the truth worth chasing at all costs? The New York Times Book Review declares, "Wherever Hanne shows up next...follow that wheelchair." Anne Holt's Hanne Wilhelmsen novels are "fast-paced and involving" (The Wall Street Journal), and *Dead Joker* is "an immersive tale that packs an emotional punch and offers incisive commentary on the failings of the criminal justice system" (Publishers Weekly).
