INSIDE THE CHI LITES MUSIC Darren Cubie
,2022-12-26 The son of an R&B legend tells the incredible but true story of a family torn apart by greed, corruption and the systematic abuse of black artists in the United States. Darren Cubie grew up in St. Louis not knowing why assassination attempts, FBI investigations, and witness protection programs weren't supposed to be a 'normal' part of life. With the hall of fame success of the iconic soul group known as the Chi-Lites, Darren's father, founding member Creadel "Red" Jones came a terrible price. Like so many other black artists of the day, the devil was in the details in the form of contracts and agreements with the mob filtered thru corrupt record executives and banksters. The bitter ending of Creadel's journey in 1994, penniless on the streets of L.A., has spurred Darren on to become a champion for artists everywhere who've suffered from this decades-old system of abuse
